An intriguing exciting adventure from a master of suspense.

The Danger Game Kevin Brooks, 2014-08-28 Fourteen year old Travis Delaney is trying to get his life back on track following the crash that killed his parents last summer. The police called it an accident but Travis knows better. His parents were on to something and whatever they were investigating ended with their murder. Since Travis's Grandad took over Delaney and Co things have finally started to look up. But when his private investigation partner Courtney is attacked following a routine inquiry into a local business Travis can't help but get involved even though he's supposed to be focusing on his own investigation into thefts at school. But what he discovers draws him into more danger than he ever could have imagined. Tangled up in a web of gang warfare, dirty police and secret organisations Travis needs to find a way out. But at the heart of it all is a traitor. Someone close to Travis. Someone he's supposed to trust. But trust is a dangerous thing.
