Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility:

Tourism, religion, and spiritual journeys Dallen J. Timothy, 2006 Tourism, Religion & Spiritual Journeys Dallen J. Timothy, Daniel H. Olsen, 2006 Tourism, Religion and Spiritual Journeys Dallen Timothy, Daniel Olsen, 2006-09-27 Religion and spirituality are still among the most common motivations for travel many major tourism destinations have developed largely as a result of their connections to sacred people places and events Providing a comprehensive assessment of the primary issues and concepts related to this intersection of tourism and religion this revealing book gives a balanced discussion of both the theoretical and applied subjects that destination planners religious organizations scholars and tourism service providers must deal with on a daily basis Bringing together a distinguished list of contributors this volume takes a global approach and incorporates substantial empirical cases from Hinduism Islam Judaism Roman Catholicism Mormonism New Ageism Sikhism Buddhism and the spiritual philosophies of East Asia On a conceptual level it considers amongst other topics contested heritage the pilgrim tourist dichotomy secularization of pilgrimage experiences religious humanism educational aspects of religious tourism commodification of religious icons and services A vibrant collection of essays this outstanding book discusses many important practices paradigms and problems that are currently being examined and debated It raises an array of significant and interesting questions and as such is a valuable resource for students scholars and researchers of tourism religion and cultural studies *Tourism, Power And Space* Andrew Church, Tim Coles, 2007 This is the first volume to explicitly consider how leisure and tourism acts as a major focus by which power may be understood in a geographical context Key thinking and major approaches to unravelling the complexities of power are outlined in this collection and their relevance to current and future tourism studies is discussed *Tourism Power and Space* blends theoretical perspectives from leading power theorists such as Parsons Foucault and Clegg Exploring the intricacies of the relationships between power tourism and leisure this stimulating volume combines theoretical and empirical writings to illustrate the extent to which power in its various forms and guises and at various scales of operation impacts on the unfolding structures practices and organization of tourism and leisure on both the demand and supply sides Divided into three sections Power Performance And Practice Power Property And Resources and Power Governance And Empowerment this text will be a useful resource for students and academics alike Conflicts, Religion and Culture in Tourism Razaq Raj, Kevin A Griffin, 2017-10-10 *Conflicts Religion and Culture in Tourism* highlights the role of religious tourism and pilgrimage as a tool for improving cultural relations Helping to form culture and society worldwide faith plays a vital part in cross cultural conflict resolution and opening dialogue across peoples This book shows how faith and activism can respond to the common challenges of peace making and coexistence both within and among the world's many traditions *Conflicts Religion and Culture in Tourism* provides a timely assessment of the increasing linkages and interconnections between religious tourism and secular spaces on a global stage Written from a multidisciplinary perspective it provides an invaluable resource for those

studying and researching religion tourism and cultural management

The Bible and Global Tourism James S.

Bielo, Lieke Wijnia, 2021-01-14 This volume examines the ways in which biblical tourism is enmeshed within the production and management of heritage global contexts of marketing and publicity accessibility of sacred sites and routes for multiple audiences and the forging of connections between travel and social identity By exploring issues such as devotional piety religious pedagogy and entertainment an interdisciplinary collection of scholars traces how biblical tourism experiences are choreographed and consumed and how these practices shape embodied and narrative performances of scripture Contributors focus on four major questions How have people used tourism to develop new or renewed relationships with the Bible Historically what role has the Bible played in the development of modern tourism In the context of the tourist encounter how have people mobilized the Bible as a social and expressive resource And what forms of social exchange shape acts of biblical tourism such as among pilgrims or between people and landscapes These questions are centered not only around authorized shrines and Holy Places but also festivals museums theme parks and heritage sites This book aims to create a comparative and interdisciplinary dialogue around the dynamic relationship between biblical heritage claims and the practices and infrastructures of modern tourism

