A New Apostolic Reformation? R. Douglass Geivett, Holly Pivec, 2018-07-25 This critique provides a framework for understanding and interpreting the widespread but little known New Apostolic Reformation movement As the authors state in the preface We write this book with two major goals in mind First to give people an idea of the sheer size and reach of the NAR movement And second to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning

In our judgment the NAR perspective crosses these boundaries that is certain broad parameters revealed in Scripture and practiced in the historical orthodox church and it does so in part because of flawed theology rooted in a flawed understanding of Scripture

A Practical Guide to Evangelism-- Supernaturally Chris Overstreet, 2011-05-17 The best way to describe evangelism in its simplicity is an outer flow of love and power to the world because of your committed loving relationship with Jesus A Practical Guide to Evangelism Supernaturally has the potential to ignite the fire of God's love to touch a hurting and dying world As believers our first ministry is to the Lord Jesus Christ is our worship and devotion Our second ministry is to be in community and fellowship with other Christians Our third ministry we will never be able to do in Heaven and that is to share our faith with non Christians This ministry has urgency behind it because God's heart is for the lost and His desire is that none perish but all have everlasting life In this book you will be trained and equipped to live a lifestyle of supernatural evangelism You can make a difference for all of eternity by demonstrating God's love and power to the world starting today

The Seven Keys to the Kingdom Apostle Pinky, 2010-12 Have you ever been wrong about anything Have you ever passionately believed in something only to find out later that you were mistaken all along It seems that every church teaches something different from that of the next one They can't all be right but it's very important to the Lord that we know the truth Which church teaches it Do any of them have the full picture How can we know that we know that what we've always been taught is accurate The only message that Jesus brought to Earth was that of the Kingdom It's repeated time after time in every word that He spoke in every book of the New Testament and foreshadowed in every book of the Old Testament Kingdom relationship is the entire reason that we were created and the only reason that Jesus came to Earth died and rose again Yet most Christians have never heard the message How can this be Because even though it has been right in front of our faces for two thousand years God has kept it hidden from our understanding until now Millions have read this truth and their eyes have been opened and their lives changed It is for our generation to finally understand the scripture This book will change your theology your heart your mind and your life God has taken what we've always thought was Christianity and turned it upside down He is showing the church how that we've had it all backwards Pinky has the gift to articulate the mind blowing scripture truths in an easy to read and hard to put down revelation You've always known in your heart that there has to be something more than going to church Hold on tight This is it

God's Dream Mark Gilpin, Fiona Gilpin, 2020-05-23 Does the thought of doing evangelism fill you with fear and make you want to run for the door Do you struggle to find motivation to share your faith Have you had uncomfortable experiences with evangelism that you would rather not repeat If so this book is for you God's Dream will take you on a journey to discover the purpose God has for you in fulfilling his dream It will inspire you to try evangelism again no matter what your previous experiences have been This is the best book I have read on evangelism in the past ten years Derrick YWAM Missionary For many God's Dream will redeem the concept and practice of evangelism It is practical and theologically thorough David Webster MA Eastgate Church

Director Today more people are becoming Christians than at any other point in history but in modern western culture relatively fewer people come to know God and many Christians struggle with evangelism Through their personal stories and those of others Mark and Fiona question why this is They look afresh at evangelism and reimagine it from God s perspective They consider what can be learnt from how Jesus did evangelism and how he introduced people to the good news of the kingdom Visit www.evangelismreimagined.org to find out more about the authors **The Word of Knowledge in Action**

Art Thomas,2011-05-17 Until this book the word of knowledge has been a largely misunderstood gift of the Spirit Now the truth is told The Word of Knowledge in Action is the first book completely dedicated to a comprehensive biblically sound analysis of this spiritual gift More than that through testimonies and biblical examples there is page after page of rich practical advice for implementing this gift in the context of supernatural Christianity Through personal experience practical counsel and biblical revelation author Art Thomas brings this special spiritual gift to life in a whole new way by citing tested and proven strategies for integrating the word of knowledge into your everyday Kingdom life With clarity wisdom and simplicity the Scriptures are presented in fresh vibrant ways bringing revival to all who will receive Do What Jesus Did

Robby Dawkins,2013-06-15 A Real Life Field Guide to Doing What Jesus Did The things Jesus did are not just for Bible times They are for today For everyone Chicagoland pastor Robby Dawkins sees this again and again in his ministry to hurting people and even to gang members Everyday people are seeing God s power unleashed through simple faith in God s Word they are healing the sick routing demons and making a dynamic impact for the Kingdom of God But many other believers are missing out unaware that they have far more power and authority than they realize Dawkins shares dynamic real life instruction and amazing stories from the front lines of ministry showing that believers carry the authority of the Son of God and the power of the Holy Spirit wherever they are When we walk in the presence and authority of God we will do what Jesus did *Reckless Christianity* Douglas Geivett,Holly Pivec,2015-03-27 Bethel Church California is one of the most popular and polarising churches in America With its own Christian music label reports of miraculous healings and the manifestation of a glittering Glory cloud the congregation of Bethel Church is ever growing Bethel Church situates itself in the global movement of the New Apostolic Reformation believing that present day apostles and prophets must govern the church Some praise the church for the clear manifestation of God s activity others see the integration of controversial and hazardous practices into the church In *Reckless Christianity* Holly Pivec and R Douglas Geivett provide meticulous research and an incisive critique of the Bethel movement Citing its charismatic senior leader Bill Johnson as promoting a reckless Christianity Pivec and Geivett return to Scripture the authoritative Word of God to provide guidance on the boundaries of practice and where these boundaries are crossed In its pursuit of experimentation *Reckless Christianity* argues that the leaders of Bethel are pulling its followers into a dangerously speculative and experience driven Faith *Unlocking Heaven* Kevin Dedmon,2009-04-28
