**Ella Elgar Bird Dumont** Ella Elgar Bird Dumont, 2014-07-03 A crack shot expert skinner and tanner seamstress sculptor and later writer a list that only hints at her intelligence and abilities Ella Elgar Bird Dumont was one of those remarkable women who helped tame the Texas frontier First married at sixteen to a Texas Ranger she followed her husband to Comanche Indian country in King County where they lived in a tepee while participating in the final slaughter of the buffalo Living off the land until the frontier was opened for ranching Ella and Tom Bird typified the Old West ideals of self sufficiency and generosity with a hesitancy to complain about the hard life in the late 1800s Yet in one important way Ella Dumont was unsuited for life on the frontier Endowed with an instinctive desire and ability to carve and sculpt she was largely prevented from pursuing her talents by the responsibilities of marriage and frontier life and later widowhood with two small children Even though her second marriage to Auguste Dumont made life more comfortable the realities of her existence still prevented the fulfillment of her artistic longings Ella Bird Dumont's memoir is rich with details of the frontier era in Texas when Indian depredations were still a danger for isolated settlers where animals ranged close enough to provide dinner and a new pair of gloves and where sheer existence depended on skill luck and the kindness of strangers The vividness and poignancy of her life coupled with the wealth of historical material in the editor's exhaustive notes make this Texas pioneer's autobiography a very special book

**Faiths across Time** J. Gordon Melton, 2014-01-15 This monumental four volume reference overviews significant events and developments in religious history over the course of more than five millennia Written for high school students undergraduates and general readers interested in the history of world religions this massive reference chronicles developments in religious history from 3500 BCE through the 21st century The set comprises four volumes treating the ancient world from 3500 BCE through 499 CE 500 through 1399 1400 through 1849 and 1850 through 2009 Each volume includes hundreds of brief entries arranged chronologically and then further organized by region and religion The entries provide fundamental information on topics ranging from the neolithic Ggantija temples near Malta through the election of Mary Douglas Glasspool as bishop of the Episcopal Diocese of Los Angeles in 2009 Global in scope and encyclopedic in breadth this chronology of world religions is an essential purchase for all libraries concerned with the development of human civilization

**The Publisher**, 1915 **The AOPA Pilot**, 1987 [The Publishers' Circular and Booksellers' Record](#), 1915 *Monthly Catalog of United States Government Publications*, 1989 [Attack and Counterattack](#) Joseph Milton Nance, 2014-09-12 It is 1842 a dramatic year in

the history of Texas Mexican relations After five years of uneasy peace of futile negotiations of border raids and temporary unofficial truces a series of military actions upsets the precarious balance between the two countries Once more the Mexican Army marches on Texas soil once more the frontier settlers strengthen their strongholds for defense or gather their belongings for flight Twice San Antonio falls to Mexican generals twice the Texans assemble armies for the invasion of Mexico It is 1842 a year of attack and counterattack This is the story that Joseph Milton Nance relates with a definitiveness and immediacy which come from many years of meticulous research The exciting story of 1842 is a story of emotions which had simmered through the long insecure years and which now boil out in blustery threats and demands for vengeance The Texans threaten to march beyond the Sierra Madres and raise their flag at Monterrey the Mexicans promise to subdue this upstart Texas and to teach its treacherous inhabitants their place With communications poor and imaginations fertile rumors magnify chance banditry into military raids military raids into full scale invasions Newspapers incite their readers with superdramatic intoxicating accounts of the events Texans and Mexicans alike respond with a kind of madness that has little or no method Texas solicits volunteers calls out troops plans invasions and assembles her armies completely disregarding the fact that her treasury is practically empty there is little money to buy guns Meanwhile in Mexico where gold and silver are needed for other purposes invasions of Texas are launched but they are only brief forays more suitable for impressive publicity than for permanent gains Still the conflicts of threat and retaliation so often futile are frequently dignified by idealism friendship courage and determination Both Mexicans and Texans are fighting and dying for liberty defending their homes against foreign invaders establishing and maintaining friendships that cross racial and national boundaries struggling with conflicting loyalties and all the while striving to wrest a living for themselves and their families from the grudging frontier Attack and Counterattack continuing the account which was begun in After San Jacinto tells from original sources the full story of Texas Mexican relations from the time of the Santa Fe Expedition through the return of the Somervell Expedition from the Rio Grande These books examine in great detail and with careful accuracy a period of Texas history that had not heretofore been thoroughly studied and that had seldom been given unbiased treatment The source materials compiled in the notes and bibliography particularly the military reports letters diaries contemporary newspapers and broadsides will be a valuable tool for any scholar who wishes to study this or related periods