Tourism, Religion and Pilgrimage in Jerusalem Kobi Cohen-Hattab, Noam Shoval, 2014-08-07 Jerusalem is a city with a singular nature Home to three religions it contains spiritual meaning for people the world over it is at once a tourist destination and a location with a complex political reality Tourism therefore is an integral part of Jerusalem's development and its political conflicts The book traces tourism and pilgrimage to Jerusalem from the late Ottoman era through the British Mandate during the period of the divided city and to the reunification of the city under Israeli rule Throughout the city's evolution is shown to be intertwined with its tourist industry as tourist sites accommodations infrastructure and services transform the city's structures and open spaces At the same time tourism is wielded by various parties in an effort to gain political recognition to bolster territorial control or to garner support The city's future and the role tourism can play in it are examined While the construction of a security fence will have many implications on Jerusalem's tourist industry steps are proposed to minimize the effects of the security fence and optimize tourism Written by leading academics this title will be valuable reading for students academics and researchers in the fields of tourism religious studies geography history cultural studies and anthropology

Tourism in Pacific Islands Stephen Pratt, David

Harrison, 2015-02-20 Pacific Island Countries have been shown to be especially vulnerable to such external influences as natural disasters political unrest and downturns in the global economy and their tourism industries have been notably affected In particular they typically have a narrow resource base and a fragile and often vulnerable natural environment While there is some research on islands and small states there is a dearth of information on the South Pacific and very little research is being undertaken in the region compared to other geographical regions in the world This volume brings together current work in Pacific Island tourism In this collection three main themes arise Images of the South Pacific Socio economic

Impacts of Tourism and Pacific Island Countries and the Outside World The first focus is on the question of image namely stereotypes of a destination held by tourists and potential tourists the extent to which residents for their part really welcome visitors and the role tourism might play in changing pre established images The second theme is tourism s impacts notably the economic and socio cultural effects of international tourism s intrusion in the region which though often hotly debated have attracted relatively little empirical research The third focus is on the challenges of how PICs articulate with their external geo political and physical environment These involve existing relations with formal colonial centres geographical isolation the need for greater air access to the outside world and for more tourists and the continuing threat to several PICs of global warming which increased air travel will inevitably exacerbate This text will be of interest to tourism students researchers and academics in the fields of tourism development studies and cultural studies

Trust, Tourism

Development and Planning Robin Nunkoo, Stephen L.J. Smith, 2014-08-07 The dynamics of trust and distrust are central to understanding modern society social relations and development processes However numerous studies suggest that societal trust and citizen s trust in government and its institutions are on the decline challenging the legitimacy of government and leading to an undemocratic and unsustainable form of development Recognizing its importance the authors for the first time situate trust within the context of tourism development and planning This volume discusses trust in tourism from different yet intrinsically connected perspectives Chapters review how diminishing societal trust may have adversely affected tourism planning systems the role of trust in good tourism governance and sustainable tourism how trust can be used as a facilitator of participatory tourism planning political trust in tourism institutions power and how tourism development can be a basis for trust creation among society members by using social capital theory In addition a final section on Researching Trust in Tourism Development means that readers are not only provided a thorough theoretical framework on trust and an understanding of its importance for sustainable tourism and good governance of the sector but also methodological aspects of research on trust in the context of tourism development and planning This significant volume is valuable reading for students academics and researchers interested in tourism development and planning

Tourism and Citizenship

Raoul Bianchi, Marcus Stephenson, 2014-02-24 More than sixty years since the 1948 Universal Declaration of Human Rights first enshrined the right to freedom of movement in an international charter of human rights the issue of mobility and the right to tourism itself have become increasingly significant areas of scholarly interest and political debate However despite the fact that cross border travel implies certain citizenship rights as well as the material capacity to travel the manifold intersections between tourism and citizenship have not received the attention they deserve in the literature This book endeavours to fill this gap by being the first to fully examine the role of tourism in wider society through a critically informed sociological reflection on the unfolding relationships between international tourism and distinct renderings of citizenship with particular emphasis on the ideological and political alignments between the freedom of movement and the right to travel The text

