

Those who believe that they believe in God, but without any passion in their heart, without anguish of mind, without uncertainty, without doubt, without an element of despair even in their consolation, believe only in the idea of God, not in God Himself. MIGUEL D.

The Uncertainty Consolation:

The Consolation of Philosophy Boethius, 2008-07-10 First published as an Oxford world s classics paperback 2000 Reissued 2008 Copyright page [The Politics of Consolation](#) Christina Simko, 2015-07-28 What meaning can be found in calamity and suffering This question is in some sense perennial reverberating through the canons of theology philosophy and literature Today The Politics of Consolation reveals it is also a significant part of American political leadership Faced with uncertainty shock or despair Americans frequently look to political leaders for symbolic and existential guidance for narratives that bring meaning to the confrontation with suffering loss and finitude Politicians in turn increasingly recognize consolation as a cultural expectation and they often work hard to fulfill it The events of September 11 2001 raised these questions of meaning powerfully How were Americans to make sense of the violence that unfolded on that sunny Tuesday morning This book examines how political leaders drew upon a long tradition of consolation discourse in their effort to interpret September 11 arguing that the day s events were mediated through memories of past suffering in decisive ways It then traces how the struggle to define the meaning of September 11 has continued in foreign policy discourse commemorative ceremonies and the contentious redevelopment of the World Trade Center site in lower Manhattan **The Sickness and Recovery of Hezekiah: and the Christian's Consolation for the Death of Friends. Two Sermons, Etc** Christopher RAPIER, 1837 **The Consolation of Otherness** Matthew Curr, 2002-06-06 The social and religious constraints of their time may have prevented John Milton Thomas Gray and Alfred Tennyson from conscious expression or even unconscious recognition of the true extent of their love and devotion to their young male friends but it lies at the heart of their emotional lives and poetry Connected by the extraordinary coincidence that each of their loved ones died young Milton Gray and Tennyson are also connected by the male love elegies that sprang from their grief This work examines the relationships between John Milton and Charles Diodati Thomas Gray and Richard West and Alfred Tennyson and Arthur Hallam through a critical study of Milton s Epitaphium Damonis Gray s Elegy and Tennyson s In Memoriam It shows how their concepts of otherness and difference from the people around them provided comfort after the loss of their loved ones It discusses Milton s use of Latin to mourn his friend and screen the most resounding expressions of his love while keeping at bay those not ready to understand his concept of otherness how Gray used both Latin and the vernacular to express his grief while conforming to social and religious constraints by also addressing larger concerns and Tennyson s ability to use the vernacular with complete security to speak out and yet hold back private thoughts about the person he loved more than almost any other in his life **Spiritual Consolation: Or a Treatise on the Peace of the Soul. Translated from the French. ... Interspersed with Various Instructions. ... By the Author of the "Ursuline Manual."** , 1875 [Dialogue on Grief and Consolation](#) Terence O'Connell, 2009 Have you lost a loved one The loss can be inestimable the grief excruciating What helped you Did someone say something comforting Did someone offer a consolation which you resented

Have you ever tried to comfort someone with a terminal illness or one who has lost a loved one Knowing how to help or what to say that is not trite insincere or superficial can be difficult The point of view of a grieving person is quite different from that of those who wish to offer comfort In a multicultural society such as ours anticipating the beliefs of the grieving person can be even more difficult This book explores the perspective of a grieving person It considers the merits and potential harm of alternative comfort strategies As a philosophical analysis of grief it emphasizes an understanding of the beliefs that underlie grief and the usefulness or dangers of emotions Because grief is so complex and sensitive a narrow approach runs the risk of alienating the grieving person The ideas in this book are expressed in a dialogue among three characters Their discussion is broad and fundamental Starting from the familiar consolation She s no longer suffering and the grieving person s resentment toward the expression the three friends articulate the value of life and the evils of death Their discussion enriches their understanding of grief Many consolations offered to mourners are poor arguments Even the better ones do their work best in the context of a greater understanding of grief *Recovering Consolation* Greg Maillet, 2024-09-19

Although Tolkien s letters call Samwise Gamgee the chief hero of *The Lord of the Rings* Sam is easily underestimated by both readers and critics *Recovering Consolation* focuses attention on Sam s point of view throughout the long journey that is the novel This book responds to Frodo s famous words at the Stairs of Cirith Ungol imagining a child speaking to a parent I want to hear more about Sam dad why didn t they put in more of his talk dad That s what I like it makes me laugh And Frodo wouldn t have got far without Sam would he dad Listening to Sam not only makes us laugh but also shows him to be like Tolkien himself a master of mythopoesis as the novel s narrator puts it Sam had more on his mind than gardening Yet the concrete act of gardening another passion that Sam shares with Tolkien should help us to understand how consolation is recovered as is well explained in Tolkien s great essay *On Fairy Stories* Both there and in *The Lord of the Rings* Tolkien offers a theological aesthetic that has much to teach us Although we may not realize it while laughing along with Sam this humble servant hobbit is key to this aesthetic *The Christian's Consolations, in Times of Trouble and at Death; Or, the Christian's Joy in Finishing His Course Exemplified. Illustrated in Five Sermons and Sundry Tracts, by the Reverend Dr Bradbury, Mess. Hervey, Hallyburnton [sic], and Drelincourt* Thomas Bradbury (Congregational Minister.), 1790 *Consolations from a Stoic* Seneca, 2016-01-28

