**The Truth About The Titanic** Archibald Gracie, 2012 This commemorative edition includes all the photos from the first edition of this unbelievable account as well as a detailed essay about the history of steamships and steamship lines up to the year 1912 Furthermore this volume features an interactive table of contents as well as perfect formatting for 21st century electronic reading devices The Truth About the Titanic by Colonel Archibald Gracie is a striking recital of the monumental shipwreck by the sole survivor of all the men passengers stationed during the loading of six or more life boats with women and children on the port side of the ship The book is written as a tribute and testimony to the heroism on the part of all concerned Colonel Gracie refutes many of the press reports of the disaster as for instance the Captain and the First Officer shooting themselves for which statement he says there is no direct testimony The story of the author's marvelous escape beggars the imagination and gives proof of a remarkable telepathic communication with his wife Horrible are the scenes described and they bring vividly before you the heroism and endurance that were borne until the arrival of the Carpathia Some of the testimony taken before the Senate Committee and the British Courts of Inquiry is analyzed and the story of each lifeboat is given according to the testimony given and the different affidavits The part devoted to J Bruce Ismay's testimony will be of especial interest to readers Colonel Gracie's death eight months after the world's greatest marine disaster was due to the exposure and strain received at that time and the restraint is a marked feature in this vivid account of an unprecedented ocean disaster which occasioned the sympathy of the world     A Girl Aboard the Titanic Eva Hart, Ronald C. Denney, 2014 The remarkable memoir of Eva Hart a 7 year old survivor of the Titanic Disaster     **Titanic** Colonel Archibald Gracie, John B. Thayer, 2014-05-01 Two survivors accounts of the sinking of the Titanic The information contained in Colonel Gracie's story is available from no other source He provides details of the final moments including names of passengers pulled from the ocean and of those men who in a panic jumped into lifeboats as they were being lowered Walter Lord author of A Night to Remember calls Gracie an indefatigable detective John Thayer was like Gracie one of the last to leave the ship His account The Sinking of the S S Titanic is meticulously detailed The sinking of the Titanic was in his eyes a symbol of the end of the world that he knew and the beginning of a frightening new era     Titanic: A Survivor's Story Colonel Archibald Gracie, 2011-08-31 Here is a survivor's vivid account of the greatest maritime disaster in history The information contained in Gracie's account is available from no other source He provides details of those final moments including names of passengers pulled from the ocean and of those men who in a panic jumped into lifeboats as they were being lowered causing injury and further danger to life Walter Lord author of A Night to Remember comments that Gracie's book written shortly before he died from the exposure he suffered on the night is invaluable for chasing down who went in what boat and calls Gracie an indefatigable detective     The Story of the Titanic, as Told by Its Survivors Jack Winocour, 1960     A Titanic Survivor's Story Elsie Belman, 2005 The author offers this book to fulfill a pledge to keep her grandfather's and great grandfather's

stories alive Her great grandfather tried unsuccessfully to save a 12 year old relative who perished on the Titanic and she believes her grandfather was the reincarnation of that child      **The Story of the Titanic, as Told by Its Survivors**

Lawrence Beesley, Jack Winocour, 1960-01-01 Tells the true story of the sinking of the S S Titanic      **Titanic Survivor** Violet Jessop, 2012-04-04 Violet Jessop's life is an inspiring story of survival Born in 1887 in Argentina the eldest child of Irish immigrants at the age of 21 she became the breadwinner for her widowed mother and five siblings when she commenced a career as a stewardess and nurse on some of the most famous ocean going vessels of the day Throughout her 40 year time at sea she survived an unbelievable series of events including the sinking of the TITANIC One awful moment of empty misty blackness enveloped us in its loneliness then an unforgettable agonizing cry went up from 1500 despairing throats a long wail and then silence and our tiny craft tossing about at the mercy of the ice field For most people one sinking would be enough But four years later Violet now a nurse with the British Red Cross was on board the World War I hospital ship BRITANNIC when it struck a mine and sank to the bottom of the Aegean To her this disaster was even more horrifying Just as life seeming nothing but a whirling choking ache I rose to the light of day my nose barely above the little lapping waves I opened my eyes on an indescribable scene of slaughter which made me shut them again to keep it out By the end of her story we have met a woman who could handle whatever life threw at her with determination and good humor She knew that only by her own strength of character would she survive But Titanic Survivor is much more A unique autobiography for those who want to know how it really felt a story that could be told only by a Titanic Survivor      Shadow of the Titanic Eva Hart, Ronald C. Denney, 2011      Story of the Titanic As Told by Its Survivors Jack Winocour, 1960-06
