Modern Snipers Leigh Neville, 2016-08-25 The years since 9 11 have seen major changes in the way snipers are employed on the modern battlefield alongside an incredibly rapid evolution in their weapons equipment and training This book covers the 14 years of near constant warfare since the dawn of the 21st century documenting where when and how snipers have been deployed their rifles optics and their ancillary equipment such as laser range finders their training and tactics and accounts of real life operations involving sniper teams The wars in Iraq and Afghanistan have reaffirmed the importance of snipers in both conventional and unconventional warfare and this new study

covers these developments in depth as well as looking at the role of the sniper in police and counterterrorism environments

Life of American Snipers: Chris Kyle and the Rest of the Elite Snipers Mark Dawn, 2015-02-27 American snipers have gained increased popularity after the production of the movie American Sniper based on the life of Chris Kyle who served as a sharp shooter in Iraq consecutively for about four periods Sharp shooter is the less common term to describe snipers whose role in history started in the World War Famous snipers have since emerged forming part of the elite Navy Seals While some people refer to snipers as cowards because they do seem to not be actively engaged in combat they have been hailed as heroes due to the reduced misses during combat and the flexibility of their attack to rely on stealth American snipers have played a huge role in eliminating some of the terrorists bent on causing terror around the world Snipers are originally meant to increase the chances of winning a war They do this by neutralizing the most dangerous people in war from a concealed distance and thereby serve to provide an advantage to their side *Super Snipers* Soldier of Fortune Magazine Editors, 2013-10-08 In Super Snipers the editors of Soldier of Fortune show readers the ways of the expert sniper in forty stories from those who have mastered the craft Becoming an elite sniper involves more than learning how to shoot Snipers need to know how to judge terrain wind and sometimes even the curve of the Earth They train their eyes to spot enemy movement in the distance and to never hesitate A sniper is more than a finger behind a trigger he is a scout a scientist a strategist and the support group for a platoon Super Snipers brings you into the world of some of the most accomplished snipers From Finland to Iraq Korea to Somalia Soldier of Fortune Magazine provides forty stories directly from the eyes and minds of the snipers who made the kills These trained marksmen describe their method of calculating aiming and taking the perfect shot all the way down to the type of chewing tobacco they prefer Some of the super snipers in this collection include Chris Kyle American Sniper Major Charles Greene Sergeant Dan Mills Gunnery Sergeant Jack Coughlin Robert K Brown And many more Every sniper just like every situation that calls for a sniper is unique and Super Snipers will show you every step of the way as you find the target narrow the scope and take the shot The Barrett Rifle Chris McNab, 2016-03-24 The Barrett M82A1 and its derivatives are among the most successful sniping rifles ever manufactured Now entering its fourth decade of service the short recoil semi automatic system is capable of firing a devastating 50 caliber round with lethal accuracy over distances of more than 2km Unconfirmed reports from Afghanistan in 2012 accredit the Barrett with one of history's longest ever kills at 2 815m This is the technical history of a rifle initially developed as a sporting firearm but which evolved into a long range sniping rifle and a formidable military anti materiel tool designed to neutralize everything from enemy vehicles to parked aircraft Adopted by snipers across the world the Barrett rifles have seen active service in Operation Desert Storm Iraq and Afghanistan and have become an important addition to police armed services and Special Forces units alike *Weapons of the US Special Operations Command* Chris McNab, 2019-07-25 The units and formations of the US Special Operations Command SOCOM have privileged access to the finest weaponry in the world's arsenal Whether Army

Navy Air Force or Marines the SOCOM troops select weapons that match their mission requirements but which also sit at the cutting edge of combat technology This means that while SOCOM troops frequently use standard issue weaponry they also adopt many specialist pieces of kit that are not so accessible to the broader armed services including sniper rifles battle rifles and machine guns as well as high tech tactical accessories used to transform standard weaponry into something exceptional Assessing the technology and capabilities of these combat weapons as well as how they have been used in modern combat this fully illustrated study lifts the veil on some of the most distinctive hand held weapon systems of US special operations forces since 1987