Seneca composed the *Consolations* while in exile on Corsica during 40-44 AD and used each opportunity to show off in writing his trendy Stoic ideas about life and the universe His three letters of condolences *De Consolatione ad Marciam* *De Consolatione ad Polybium* and *De Consolatione ad Helviam* caused a sensation in Rome when they were circulated and before long the disgraced aristocrat was recalled from banishment and given the plum appointment of tutor to the young future emperor Nero In each work Seneca employs many of the rhetorical devices common to the consolation tradition while incorporating his unique philosophy His seemingly positive outlook on his own exile follows the Stoic principle that one should not be upset by uncontrollable events *Christian Consolation: or, the unity of the Divine Procedure* a

source of comfort to afflicted Christians Edward Mannering,1844 Christian Consolation: Sermons Designed to Furnish Comfort and Strength to the Afflicted ... Andrew Preston Peabody,1887 **Gone before: being a manual of consolation for the bereaved, and a well of sympathy filled by H. Southgate** Henry Southgate,1873 Boethius' Consolation of Philosophy as a Product of Late Antiquity Antonio Donato,2013-09-12 In the last fifty years the field of Late Antiquity has advanced significantly Today we have a picture of this period that is more precise and accurate than before However the study of one of the most significant texts of this age Boethius Consolation of Philosophy has not benefited enough from these advances in scholarship Antonio Donato aims to fill this gap by investigating how the study of the Consolation can profit from the knowledge of Boethius cultural political and social background that is available today The book focuses on three topics Boethius social political background his notion of philosophy and its sources and his understanding of the relation between Christianity and classical culture These topics deal with issues that are of crucial importance for the exegesis of the Consolation The study of Boethius social political background allows us to gain a better understanding of the identity of the character Boethius and to recognize his role in the Consolation Examination of the possible sources of Boethius notion of philosophy and of their influence on the Consolation offers valuable instruments to evaluate the role of the text s philosophical discussions and their relation to its literary features Finally the long standing problem of the lack of overt Christian elements in the Consolation can be enlightened by considering how Boethius relies on a peculiar understanding of philosophy s goal and its relation to Christianity that was common among some of his predecessors and contemporaries

The Christian's Consolations Against the Fears of Death Charles Drelincourt,1824 **Paul and Seneca within the Ancient Consolation Tradition** Alex Muir,2024-06-24 In this monograph Alex W Muir shows how Paul and Seneca were significant contributors to an ancient philosophical and rhetorical tradition of consolation Each writer s consolatory career is surveyed in turn through close readings of key primary texts chiefly Seneca s three literary consolations and Epistles and Paul s letters 1 Thessalonians 2 Corinthians and Philippians A final comparative dialogue highlights the pair s adaptations and innovations within this tradition **The Consolations of Gospel Truth Exhibited in Various Interesting Anecdotes Respecting the Dying Hours of Different Persons, Etc** John PIKE (Minister of the Gospel, Derby.),1817 **Archaeologies of an Uncertain Future** Karen McPherson,2006-12-15 An apocalyptic vision of planetary self destruction provided the context for many late twentieth century narratives Women writers from Quebec and English Canada including Margaret Atwood Madeleine Ouellette Michalska Madeleine Gagnon Betsy Warland Marie Claire Blais and Nicole Brossard redefined their relationship to time and narrative in order to tell a different perhaps more hopeful story Using archaeology as a trope and a methodology Karen McPherson s critical excavations of these women s writings pose questions about loss and mourning survival and witnessing devastation and writing remembering and imagining

Reforming the Art of Dying Austra Reinis,2016-12-05 The Reformation led those who embraced Martin Luther s

teachings to revise virtually every aspect of their faith and to reorder their daily lives in view of their new beliefs Nowhere was this more true than with death By the beginning of the sixteenth century the Medieval Church had established a sophisticated mechanism for dealing with death and its consequences The Protestant reformers rejected this new mechanism To fill the resulting gap and to offer comfort to the dying they produced new liturgies new church orders and new handbooks on dying This study focuses on the earliest of the Protestant handbooks beginning with Luther s Sermon on Preparing to Die in 1519 and ending with Jakob Otter s Christlich leben vnd sterben in 1528 It explores how Luther and his colleagues adopted traditional themes and motifs even as they transformed them to accord with their conviction that Christians could be certain of their salvation It further shows how Luther s colleagues drew not only on his teaching on dying but also on other writings including his sermons on the sacraments The study concludes that the assurance of salvation offered in the Protestant handbooks represented a significant departure from traditional teaching on death By examining the ways in which the themes and teachings of the reformers differed from the late medieval ars moriendi the book highlights both breaks with tradition and continuities that marked the early Reformation
