Washington to Gaithersburg Maryland Through the author s own personal story he felt compelled to tell the world that there are many happy minority immigrants stories in contrast to many of the complaints and polarizing arguments about how minority groups are discriminated against and are deprived of the opportunity to improve their lot by the majority group in American society It is true also that there exists one form or another of prejudices and discriminations in the American society However it is this author s conviction and experience that there are no insurmountable obstacles for minority immigrants to achieve their dreams and goals in this promised land of ours if one strives hard enough It is also the belief of this author that in order to fully appreciate the opportunities and to make the most of those opportunities one must be assimilated into American society completely and whole heartedly without reservation This does not mean to lose one s heritage completely but rather to contribute to the unique qualities of each heritage to making of the Whole in the true spirit of our nation E PLURIBUS UNUM

Axiom's End Lindsay Ellis, 2020-07-21 THE INSTANT NEW YORK TIMES BESTSELLER The alternate history first contact adventure Axiom s End is an extraordinary debut from Hugo finalist and video essayist Lindsay Ellis Truth is a human right It s fall 2007 A well timed leak has revealed that the US government might have engaged in first contact Cora Sabino is doing everything she can to

avoid the whole mess since the force driving the controversy is her whistleblower father Even though Cora hasn't spoken to him in years his celebrity has caught the attention of the press the Internet the paparazzi and the government and with him in hiding that attention is on her She neither knows nor cares whether her father's leaks are a hoax and wants nothing to do with him until she learns just how deeply entrenched her family is in the cover up and that an extraterrestrial presence has been on Earth for decades Realizing the extent to which both she and the public have been lied to she sets out to gather as much information as she can and finds that the best way for her to uncover the truth is not as a whistleblower but as an intermediary The alien presence has been completely uncommunicative until she convinces one of them that she can act as their interpreter becoming the first and only human vessel of communication Their otherworldly connection will change everything she thought she knew about being human and could unleash a force more sinister than she ever imagined