Journal of Special Operations Medicine ,2010 **Stalkers and Shooters** Kevin Dockery, 2007-07-03 Now in paperback From the author of the Navy SEALs Oral History series an intimate look at the world s most efficient and deadly warriors Snipers have a rich history This fascinating book follows their tasks and techniques from the Revolutionary and Civil Wars through both World Wars to the Korean War and Vietnam the genesis of modern sniping to the current conflicts in the Middle East Also readers will see how sniping has evolved on the civilian side in law enforcement Readers will learn about the tools of the trade but most importantly they will hear from the experts themselves military snipers as well as civilian police and SWAT snipers Capturing the suspense and action of the hunt the words of these men draw readers into the close knit little known world of men who need only one bullet to get the job done

Secret Commandos John L. Plaster, 2018-10-16 Major John L Plaster recalls his remarkable covert activities as a member of a special operations team during the Vietnam War in a comprehensive informative and often exciting account of an important part of the overall Vietnam tragedy The New York Times Before there were Navy SEALs there was SOG Short for Studies and Operations Group it was a secret operations force in Vietnam the most highly decorated unit in the war Although their chief mission was disrupting the main North Vietnamese supply route into South Vietnam SOG commandos also rescued downed helicopter pilots and fellow soldiers and infiltrated deep into Laos and Cambodia to identify bombing targets conduct ambushes mine roads and capture North Vietnamese soldiers for intelligence purposes Always outnumbered they matched wits in the most dangerous environments with an unrelenting foe that hunted them with trackers and dogs Ten entire teams disappeared and another fourteen were annihilated This is the dramatic page turning true story of that team s dedication sacrifice and

constant fight for survival In the gripping Publishers Weekly Secret Commandos John Plaster vividly describes these unique warriors who gave everything fighting for their country and for each other **One Shot Kills** Glenn Wahler, Russell Linwood, 2014-05-05 A sniper is not just a good shot While marksmanship is crucial it is not this alone that defines the sniper Snipers must also be superb bushmen possess limitless patience iron discipline rat cunning extraordinary stamina and attract more than their share of luck The well trained sniper will stalk his enemy or lie in wait for his target to appear He will eliminate his target with just one shot and escape to repeat his mission time and again The history of the Australian Army is replete with untold tales of brave men who built reputations as daring and skilful snipers From the training grounds of the Boer War and First World War Australian snipers honed their deadly skills and earned a fearsome reputation In the Second World War they duelled with their German counterparts in the Western Desert and the hardy Japanese snipers of the Pacific War The valuable lessons of two major wars had to be relearned for the Korean War where naive young men who knew nothing of combat sniping learned quickly or didn't survive The snipers of today's Australian Army have learned the lessons of history and are held in the same high regard by friend and foe as their Gallipoli forebears Snipers have become an essential force multiplier and have deployed on every operation since Somalia One Shot Kills is the story of the sniper's journey from the South African veldt to the recent battlegrounds of Iraq and Afghanistan It is also the story of the development of the modern sniper's combat weapon system in which technology has been harnessed to produce extraordinary results on the battlefield Australian Army snipers are justifiably regarded as among the best in the world

Jihadism Revisited Rüdiger Lohker, Tamara Abu-Hamdeh, 2019-11-19 Studying Jihadism is an endeavor facing several problems For many researchers and the reading public it is difficult to accept that Jihadists do have a theology of their own and not some kind of ideology Understanding that a phenomenon of communication that is done to a large extent in Arabic is not to be understood if research is done communication translated into or written in English Saying it is all out there in the Internet without understanding Internet communication will help to understand terrorist phenomena like Jihadism Ignoring that there is Jihadism IS and al Qaeda will guarantee that research will not be able to see the broad range of Jihadism Last but not least research not interested in the technologies practices etc Jihadists use to commit terrorist attacks cannot claim to study Jihadism The contributions in this book provide knowledge in all these fields based on Arabic language sources theological aspects Internet communication groups usually ignored the role of infographics technical aspects and covert and intelligence actions

