Drake,2024-09-25 *Real Hope in the Midst of a Culture Gone Awry* Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God s Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything *Christian Ethics (Revised Edition)* Wayne Grudem,2024-09-18 *What Does the Bible Teach about How to Live in Today s World* How should Christians live when the surrounding culture is increasingly hostile to Christian moral values Granted the Bible is our guide but how can we know if we are interpreting it rightly with regard to ethical questions about wealth and poverty marriage and divorce birth control abortion euthanasia homosexuality ethical business practices environmental stewardship and dozens of other issues And on a very practical level how can we know God s will in the ordinary decisions of life To

address questions like these Wayne Grudem author of the bestselling book Systematic Theology draws on 40 years of teaching classes in ethics to write this wide ranging introduction to biblical moral reasoning organized according to the structure of the Ten Commandments He issues a challenging call for Christians to live lives of personal holiness and offers a vision of the Christian life that is full of joy and blessing through living each day in a way that is pleasing to God Written by Wayne Grudem Bestselling author of Systematic Theology and the What the Bible Says About series Biblical and Applicable Teaches readers how to protect 7 central tenets of God s law God s honor human authority life marriage property truth and purity of heart Accessible An ideal textbook for Christian college and seminary ethics classes with straightforward language and a bibliography for the topic at the end of each chapter Replaces ISBN 978 1 4335 4965 6 What the Bible Says about Divorce and Remarriage Wayne Grudem,2021-01-28 New from Bestselling Author Wayne Grudem The topic of divorce is a complicated one even among Christians The Bible provides some clear answers but gray areas remain In this short booklet theologian Wayne Grudem offers a thought provoking analysis of what the Bible says and doesn t say about divorce and remarriage *555 Difficult Bible Questions Answered* ,1916 *Notes for one year's Sunday school lessons* James Maurice Wilson,1906 *Hard Questions* Frank Colquhoun,1977 The purpose of this collection is to make available in a compact convenient form some plain biblical answers to the sort of questions which are commonly voiced by people today both in the church and on the fringe Most of the questions dealt with are big ones and raise all sorts of issues It is clear that within the limits laid down roughly 1 000 words for each answer the writers are not able to deal with the questions completely or adequately Nor do they make any pretense of doing so All they attempt here is to face the questions honestly and sympathetically in the light of modern trends of thought to indicate the general lines of approach from a Christian viewpoint and to stimulate further thought and inquiry on the part of the reader Editor s preface **Luther League Review** ,1922 Railway Signal ,1894 **Bible Answers for 1000 Difficult Questions** George Sandison,1990-08 Find answers to tough questions such as Was there rain before the Flood and Who created the Devil Ten major categories are covered from facts about the Bible to Christian living to the hereafter **Select Notes** Francis Nathan Peloubet,1906 The Guardian ,1881 Classic Christianity Thomas C.