weaves its analysis of citizenship and travel in the context of addressing large scale societal transformations engendered by globalization neoliberalism and the geopolitical realignments between states as well as comprehending the internal reconfiguring of the relationship between citizens and states themselves By doing so it focuses on key themes including tourism and social citizenship rights race culture and minority rights states markets and the freedom of movement tourism peace and geo politics consumerism and class and ethical tourism global citizenship and cosmopolitanism The book concludes that the advancement of genuinely democratic and just forms of tourism must be commensurate with demands for distributive justice and a democratic politics of mobility encompassing all of humanity This timely and significant contribution to the sociology and politics of international tourism through the lens of citizenship is a must read for students and scholars in both in the fields of tourism and social science The royalties received from this book will be donated to the International Porter Protection Group

Scuba Diving Tourism Ghazali Musa,Kay Dimmock,2013-06-26 This volume offers new insight into an important and largely under examined area of marine leisure and tourism scuba diving tourism Knowledge of scuba diving has long been hidden among broad discussions of water based sports and activities and this focused book aims to shed further understanding and knowledge on this popular international activity The book examines the current issues central to research into and management of scuba diving Tourism from multidisciplinary perspectives such as health and safety climate change policy and regulation and the recreation leisure context It further reveals critical management issues of economic environmental and socio cultural impacts related to scuba diving tourism which extends to the influence of climate change on the industry s operations and future This significant volume which conceptualizes the issues surrounding scuba diving tourism now and in the future is written by leading experts in this field and will be valuable reading for all those interested in marine leisure and tourism

Peace through Tourism Lynda-ann Blanchard,Freya Higgins-Desbiolles,2013-08-15 Peace through tourism refers to a body of analysis which suggests tourism may contribute to cross cultural understanding tolerance and even peace between communities and nations What has been largely missing to date is a sustained critique of the potential and capacities of tourism to foster global peace This timely volume fills this void by providing a critical look at tourism in order to ascertain its potential as a social force to promote human rights justice and peace It presents an alternative characterisation of the possibilities for peace through tourism embedding an understanding of the phenomenon in a deep grounding in multi disciplinary perspectives and envisioning tourism in the context of human rights social justice and ecological integrity Such an approach engages the ambivalence and dichotomy of views held on peace tourism by relying on a pedagogy of peace It integrates a range of perspectives from scholars from many disciplinary backgrounds non governmental organisations NGOs tourism industry operators and community all united by an interest in critical approaches to understanding peace through tourism Additionally diverse geo political contexts are represented in this book from the USA India Japan Israel Palestine Kenya the Koreas Indonesia East Timor and Indigenous Australia Written by leading academics

this groundbreaking book will provide students researchers and academics a sustained critique of the potential and capacities of tourism to foster global peace

The Practice of Sustainable Tourism Michael Hughes, David Weaver, Christof Pforr, 2015-06-19 Sustainable tourism is a widely used term that has accumulated considerable attention from researchers and policy makers over the past two decades However there is still an apparently wide gap between theory and practice in the area Recent scholarly research has tended to focus on niche areas of alternative tourism rather than address the broader issues and vagaries and paradoxes that appear to plague the broader notion of sustainable tourism As such there is a need for a new and pragmatic analysis of sustainable tourism as an overarching idea and how this manifests in practice The Practice of Sustainable Tourism fulfils this need by offering a fresh perspective on sustainable tourism as an umbrella concept with inherent tensions It presents a way of thinking about tourism based on the notion of finding common ground using the dialectic tradition of philosophy Dialectics focusses on resolving opposing viewpoints by recognising they have common elements that can be combined into a rational and practical solution over time As part of this approach the book examines the strongly apparent tensions within alternative tourism as well as the paradox of continuing growth and other mass tourism related issues It is divided into three parts Part I includes chapters discussing the general concept of sustainable tourism its history current status and possible futures Part II includes a range of destination case studies exploring how sustainable tourism has been applied and Part III includes perspectives from the tourism operator view Given the international content and challenging themes the book will be appealing internationally to students researchers and academics in the fields of tourism geography sustainability and social science

