Together Adults And Teenagers Transforming The Church:

Together Jeff Baxter, 2011-01-04 Does youth ministry in your church exist on an island disconnected from the larger church Does your youth ministry accomplish the church's overall goals for making disciples of teenagers Together helps answer those questions and more Almost since the concept of youth ministry came into being churches have struggled with how to keep their twelve to twenty year olds engaged A contemporary focus lots of fun activities and cool leaders seemed to be the answer Yet large numbers of young people are still leaving many feeling disconnected from mainstream churches In Together author Jeff Baxter offers a thoughtful perspective on why real change requires not just a new model for youth ministry but a whole new congregational mindset Using practical examples from his own experiences ministering to youth and their families Baxter provides a detailed guide for creating an intentional whole church intergenerational ministry Effective and life changing this ministry focuses on connecting the generations for the express purpose of fostering discipleship and spiritual growth and investing youth in the long term goals of the church Together is for anyone committed to helping young people mature into Jesus following adults who remain invested in God's kingdom

Intergenerational Christian Formation Holly Catterton Allen, Christine Lawton, Cory L. Seibel, 2023-06-13 In a revised and updated edition this comprehensive up to date text offers a framework for intentional intergenerational Christian formation It provides the theoretical foundation of intergenerationality then gives concrete practical guidance on how worship learning community and service can all be achieved intergenerationally

The Ultimate Guide to Being a Christian in College Jeff Baxter, 2012-04-03 When students turn 18 the world expects that they will be fully fledged adults yet without a solid faith foundation in a constantly changing society they risk being pulled in a direction they shouldn't go When everything from cars to coffee is made to order the youth worker's challenge is to enable students to also customize their faith life in a way that they can become spiritually mature adults The Long Haul tackles the questions students need to answer to prepare for the rest of their lives

Under One Roof William J. Smith Jr., 2016-07-16 About the Book This book acknowledges the need to identify and embrace today's generations Under One Roof provides pastors church leaders and laypersons with insight for the cultivation of an intergenerational church This resource offers the necessary tools allowing each generation to be valued while keeping the church focused on its mission of kingdom building Book Reflections Congregations interested in closing the generational divide will find Smith's book a must read He gives keen insights for how to attract younger individuals and incorporate them into the life of the congregation with older generations A great resource for leaders and congregations Dr F Douglas Powe James C Logan professor of evangelism and urban ministry and associate director of the Center for the Missional Church at Wesley Theological Seminary Washington DC and author of New Wine New Wineskins Dr William Smith has emerged as a new and fresh voice in the intergenerational church movement Using biblical models historical research theological reflection and coupled with his own research Dr Smith creates an intergenerational ministry model that will help

to close the generational divide within the African American community This book is beneficial not only to the African American church but to Christendom in general Every pastor and mainline church needs to have this book on their shelf This is a masterpiece that will last for the ages Dr Lucius Dalton senior pastor of Mount Moriah Baptist Church in Washington DC and mentor at United Theological Seminary in Dayton Ohio **Youth Ministry** Malan Nel,2018-12-01 This book aims at contributing to the scientific and academic discourse as regards to the what and why of youth ministry Too often youth ministry has been approached from a mainly practical point of view almost asking how we keep young people off the streets Its methodology has often not included the theological and theoretical presuppositions that lie behind this ministry Previous scientific reflection has been determined by a one dimensional and almost exclusive point of view In comparison with existing literature this book does not focus so much on the how of youth ministry It innovates a different approach The book challenges the existing exclusive approach and develops an inclusive congregational and missional understanding of and approach to youth ministry From a particular perspective on the understanding the main objectives of Practical Theology the author endorses the so called movement of what is supposed to be going on He adds the outcome of an empirical round table discussion with some 16 leaders in this field on the descriptive and interpretive movements within the subject field what is going on and why is it going on The book will form the standard for any new research with regard to youth ministry The book's contribution lies on the level of sound theological reasoning and argumentation supported by many scholars for an inclusive congregational understanding of ministry as an integral part of every congregation being missional in being and doing Youth children adolescents and emerging adults are just as integral a part of every congregation within which they live and serve

