Unruly Figures Navaneetha Mokkil,2019-05-02 The vibrant media landscape of Kerala where kiosks overflow with magazines and colourful film posters line roadside walls creates a sexually charged public sphere that has a long history of political protests The 2014 Kiss of Love campaign garnered national attention sparking controversy as images of activists kissing in public and dragged into police vans flooded the media In *Unruly Figures* Navaneetha Mokkil tracks the cultural practices through which sexual figures particularly the sex worker and the lesbian are produced in the public imagination Her analysis includes representations of the prostitute figure in popular media trajectories of queerness in Malayalam films public discourse on lesbian sexuality the autobiographical project of sex worker and activist Nalini Jameela and the memorialization of murdered transgender activist Sweet Maria showing how various marginalized figures stage their own fractured journeys of resistance in the post 1990s context of globalization By bringing a substantial body of Malayalam literature and media texts on gender sexuality and social justice into conversation with current debates around sexuality studies and transnational feminism in Asian and Anglo American academia Mokkil reorients the debates on sexuality in India by considering the fraught trajectories of identity and rights World Englishes in the Arab Gulf States Kay Gallagher,2025-04-29 Kay Gallagher gathers insightful research from across the lower Arabian gulf to uncover the richness and diversity of World Englishes within the contemporary Arab Gulf states Her volume presents novel research from this emerging nexus of rapid economic social and linguistic development The countries of the lower Arabian Gulf Bahrain Kuwait Oman Qatar Saudi Arabia and the United Arab Emirates have to varying degrees harnessed English as an internal working language and as a means to communicate globally Gulf countries that have not featured much in the WE literature to date are highlighted in this volume including Bahrain and Kuwait and the use of English in the emerging colossus of Saudi Arabia is examined Novel insights from more prominent locations are presented here for the first time including the use of English to counter negative Islamic stereotypes during the FIFA World Cup 2022 in Qatar and its role in ensuring safety in a multilingual high risk industry in the UAE New research into the challenges encountered in English medium higher education in Oman and Kuwait is reported also The linguistic features of Gulf English are explored and the interplay and tensions between Arabic and English and other languages are addressed The Englishes of expatriate populations in the Gulf are examined including the English identity of majority and minority resident transnational groups The issue of whether a distinctive variety of Gulf English has emerged in this multilingual melting pot characterized by transience and flux is debatable and the establishment of Gulf English as an endonormative new variety remains elusive This book will appeal to those with an interest in World Englishes in general as well as those who are interested in the roles and varieties of English in use in this globally unique and rapidly evolving context The six states of the Lower Gulf Bahrain Kuwait Oman Qatar Saudi Arabia and the United Arab Emirates UAE form an economic and political alliance known as the Gulf Cooperation Council

GCC The region's oil rich economies have attracted millions of migrant workers both blue collar and white collar from East and West Transnational workers have brought linguistic diversity along with multiple varieties of English to this traditionally Arabic speaking region amplifying an increased internal demand for English such that English is shifting in the Gulf from a foreign language to a lingua franca

Changing Theory Dilip M Menon, 2022-05-02 This book is an original systematic and radical attempt at decolonizing critical theory Drawing on linguistic concepts from 16 languages from Asia Africa the Arab world and South America the essays in the volume explore the entailments of words while discussing their conceptual implications for the humanities and the social sciences everywhere The essays engage in the work of thinking through words to generate a conceptual vocabulary that will allow for a global conversation on social theory which will be necessarily multilingual With essays by scholars across generations and from a variety of disciplines history anthropology and philosophy to literature and political theory this book will be essential reading for scholars researchers and students of critical theory and the social sciences
