About the book The Three Musketeers: It was not till the publication of The Three Musketeers in 1844 that the amazing gifts of Dumas were fully recognised. From 1844 till 1850, the literary output of novels, plays, and historical memoirs was enormous, and so great was the demand for Dumas' work that he made no attempt to supply his customers single-handed but engaged a host of assistants and was content to revise and amend or in some cases only to sign their productions. The Three Musketeers was followed by its sequel Twenty Years After in 1845, and the story was continued still further in the Vicomte de Bragelonne. The Valois series of novels Monte Cristo and the Memoirs of a Physician were all published before 1850, in addition to many dramatised versions of stories. For more eBooks visit www.kartindoo.com
