Millions of us waste huge chunks of our days checking our phones and devices, looking for just one more thumbs up or red heart. It's the modern measurement of how accepted, wanted, or valued we seem to be. Susie Moore is going to help you shake off the need for that hollow approval and live the incredible confident life you were meant to live. It's time to proclaim and celebrate your talents, fend off naysayers, and live your life with magnetism and unshakable self-confidence. Here's the rub: A perfect life doesn't exist. Those perfectly tanned people sailing in Ibiza have problems just like you. But what Susie Moore has learned and will show you is that truly successful and self-assured people have something in common: They are willing to experience failure without getting bummed out or overwhelmed. They simply build up from it. On the path to satisfying your deep personal desires, when things go wrong or feel off, and they will, you can always ask not what's wrong but what's missing, because what's missing can be found. In fact, it's waiting and wanting to be found. In *Stop Checking Your Likes*, you'll learn how to break free of the outside approval traps and focus on nourishing and loving yourself. Stop checking your likes and find your purpose and your power. Fast **Just**
