Tourism Research Frontiers Beyond The Boundaries Of Knowledge Tourism Social Science Series:

Tourism Research Frontiers Donna Chambers,Tijana Rakic,2015-07-23 This volume has as its central theme the presentation of original papers which seek to critique deconstruct and go beyond existing research and knowledge frontiers in tourism The text also includes debates on the value of tourism research at the institutional level and discussions of tourism research agendas which still remain under or unexplored

Tourism Research Paradigms Ana Maria Munar,Tazim Jamal,2016-06-07 The theme of this book focuses on the being of tourism and knowledge construction in tourism It discusses both ontological and epistemological issues in tourism studies In addition to examining what constitutes tourism knowledge and how tourism knowledge is acquired various theoretical and methodological paradigms will also be addressed

Authenticity & Tourism Jillian M. Rickly,Elizabeth S. Vidon,2018-09-14 This book brings together contributions from authors who are actively engaged in authenticity research in a tourism context In so doing it demonstrates the various trajectories research has taken towards understanding the significance of authenticity

Space Tourism Erik Cohen,Sam Spector,2019-09-06 This is the first comprehensive multi disciplinary work on the emergent phenomenon of space tourism It is written by leading specialists and covers a wide spectrum of topics including space history and technology the environmental social and legal aspects of the development of a future space tourism industry and space tourism marketing

Tourism Education Pauline J. Sheldon,Cathy H. C. Hsu,2015-09-23 What knowledge and skills should tourism students be exposed to How should tourism education programs at all levels be designed to create responsible leaders for the future of tourism What is the employability and range of careers students can expect after graduation This book examines and seeks to provide answers to these three questions

Cognitive Psychology and Tourism Noel Scott,Brent Moyle,Ana Cláudia Campos,Liubov Skavronskaya,Biqiang Liu,2024-06-24 Compiled from 10 years of research with chapters contributed by experts in the field we demonstrate how tourism will benefit from applying a new paradigm found in mainstream psychology termed here the Cognitive Wave

Fashion and Tourism Maria Gravari-Barbas,Nadzeya Sabatini,2023-12-14 Fashion and tourism have common structures and similarities on many fronts Both phenomena and their operations have been through their mass cycles currently seeking alternative ways of expression and development Both industries are also important business sectors globally

ECMLG 2017 13th European Conference on Management, Leadership and Governance

Martin Rich,2017-12-11 These Proceedings represent the work of contributors to the 13th European Conference on Management Leadership and Governance ECMLG 2017 hosted this year by the Cass Business School City University of London on 11 12 December 2017 The Conference Chair is Dr Martin Rich The conference will be opened with a keynote address by Dr Helen Rothberg from Marist College Poughkeepsie USA with a speech entitled Everything I Know about Leadership I Learned as a Bartender On the second day the keynote will be delivered by Dr Amanda Goodall from City University of London on the topic of Why we need core business experts as leaders ECMLG is a well established platform for

individuals to present their research findings display their work in progress and discuss conceptual advances in many different branches of Management Leadership and Governance At the same time it provides an important opportunity for members of the community to come together with peers share knowledge and exchange ideas With an initial submission of 160 abstracts after the double blind peer review process there are 61 academic papers 8 PhD Papers and 2 Work in Progress papers in these Conference Proceedings These papers reflect the truly global nature of research in the area with contributions from Australia Austria Belgium Brazil Canada Czech Republic Finland Germany Hungary Iran Ireland Israel Kazakhstan Kenya Lithuania Malaysia *Directory of Published Proceedings*, 1997 **Tourism Recreation Research**, 2005 **The British National Bibliography** Arthur James Wells, 2007 **Book Review Index**, 2006 Every 3rd issue is a quarterly cumulation **Books in Print Supplement**, 2002 *Tourism Research*, Tourism Research Methods Brent W. Ritchie, Peter Burns, Catherine Palmer, 2005 Within the tourism industry there is a growing consensus on the need for research to investigate the economic social and environmental impacts of tourism However existing research methods texts are based solely on either the business approach or the social science approach to tourism They often fail to provide real world examples of how to plan implement or analyse tourism related research This book aims to address this divide by integrating theory with practice through the inclusion of specific tourism research case studies alongside research theory It considers a wide range of research issues approaches and techniques with contributions from both experienced and new researchers **Tourism Studies and the Social Sciences** Andrew Holden, 2004-12-30 Based upon a social science approach to understanding the significance of tourism in contemporary society Andrew Holden s fascinating book highlights tourism as a multidisciplinary area of study with rich and varied theoretical underpinnings Here Holden introduces social science disciplines and applies relevant theories to the understanding of tourism He investigates how the economic and political structures of society influence the manifestation of tourism at a global level and subsequently considers a variety of topical issues including citizenship and social exclusion tourism as a form of trade consumerism the consequences of tourism and feminism and ethics Each chapter includes a brief introductory summary of the discipline a critique of its main theories and concepts which have relevance to tourism a discussion of how the theories and concepts have been applied to tourism using cases and examples international case studies and examples Punctuated with study and teaching aids chapter summaries and think points to encourage reflection this excellent broad ranging textbook provides a wider understanding of tourism s role in society **Tourism Research** Travel and Tourism Research Association (U.S.). Conference, 1988

Co-Creating Tourism Research Carina Ren, Gunnar Thór Jóhannesson, René van der Duim, 2017-12-06 Co creation has become a buzzword in many social science disciplines in business and in tourism studies Given the prominence of co creation surprisingly little discussion has evolved around its implications for research practices and knowledge production as well as what challenges there are for fulfilling the promise of co creation in tourism research This book aims to contribute to this

discussion by addressing how tourism research comes together as a collaborative achievement and by exploring different ways of collaborative knowledge production in tourism research It is structured to offer on one hand an introduction to the ontological basis for collaborative research and on the other hand a set of empirical examples of how collaborative knowledge creation can inform tourism design management policy and education The theoretical accounts and empirical cases of this book display how research collaborations can offer modest local yet often impactful insights traces and effects It therefore will be of value for students researchers and academics in tourism studies as well as the wider social sciences

Advances in Modern Tourism Research Álvaro Matias,Peter Nijkamp,Paulo Neto,2010-10-19 Modern Advances in Tourism Research provides a thorough assessment of state of the art academic research in this field of economic science The authors start by scoping the scene of tourism research They progress to a comprehensive analysis of themes of particular interest for researchers and academics interested in the workings of the tourism markets such as new analysis frameworks in tourism economics and new operational tools in tourism research *New Frontiers in Tourism Research* International Society of Travel and Tourism Educators. Conference,Cathy H. C. Hsu,1997