Growing Young Leaders Donald Smith,2025-02-14 This book fills in gaps in research on leadership development programs for youth through taking the opportunity to research a long standing leadership development program for young men that has evidenced some success The research question was What factors contribute to the apparent success of the Boys Brigade leadership program Using a grounded theory methodology the program was examined through the lenses of communitas liminality servant leadership masculine spirituality rites of passage and wilderness Research findings are that program is characterized by its uniqueness and the final theory that emerged identified the importance for youth ministry of acceptance imperfection and freedom and empowerment within an overarching spiritual dimension evidenced throughout the study most remarkably through the positive response to worship Staff factors were also critical including the description of the staff team as being multi generational non hierarchical and servant led not placing a high value on differentiation of status and allowing a seamless transition of course graduates into staff roles [From Here to Maturity](#) Thomas E. Bergler,2014-11-27 Expert guidance on how to grow up in Christ This book is a follow up to Thomas Bergler's acclaimed work *The Juvenilization of American Christianity* which documents how church youth ministries over the past several decades have contributed to a process of adolescent spiritual traits becoming accepted and even celebrated by Christians of all ages

This juvenilization in the church is a real problem that must be addressed says Bergler and in his new book he addresses it head on Bergler's *From Here to Maturity* is an accessible guide for helping both individuals and whole faith communities to grow spiritually Bergler claims that spiritual maturity defined as basic competence in the Christian life is both desirable and attainable and he effectively presents a biblical theology of spiritual maturity identifying its traits from pertinent New Testament passages Adapting Dallas Willard's model of spiritual formation and applying it to congregational life Bergler offers a wealth of practical research based guidance as to how Christian leaders can effectively foster spiritual maturity in their congregations He also identifies six key faith sustaining factors and provides a system for evaluating a church's state of spiritual maturity and steps for improving it Ecumenically friendly *From Here to Maturity* will be useful to individuals and leaders from many different churches and theological traditions

Dogged Out For Love Shirley Wright, 2006-03-29 Love is something everybody needs and doesn't know what it really means without knowing the love of God For in Him only is there real love And we can't even begin to understand or fathom what love really means without Him We look for it in all the wrong places But we will never find it there It's not in mankind it's not in anything in this world the way we perceive it Until we realize that it only comes from God we will only find hurt and pain and misery Believe me I know there are lots of Christians still looking for love in the wrong places It's sad to say And we are being destroyed and don't understand why So we think God has let us down and we blame Him for our depression hurt and pain We wonder why the Lord doesn't help us But what we don't realize is that God is helping us even though we don't know it You see the devil is fooling us He is taking our focus off Jesus and putting it on people and things so we can't be all that God has for us to be The failure is not in God it's in us You may say I gave him or her all the love I had and he or she betrayed me How could they do me like that But what we fail to realize is that God is our first love and we must receive His love and give Him our love first John 10:10 says The thief comes to kill steal and destroy And that is what he has been doing But you don't have to let him get away with it Jesus came that we might have life and more abundantly Otherwise Jesus is life in every area of our lives if we let him We need to ask Him to lead and guide us in all things Proverbs 3:5-6 says trust in the Lord with all thine heart lean not unto thine own understanding in all they ways acknowledge Him and He shall direct thy path So the failure is not in God it's in us for not seeking God's help Believe me I know been there done that I gave all I had to give to the wrong men yes men I say men because I kept trying to please them so they would love me But it didn't work They betrayed me jumped on me and stepped on me like a floor mat that said Welcome I know how it feels to be dogged out for love or so called love It sucks As we receive God's love then and only then will we know what love is really about It's not a fancy or fairy tale God's love is divine He is not looking at your faults He is looking at your needs Man's love so called love that is cold taking and not wanting to give They lie they cheat they take away our pride and self esteem they pull us down and then they have the nerve to tell us it's our fault that they treat us the way they do The devil is a liar The devil wants us to believe that we have to take all kinds of abuse that

is just the way it is But the devil is a liar We don't need that kind of man because you see he's not a real man anyway He's just something wearing a pair of pants Remember we can make it just us and God God will bring us through But we must learn to trust Him I have been through hell and high waters I've been a floor mat a punching bag I've been stressed out I have even tried to take my life a few times when I was younger But I thank God that He said You shall live and not die Satan was trying to take me out to stop me Now I know what it is to be dogged out and kicked to the curb I know how it feels to be turned inside out not knowing if you are coming or going not knowing what to do next For some so called love As far as I am concerned they can keep it I don't need it and neither do you Why take less when we can have the best God did not make woman to be a man's floor mat He made us to be his helpmate But we can't help someone if they don't want to take it
