A Laborer in the Vineyard of Love Alexander McCall Smith, 2023-09-19 For fans of Alexander McCall Smith's many beloved series and romantic standalone novels, The Perfect Passion Company's original series shows him at his most perceptive, playful, and generous. Katie Donald is learning the ropes at the Perfect Passion Company, which provides help to the lovelorn citizens of Edinburgh. Katie is assisted in her matchmaking endeavors by William Kidd, a talented knitwear designer in the office next door with a sympathetic ear, a playful interest in the business of matchmaking, and a long-distance fiancé in his native Melbourne. George Fane, a thirtysomething hotelier tied to his family business and an overbearing mother, arrives one day asking for Katie's assistance in finding a romantic partner and a little distance from his mother to boot. As Katie searches for the right match for George, she discovers there is more than one way of looking at the Fane family's story and that the work of the Perfect Passion Company may have to be a little broader in its scope than she had previously thought. Meanwhile, the Perfect Passion Company's original owner, Katie's cousin Ness, is away in Canada, surrounded by a pristine forest in a small lakeside town full of intriguing neighbours. As Ness did before her, Katie must learn the principles of romantic chemistry with the very simpatico William at her side. This is the job, after all, bringing great happiness to people. And as she labors, she just might discover something about her own compatibility and future happiness.