Turnabout and Deception Barton Whaley, 2016-07-15 Turnabout and Deception combines two of spymaster Barton Whaley's most potent analyses of the craft Turnabout Crafting the Double Cross and When Deception Fails The Theory of Outs Each examination delves into extensive case studies to establish not only foundational understandings of essential espionage principals but also creates guidance for their practical application on both individual and governmental scales Deception is a basic tactic used by allies and enemies alike but when both protagonist and antagonist ply the same

trade it is the master of the double cross who comes out the victor Turnabout and Deception examines how to turn the tables on an opponent and use their own deception against them Through thirty eight case studies this monograph dissects the double cross to reveal the psychological battle of wits at its core No matter how well crafted however there is always a chance that a deception will fail But failure is not the end of a deception and even failed deception operations can yield results Turnabout and Deception pores over sixty more case studies to determine why a deception will fail steps to prevent a failed operation and how to turn that failure into a success *Flesh Collectors* Fred Rosen,2015-07-01 The acclaimed true

crime author of *Lobster Boy* chronicles the brutal acts and eventual capture of two cannibalistic killers on Florida s Gulf Coast Jeremiah Rodgers and Jonathan Lawrence met in a Florida hospital for the criminally insane where both had been serving time for petty crimes Upon their release they traveled to Lawrence s hometown of Milton Florida where they murdered Justin Livingston Lawrence s mentally challenged cousin Their deadly spree continued when they viciously raped and shot 18 year old Jennifer Robinson and then cannibalized her body Author Fred Rosen reports on how Detective Todd Hand solved the case and brought justice to the victims families Hand had his work cut out for him as there was no clear motive behind these heinous crimes but during questioning he caught the 2 killers in a lie about Justin Livingston s

whereabouts which led to their arrests Rodgers and Lawrence now reside on Florida s death row **Four Shocking True Crime Tales** Fred Rosen,2017-09-05 Four bizarre true crime stories about serial killers murder sprees sideshows and church pulpits in one sensational volume These grisly true crime books by a former New York Times columnist chronicle four shocking and disturbing cases Body Dump Few people in Poughkeepsie New York paid mind when prostitutes started vanishing off the streets Nor did anyone have hard evidence to link the disappearances to suspect Kendall Francois a slovenly middle school hall monitor nicknamed Stinky Then one woman escaped his house of horrors and led authorities to the ghastly secrets hidden in Francois s attic *Flesh Collectors* When social misfit Jeremiah Rodgers and racist devil worshipper Jonathan Lawrence met in a Florida penal system mental hospital they discovered a mutual lust for sadism Then they were released What followed was a thrill killing spree of murder rape and cannibalism the makings of an unforgettable true crime classic Dan Zupansky host of Blog Talk Radio s True Murder *Lobster Boy* With his lobster claw hands and stunted legs Grady Stiles Jr traveled the carnival circuit as *Lobster Boy* He was also a violently dangerous husband and father who had been convicted once before of murder After years of abuse his wife a sideshow wonder known as the Electrified Girl fought back with a murder for hire Deacon of Death By day Sam Smithers deacon of the Baptist church in Plant City Florida was a family man beyond reproach By night he was a sex addicted killer who trolled for prostitutes When the decomposed bodies of two women were found off a rural road in Tampa no one suspected the clergyman Then one day a local woman saw sweet Mr Smithers cleaning his bloody axe **Making Sense of the Secular** Ranjan Ghosh,2013-01-04 This book offers a wide range of

critical perspectives on how secularism unfolds and has been made sense of across Europe and Asia The book evaluates

secularism as it exists today its formations and discontents within contemporary discourses of power terror religion and cosmopolitanism and the focus on these two continents gives critical attention to recent political and cultural developments where secularism and multiculturalism have impinged in deeply problematical ways raising bristling ideological debates within the functioning of modern state bureaucracies Examining issues as controversial as the state of Islam in Europe and China s encounters with religion secularism and modernization provides incisive and broader perspectives on how we negotiate secularism within the contemporary threats of terrorism and other forms of fundamentalism and state politics However amidst the discussions of various versions of secularism in different countries and cultural contexts this book also raises several other issues relevant to the antitheocratic and theocratic alike such as Is secularism merely a nonreligious establishment Is secularism a kind of cultural war How is it related to terror The book at once makes sense of secularism across cultural religious and national borders and puts several relevant issues on the anvil for further investigations and understanding
