managing the instructional program This important resource can help any school leader get their school back on the track to academic success *Without Trumpets* Susan G. Allred,Kelly A. Foster,2018-06-01 Empowering leaders at each level of the implementation of improvement processes is essential if public schools are to survive moving forward The story of Kentucky s continuous improvement can be evidenced from the Kentucky Education Reform Act KERA of 1990 and the intensive systems work since 2009 outlined in Senate Bill 1 and amended by House Bill 176 2010 Even with a significantly different governance and support approach outlined in Senate Bill 1 2017 by aligning federal statute regulation and initiatives state statute and regulation state school board goals local school board policies and school improvement plans a consistent message of expectation is clarified for schools and classrooms Key core work processes aligned behind those policies lead to systems that can be flexible and adjust to the political and economic climates that surround the work of learning without total disruption of the system The use of transparent design and common instruction while monitoring quality tools is making a recognizable difference Funding from the sometimes maligned School Improvement Grant SIG process from the United States Department of Education and work with key partners enables the establishing of sustainable systems for continuous improvement in the areas of planning use of data fiscal management student support and teacher support owned by leaders at each level of implementation The pertinent data and reports the human story the tools used and lessons learned are a continuous improvement story into sustainability which will resonate with all who lead in education at any level reaffirming that we can do this *The School Improvement Planning Handbook* Daniel L. Duke,Marsha Carr,William Sterrett,2012-12-27 Developing and updating school improvement plans is an annual ritual for virtually all school principals and their school improvement committees Still large numbers of schools continue to produce disappointing outcomes The authors believe that part of the problem is the result of plans that focus on the wrong targets and that rely on ineffective strategies for improvement To help principals and their school improvement committees develop and implement plans with a greater likelihood of success the authors offer a step by step process for school improvement planning They go on to pinpoint specific school improvement goals including raising reading and mathematics achievement building robust school cultures addressing the needs of English language learners improving instruction and reducing absenteeism and dropouts For each goal a variety of objectives and proven strategies is presented along with sample school improvement plans The book addresses the differences in planning to turn around a low performing school planning to sustain improvements over time and planning to move a good school to a great school *Teachers' Guide to School Turnarounds* Daniel L. Duke,Pamela D. Tucker,Michael J. Salmonowicz,2014-08-14 Most guides to the process of turning around low performing schools are written for principals and policy makers Teachers however are the individuals expected to conduct the heavy lifting of school improvement Teachers Guide to School Improvement is the first book on the subject written expressly for teachers In this expanded second edition teachers are shown a step by step process for raising student achievement beginning with the diagnosis of the causes of low

achievement and extending through the crucial first year of turnaround and beyond Examples of effective turnaround practices are drawn from a variety of elementary middle and high schools **Bringing Your Learning Community to Life** Stephen S. Turnaround Leadership Michael Fullan,2006-09 The real reform agenda Turning schools around Change Turning a whole system around **Sustainable School Improvement** Patricia Wright,2022-08-09 The book addresses two key barriers to school improvement that are currently impacting educators and school leaders The first is the churn of constant change in the form of multiple initiatives and compliance overload experienced by today s educators It is not uncommon to hear a teacher say I can t focus on the kids there are just too many things to do I m overwhelmed Has change itself become a distraction Has it forced educators to move not toward but away from their primary focus student learning The second barrier is a dependency on outdated assumptions or roadblock thinking that cause schools to act in ways contrary to sound educational practice This book challenges educators to embrace forward thinking Instead of depending on the next newest innovation or program or falling back to the way we have always done it the CAR provides a framework that allows educators and school leaders to equitably and coherently address student learning by engaging in the deep conversations that are vital to effective practice The book offers a universal blueprint that coherently and strategically connects curriculum standards student learning professional learning and school culture to achieve meaningful and sustainable change that directly impacts student outcomes **Leadership for Low-Performing Schools** Daniel L. Duke,2015-01-15 No greater challenge faces our

society than improving the educational opportunities for millions of young people trapped in chronically low performing schools Overcoming this challenge requires talented and dedicated school leaders whose knowledge and skills extend far beyond what is covered in conventional principal preparation programs This book draws on extensive research by the author and others on the actions needed to turn around low performing schools First however the book examines the personal qualities needed to undertake the turnaround process Following chapters provide guidelines on diagnosing the school based causes of low achievement and developing a school turnaround plan The author focuses on the importance of continuous planning a departure from standard practice A major portion of the book is devoted to examples of first order and second order strategies for raising achievement Specific recommendations for launching the turnaround process and sustaining gains beyond the first years of turnaround are provided The concluding chapter addresses the role of school districts in supporting school based turnaround efforts
