The Unthinkable Triangle A Pride And Prejudice Variation :

The Unthinkable Triangle Joana Starnes,2015-09-24 All is fair in love and war or is it What if Mr Darcy s rival for Elizabeth Bennet s hand and heart is not some inconsequential stranger but his dearest closest friend How is he to reconcile the claims of loyalty and kinship with the urge to pursue his heart s desire Eyes tightly shut against the horrifying future Darcy dug his fingers in his hair Lost to him forever Not merely lost but promised to his cousin firmly in his life but never his How in God s name was he to bear it and not become unhinged How was he to have her at his table as Richard s affianced and not betray himself How was he to see her time and again and give no sign that he wanted her more than he had ever wanted any woman How was he to keep up the pretence day after excruciating day There was no escape from the hell of his own making and it burned like molten lead to know he could have spoken months before Fitzwilliam had even met her He could have spoken last November and by now they might have already been wed She would have been his not Richard s And if his cousin should have had the horrible misfortune of falling in love with his wife then it would have been Fitzwilliam s hell not his It would have been for him to be torn asunder between loyalty and a need so deep that it burned its way into his very soul

Miss Darcy's Companion Joana Starnes,2016-05-21 Miss Georgiana Darcy is need of a companion and she would much rather not have Mrs Younge The recently bereaved Miss Elizabeth Bennet is in need of a position When she accepts the one Mr Darcy offers she finds herself in his near constant company and gets to know him at his best Not as he would present himself to strangers in some remote corner of Hertfordshire but as his nearest and dearest know him An excellent brother landlord master A wonderful man noble kind and impossibly handsome So who falls in love first What of Mr Wickham and his dastardly ploys And how is a lady s companion ever to have a future with one who could marry into the best houses in the land

The Darcy Legacy Joana Starnes,2018-07-31 Pemberley s ancient halls harbour many secrets Which one will affect Fitzwilliam Darcy and the love of his life How is Mr Bennet to enjoy the comforts of a well stocked library when his wife s premature demise had left him with the task of finding suitable matches for their daughters And what of a misleading encounter on a muddy lane in Hertfordshire that renders a country town assembly rather more tolerable than some might have thought Shades of mystery meddlesome relations not least a drenched Adonis raillery old errors and a very recent union make for a challenging courtship when Fitzwilliam Darcy is not on his own ground Yet when love is the reward challenges make it more worth the earning A fraught courtship So let it be fraught Colonel Fitzwilliam said with a nonchalant flourish of his hand A good challenge never hurt anyone

Mr Bennet's Dutiful Daughter Joana Starnes,2016-11-16 New cover content unchanged When Colonel Fitzwilliam s disclosures are interrupted by the bearer of distressing news from Longbourn Miss Elizabeth Bennet is compelled to accept an offer she would have otherwise dismissed out of hand An offer of marriage from the all too proud Mr Darcy Yet how is she to live with a husband she hardly knows and does not love Will she continue to feel trapped in a marriage of convenience while events conspire to divide them Or would love grow as day by day and hour after

hour she learns to understand the man she married before she loses his trust and his heart Given the early marriage premise the issue of growing affection and intimacy is central to the story The relevant scenes are not graphic but the novel does address mature themes Excerpt from Mr Bennet s Dutiful Daughter a journey from duty into love His hand came up to cup her cheek his fingertips stroked her hair and he smiled again A heartbreakingly warm smile There is so much I do not know of you What joy it will be to discover And I of you It was quite a surprise to hear you were contemplating kissing me as far back as November I should have What a foolish waste of five months of happiness I am very glad I make you happy she said quietly and found with some surprise that she was in earnest You know you do More than I ever thought possible Mr Darcy whispered hoarsely and reached to lift her off the sofa and bring her close ensconced in a tight embrace Elizabeth wrapped her arms around his neck abandoning herself to his kisses only to find guilt welling afresh when his lips left her skin just for long enough to whisper My love you are everything Do not say it oh do not say it she felt the strongest urge to caution him Do not give me so much power over you How unspeakably odd it felt to hear him openly avow it after his reserve of full six months standing It was as if everything he had held in check was now offered without hesitation unstoppably coming out in one rush after another now that all reason for concealment was removed It was overwhelming to discover that all this wealth of feeling had been there for so long and she had noticed nothing Her heart twisted in sudden compassion the last sentiment she had imagined Mr Darcy would inspire in her and for the least expected reason Did he not see it was dreadfully unwise to reveal quite so much of himself to her That it would make him vulnerable in the extreme and put him in the greatest danger were she so heartless as to use it against him Surely he did not think her equally in love to trust her so implicitly with every formerly hidden feeling What blow must it be to him were the truth of her deep held reservations ever to come to light What burden of responsibility on her to carefully conceal it from so astute a man Unspeakably odd too that she should fret so much over sparing Mr Darcy s feelings after spending months with the firm conviction he had none Not for her nor for the world in general How aptly he had put it all that time ago when he had remarked that her greatest fault was her propensity to wilfully misunderstand

