What Every Woman Needs to Know About Her Skin and Hair Mandy Leonhardt, 2024-06-20 The appearance of our skin and hair has a huge impact on our psychological wellbeing and confidence. Women feel pressure to have glowing blemish free skin and thick luscious hair at all times. In reality, our skin is a dynamic living organ which reacts to hormonal changes across the lifecycle from puberty to the menopause. When our skin does not look healthy and when our hair is thin or falling out, we want to understand why and what we can do about it. We can spend large amounts on different creams and beauty products or cover the problem with makeup, but ultimately the question most asked by women and unanswered by skincare regimes is: could this be hormonal? The answer is of course yes, and if you read this book, you'll know exactly how and why. By giving you a better understanding of the relationship between your hormones and common skin and hair problems, Dr Mandy Leonhardt will help you find lasting solutions whatever your issue. Whether you suffer with outbreaks, dry skin, sensitive skin, pigmentation, or are concerned about the way your skin is aging in midlife, *What Every Woman Needs to Know About Her Skin and Hair* will provide you with the tools to find more holistic and effective solutions which don't just scratch or moisturise the surface but which look at the root cause of the problem. Drawing on both the latest research and on her years of experience as a GP and specialist in women's health, Dr Leonhardt offers scientifically proven and practical advice to both understand and better manage the condition of your skin, hair, and nails. She will explain which skincare principles and types of product are worthwhile and which aren't, and how you can effectively connect the dots between your skin health and factors like nutrition and lifestyle. She gives clear advice on which non-medical treatments are worth pursuing and again which aren't, and plenty of additional resources to help you find a cost-effective regime which takes both your hormonal stage in life and your bank balance into account.

The Harland Creek Series Small Town Romance Boxset books 1-4 Jodi Allen Brice, 2022-02-02 Welcome to the small town of Harland Creek. Heartwarming romance, secrets, and drama and compelling characters in this special collection of the first three novels of the series including a bonus novella PROMISE KEPT. Such a hopeful and beautiful read. Reviewer Lying on her job application wasn't the best way to kick off her fresh start in a small town, but Heather Smith is out of options. She desperately needs the job or she will soon be without a place to live. Now if she could just figure out why a local farmer keeps casting suspicious glares her way. Sure, Grayson McCade has his hands full with his farm. The second he learns a newcomer has been hired to care for Elizabeth, he worries the kind-hearted old woman is being scammed. Will the secrets revealed tarnish Heather's new start before it even begins? PROMISE MADE. Beautifully written, reviewer Olivia McCade prefers flowers to people. Other than the occasional thorn, she figures plants are far less likely to hurt her. It was that realization that caused her to leave her nursing career behind and settle into the calming aromas of her flower shop. The plan worked great until a huge wedding contract put her face-to-face with the man who broke her heart and shattered her dreams. Needing someone at her side to help her through this, Olivia turns to Sam Hunter. But Sam has a secret all his own. Now as she looks to him for comfort, Sam must find a way to juggle her fragile heart and his own stirring emotions. PROMISE FOREVER. Wonderfully written, reviewer Gabriela Jackson was the girl all the guys wanted and all the girls wanted to be. Until one tragic night that rocks the entire town and leaves her the object of scorn. Unable to stay in a place where the entire town hates her, she signs a modeling contract with an elite New York agency just to get away. She soon discovered the darker side of beauty. After refusing to compromise her morals, she's labeled as difficult and black-balled in the industry. With nowhere else to turn, she returns to Harland Creek. But her homecoming is far from warm. Judgmental stares, incessant gossip behind her back, hurtful preconceived notions. Now more than ever, Gabriela is determined to prove only she can define who she is as a person. Colin Bennet left his scandal-riddled family in England to forge his own respectable path in life. The small town charm of Harland Creek seemed the perfect place to open a book store and focus on penning his first novel. Turns out that second part would be far easier if American women weren't falling all over him simply because of his accent. But there is one who seems uninterested in his worldly charms. An intoxicating beauty with razor-sharp wit, striking intelligence, and a damaged reputation. But are they willing to risk it all for a chance at true happiness? CHRISTMAS IN HARLAND CREEK. Charming Christmas Story, reviewer. Christmas magic comes to Harland Creek. Ever the introverted bookworm, Eliza Ross has read many love stories set to a backdrop of sleigh bells and snow flurries. But turning the pages of her favorite author's latest release is the closest she's ever come to that kind of romance. Convinced it would be yet another holiday full of itchy Christmas sweaters and family gatherings, Eliza takes a break from her college courses and

ventures home to the small town of Harland Creek Little does she know more than tinsel and holly berries await her there
For as long as she can remember Eliza has had a crush on Jake Denton Not that he even knew she existed or so she thought
Yet when a winter storm traps them together they learn they have more in common than Eliza ever could have imagined
While the weather outside is frightful seeing the softer side of Jake is truly delightful Will the blinding blizzard open their
eyes to the magical connection between them