ANATOLIAN LANDSCAPE AND FAITH TOURISM: ANCIENT TIMES TO PRESENT Dr. Muharrem Tuna, Dr. Özlem Köroğlu, Ms. Gamze Kaya, Dr. Eda Hazarhun, Dr. Hasret Ulusoy Mutlu, Ms. Nuray Yıldız, 2023-12-04 ANATOLIAN LANDSCAPE AND FAITH TOURISM ANCIENT TIMES TO PRESENT NAN TUR ZM

Dark Tourism and Place Identity Leanne White, Elspeth Frew, 2013-03-20 Dark Tourism including visitation to places such as murder sites battlefields and cemeteries is a growing phenomenon as well as an emergent area of scholarly interest Despite this interest the intersecting domains of dark tourism and place identity have been largely overlooked in the academic literature and this book aims to fill this void The three main themes of Visitor Motivation Destination Management and Place Interpretation are addressed in this book from both a demand and supply perspective by examining a variety of case studies from around the world This edited volume takes the dark tourism discussion to another level by reinforcing the critical intersecting domains of dark tourism and place identity and in particular highlighting the importance of understanding this connection for visitors and destination managers Written by leading academics in the area this stimulating volume of 19 chapters will be valuable reading for postgraduate and advanced undergraduate students in a range of discipline areas researchers and academics interested in dark tourism and other interested stakeholders including those in the tourism industry government bodies and community groups

Backpacker

Tourism and Economic Development Mark P. Hampton, 2013-07-18 There has been a phenomenal growth of backpacker tourism from the overland routes to India in the 1960s to present day backpacker tourism across the less developed world As a result there has been significant economic development impacts of backpacker tourism upon local communities especially in areas with the largest concentrations of backpackers South and South East Asia particularly Thailand Indonesia Malaysia and India as well as increasingly in Latin America This volume provides a focused review of the economic development impacts of backpacker tourism in developing regions furthering knowledge on how backpacker tourism can play a crucial role in development strategies in these areas First it reviews the origins of the backpackers with a detailed examination of their hippy predecessors on the overland trail before discussing the emergence of modern backpackers including social and cultural aspects and how new technologies are changing their experience It then analyses the powerful economic development impacts of backpackers on local host communities in cities and rural areas with a special focus on coastal destinations Extensive case study material is used from backpacker destinations across Asia Latin America and Africa In doing so the book provides original insights into how backpacker tourism is highly significant for poverty alleviation and effective local development since it has strong linkages to the local economy and less economic leakage than conventional tourism Written by a leading academic in this area this volume will be of interest to students of Tourism and Development Studies

Tourism in Brazil Gui Lohmann, Dianne Dredge, 2012-06-25 Since the 1990s tourism has become a major driver of economic activity and community development in Brazil New policies and approaches growing expertise and investment in tourism have brought significant transformation in tourism products destination development and community involvement In addition Brazil will be hosting two major sport events in the years ahead i e the Soccer World Cup in 2014 and the Olympic Games in Rio de Janeiro in 2016 Brazil offers many cultural and natural attractions but similar to many other developing countries it still struggles with issues such as infrastructure accessibility product development service quality market access and workforce training This book provides an in depth examination of tourism in Brazil critically reviewing its development and management The social economic political and environmental contexts of this emerging global power provide an intriguing backdrop The book considers important development issues such as the changing policy context community benefit tourism and indigenous tourism It explores the impacts of tourism on the environment changing community attitudes towards tourism transport infrastructure and sustainability issues in events Particular segments are explored including backpacker tourism sensual tourism adventure tourism and ecotourism and the implications for tourism research and education are examined The book draws from theoretical foundations and practical insights and gives voice to Brazilian researchers who are actively engaged in researching tourism Drawing from cutting edge cross cultural research this original and timely book will be of interest to students researchers and academics in the areas of Tourism Geography and related disciplines