The Subsequent Proposal Joana Starnes,2013-10-25 A number of broken hearted characters from Jane Austen s best novels are thrown together by the vagaries of fate and all manner of unwise decisions are taken at this

vulnerable time But then their past creeps up upon them and what is there to do but face it and hope that their convoluted paths will finally lead them to their proper place Elizabeth he murmured against her lips her skin her hair and then her lips again I cannot forsake you I cannot I cannot lose you I cannot bear to think of a life without you tis not worth living tis but a slow death I cannot lose you I beg you do not send me away again I love you Elizabeth I love you Friends rivals foes wrong choices and a duel Fitzwilliam Darcy s life is never dull The Subsequent Proposal a story that is primarily about him follows Mr Darcy in his struggles to decipher the troubling enigma of Elizabeth Bennet s feelings and to correct the worst misjudgement of his life

The Second Chance Joana Starnes,2014-04-25 Soon after the Netherfield ball a troubled Mr

Darcy decides to walk away from a most unsuitable fascination But heartache is in store for them all and his misguided attempts to ensure the comfort of the woman he loves backfire in ways he had not expected Why is it that the worth of a true blessing is never felt as keenly as when it seems to have become quite out of reach In this tale of Pride Prejudice meets Sense Sensibility Mr Darcy is compelled to reflect on this very question as he struggles to come to terms with the effects of his wrong choices and fervently hope for a second chance at finding happiness Well Sir what shall it be The joy of music or of the printed word she asked in a manner so highly reminiscent of their past interactions as to make him almost giddy with renewed hope The joy of you My greatest folly was to ever walk away from it **The Falmouth Connection** Joana Starnes,2014-10-27 Just as Mr Darcy finally decides to propose to the enticing Miss Elizabeth Bennet she is summoned to Falmouth to meet a relation she never knew she had Thus the ill starred Hunsford proposal is avoided but before he could even begin to understand his luck adverse circumstances hasten to conspire against him and Fitzwilliam Darcy is compelled to follow the woman he loves to the far reaches of Cornwall into a world of deceit and peril where few if any are what they seem to be New cover Content unchanged From This Day Forward Joana Starnes,2013-05-03 New cover for the same book A sequel to Jane Austen s Pride Prejudice inspired by the 1995 BBC adaptation and in its spirit From This Day Forward explores life at Pemberley after Elizabeth Bennet s marriage to Fitzwilliam Darcy and the turns their fates might have taken On a crisp winter morning in a small country church Miss Elizabeth Bennet married Mr Darcy and her quiet tame existence had abruptly changed The second daughter of a country gentleman is now many different things to different people Beloved wife Mistress of a dauntingly great estate Reluctant socialite Daughter Sister Cousin Friend Her world is very different too touched by a series of events that the creator of Pride Prejudice would have recognised As the days of her married life go by bringing both joy and turmoil the man that stands beside her is her shelter and comfort in the face of family opposition peril and heartbreak Three very different Christmas seasons come to serve as landmarks to their lives and there are blissful days and times of sorrow at the old English country house And before too long a time would come when Darcy must decide if he is prepared to risk everything for the sake of a full life together or succumb to the collection of his fears Quiet footsteps eerily quiet drew him from his trance He looked up and followed The ghostly sound faded as he reached the eastern staircase and he took the steps two at a time down to the very bottom A madman s quest for he knew not what pushed him to the gallery In the light of the moon from her portrait his grandfather s first wife looked down upon him with the deepest compassion He dug his fingers in his hair A long dry sob racked his chest as he pounded the frame of the unfortunate woman s likeness and broken gilt plaster fell to the floor He covered his mouth with his fist stifling the groan And ran out of the deathly silent room chased by his demons To Have and to Hold Darlene Brieno,2025-07-17 **The Power of Refusal** Mary Alice Alexander,2024-11-15 **A Change of Fortunes** Shana Granderson,2020 WHEN LOVE IS TRUE MELISSA. Brown,2017 Designation and Deceit Valerie Lennox,V C Lluxé,2022-12-26 She gaped at him Are you provoking me on purpose Mr Darcy Mr Darcy gazed at her with a transfixed expression on his face Are you provoked Miss Bennet Do you enjoy provoking me Her voice was rising If I did he whispered what would you do about that In this Regency England that never was the worst thing for any woman is to present as an alpha No man would want an alpha woman after all an abrasive shrewish loud demanding sort of woman a woman who knows her own mind A woman like Elizabeth Bennet who must hide her designation from the world even as her elder sister Jane an omega is sought after by the eligible alpha gentlemen who have alighted on this assembly at Meryton Except one of them the haughty and dismissive Fitzwilliam Darcy Elizabeth scents him He s not an alpha at all He s pretending to be one hiding his true designation because it s shameful for men to present the way he has Mr Darcy is an omega Now Elizabeth and Mr Darcy are on a collision course for each other sure to meet in sparks and heat and passion Dear reader this book is probably the filthiest JAFF you ve ever read and yet simultaneously the most tame omegaverse in history In other words it s all relative See author s note in book for further content advisories
