major trouble But instead of jail time Cole is given another option attend Circle Justice an alternative program that sends juvenile offenders to a remote Alaskan Island to focus on changing their ways Desperate to avoid prison Cole fakes humility and agrees to go While there Cole is mauled by a mysterious white bear and left for dead Thoughts of his abusive parents helpless Peter and his own anger cause him to examine his actions and seek redemption from the spirit bear that attacked him from his victims and most importantly from himself Ben Mikaelson paints a vivid picture of a juvenile offender examining the roots of his anger without absolving him of responsibility for his actions and questioning a society in which angry people make victims of their peers and communities Touching Spirit Bear is a poignant testimonial to the power of a pain that can destroy or lead to healing A strong choice for independent reading sharing in the classroom homeschooling and book groups