Imagining the American West through Film and Tourism Warwick Frost, Jennifer Laing, 2015-06-05 The

West is one of the strongest and most enduring place images in the world and its myth is firmly rooted in popular culture whether novels film television music clothing and even video games The West combines myth and history rugged natural scenery and wide open spaces popular culture and promises of transformation These imagined places draw in tourists attracted by a cultural heritage that is part fictional and mediated In turn tourism operators and destination marketing organisations refashion what they present to fit these imagined images This book explores this imagining of a mythic West through three key themes travel film and frontiers to offer new insight into how the imagination of the West and popular culture has influenced the construction of tourism In doing so it examines the series of paradoxes that underlie the basic appeal of the West evocative frontier a boundary zone between civilisation and wilderness and between order and lawlessness It draws on a range of films and literature as well as varying places from festivals to national parks to showcase different aspects of the nexus between travel film and frontiers in this fascinating region Interdisciplinary in character it includes perspectives from cultural studies American studies tourism and film studies Written by leading academics this title will be valuable reading for students researchers and academics in the fields of cultural studies tourism film studies and media studies and all those interested in film tourism

Tourism and Animal Ethics David A. Fennell, 2011-12-14 There is a long history of the involvement of animals for tourism purposes in circuses zoos fairs ecotourism and wildlife tourism using animals as the prime focus of their experience The wave of responsibility and sustainability that currently permeates the tourism field is catalyzing deeper moral questions about equity equality rights justice and values in regards to what constitutes acceptable tourism practice Tourism and Animal Ethics represents a required extension of the sustainability imperative and environmental theory by providing a critical account of the role that animals play in tourism This book explores the rich history of animal ethics research that lies outside the field of tourism for the purpose of providing greater theoretical empirical and conceptual guidance inside the field It examines historical and current practices of the use of animals in the tourism industry from both in situ to ex situ consumption and production perspectives identifying a range of ethical issues associated with such use This detailed examination of current animal ethics theories will be instrumental in determining the rightness or wrongness of these practices and hence allow tourism practitioners and theorists to think about these issues and practices in a different light minimizing the impact that the industry has on animals This text provides an interdisciplinary overview of the moral issues related to the use of animals in tourism and contains cutting edge research and boxed international case studies throughout It will appeal to students academics and researchers interested in Tourism Ethics Sustainable Tourism and Wildlife Tourism

Contested Spatialities, Lifestyle Migration and Residential Tourism Michael Janoschka, Heiko Haas, 2013-08-22 Lifestyle Migration and Residential Tourism represent a major trend in individualized societies worldwide which is attracting a rapidly growing interest from the academic community This volume for the first time critically analyses the spatial social and political consequences of such leisure oriented mobilities and

migrations The book approaches the topic from a multidisciplinary and international perspective unifying different branches of research such as lifestyle migration amenity migration retirement migration and second home tourism By covering a variety of regions and landscapes such as mountain and coastal areas rural and inland communities this volume productively engages with the formal and analytical variations of the phenomenon resulting in an enriching debate at the intersection of different areas of research Amongst others topics like political contest and civic participation of lifestyle migrants their impacts on local communities social tensions and inequalities induced by the phenomenon as well as modes of transnational living home and belonging will be thoroughly explored This thought provoking volume will provide deep analytical and conceptual insights into the contested geographies of lifestyle migration and further knowledge into the spatial social and political consequences of leisure oriented mobilities It will be valuable reading for students researchers and academics from a plethora of academic disciplines

Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility

Introduction

In the digital age, access to information has become easier than ever before. The ability to download Tourism Religion And

Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility has opened up a world of possibilities. Downloading Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the

vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility is one of the best book in our library for free trial. We provide copy of Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility. Where to download Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility online for free? Are you looking for Tourism Religion And Spiritual Journeys Contemporary Geographies Of Leisure Tourism And Mobility PDF? This is definitely going to save you time and cash in something you should think about.
