Using Old Testament Hebrew In Preaching A Guide For Students And Pastors:

Using Old Testament Hebrew in Preaching Paul D. Wegner, 2008-10-01 *Using Old Testament Hebrew in Preaching* provides seminary trained preachers and preachers in the making with a refresher in Hebrew exegesis a description of the tools they need a process of transforming exegesis into exposition and a reminder of the benefits both to the preacher and congregation of using the original language It is intended as a Hebrew counterpart to David Alan Black's widely acclaimed *Using New Testament Greek in Ministry* Baker 1993 *From Exegesis to Exposition* Robert B. Chisholm, 1999-05 Inspires and instructs students and pastors to use the Hebrew Bible appropriately in their preaching and teaching Includes sample sermons and lessons **Journal of Biblical and Theological Studies, Issue 4.2** Daniel S. Diffey, Ryan A. Brandt, Justin McLendon, 2019-12-09 The Journal of Biblical and Theological Studies JBTS is an academic journal focused on the fields of Bible and Theology from an inter denominational point of view The journal is comprised of an editorial board of scholars that represent several academic institutions throughout the world JBTS is concerned with presenting high level original scholarship in an approachable way Academic journals are often written by scholars for other scholars They are technical in nature assuming a robust knowledge of the field There are fewer journals that seek to introduce biblical and theological scholarship that is also accessible to students JBTS seeks to provide high level scholarship and research to both scholars and students which results in original scholarship that is readable and accessible As an inter denominational journal JBTS is broadly evangelical We accept contributions in all theological disciplines from any evangelical perspective In particular we encourage articles and book reviews within the fields of Old Testament New Testament Biblical Theology Church History Systematic Theology Practical Theology Philosophical Theology Philosophy and Ethics **Applying the Sermon** Daniel Overdorf, 2009-08-28 Finally a tool to help Pastors shape applications that so many congregations have long desired Even the most seasoned homiletics bask at sermon application Why Because application requires preachers to toss a grenade like thus saith the Lord into people's lives and to do so repeatedly From the introduction Despite the concern many pastors feel when it comes to sermon application most homiletics texts devote little more than a chapter if that to this vital topic Daniel Overdorf has filled this glaring gap with *Applying the Sermon* This book equips preachers to develop sermon application that grows from the biblical text and addresses the needs of contemporary congregations Each chapter includes snippets of interviews with five of today's most respected homiletics Haddon Robinson Will Willimon Tom Long Vic Pentz and Bob Russell A great addition to any pastoral library and a valuable resource for Bible college and seminary courses Overdorf's *Applying the Sermon* also includes an extensive bibliography and a sermon application worksheet to give pastors a chance to acquire hands on experience with these techniques **World Mission** Scott N. Callahan, Will Brooks, 2019-06-12 World missions needs a fully biblical ethos This is the contention of the editors of and contributors to *World Mission* a series of essays aimed at reforming popular approaches to missions In the first set of essays contributors develop a biblical theology of

world missions from both the Old and New Testaments arguing that the theology of each must stand in the foreground of missions not recede into the background In the second they unfold the Great Commission in sequence detailing how it determines the biblical strategy of all mission enterprises Finally they treat current issues in world missions from the perspective of the sufficiency of Scripture Altogether this book aims to reform missions to be thoroughly not just foundationally biblical a needed correction even among the sincerest missionaries Preaching the Farewell Discourse L. Scott Kellum,2014-04-01 Through the lens of John the Apostle s Farewell Discourse found in John 13 31 17 26 seminary professor L Scott Kellum provides a step by step illustration of how to produce an expository sermon series **Recapturing the Voice of God** Steven W. Smith,2015-06-01 In Recapturing the Voice of God veteran preacher Steven W Smith teaches how to preach genre sensitive text driven sermons to allow the structure of the text to be the structure of the sermon *Invitation to Biblical Interpretation* Andreas J. Köstenberger,Richard Duane Patterson, Invitation to Biblical Interpretation provides seminarians and upper level collegians a textbook utilizing the hermeneutical triad method This approach to interpretation is based on giving due consideration to both the historical setting and the literary context as well the theological message **In Defense of the Bible** Steven B. Cowan,Terry L. Wilder,2018-11-26 In Defense of the Bible gathers exceptional articles by accomplished scholars Paul Copan William A Dembski Mary Jo Sharp Darrell L Bock etc addressing and responding to all of the major contemporary challenges to the divine inspiration and authority of Scripture *Old Testament Exegesis, Fifth Edition* Douglas Stuart,2022-03-15 For years Douglas Stuart s Old Testament Exegesis has been one of the most popular ways to learn how to perform exegesis the science and art of interpreting biblical texts properly for understanding as well as proclamation This new edition includes a major revision and expansion of online and other resources for doing biblical research and updates past editions by including a helpful configuration of the format for the exegesis process Stuart provides guidance for full exegesis as well as for a quicker approach specifically tailored to the task of preaching A glossary of terms explains the sometimes bewildering language of biblical scholarship and a list of frequent errors guides the student in avoiding common mistakes No exegetical guide for the Old Testament has been more widely used in training ministers and students to be faithful careful interpreters of Scripture
