Zoot Suit And Other Plays:

Zoot Suit & Other Plays Luis Valdez, 1992-04-30 This critically acclaimed play by Luis Valdez cracks open the depiction of Chicanos on stage challenging viewers to revisit a troubled moment in our nation's history From the moment the myth infused character El Pachuco burst onto the stage cutting his way through the drop curtain with a switchblade Luis Valdez spurred a revolution in Chicano theater Focusing on the events surrounding the Sleepy Lagoon Murder Trial of 1942 and the ensuing Zoot Suit Riots that turned Los Angeles into a bloody war zone this is a gritty and vivid depiction of the horrifying violence and racism suffered by young Mexican Americans on the home front during World War II Valdez's cadre of young urban characters struggle with the stereotypes and generalizations of America's dominant culture the questions of assimilation and patriotism and a desire to rebel against the mainstream pressures that threaten to wipe them out Experimenting with brash forms of narration pop culture of the war era and complex characterizations this quintessential exploration of the Mexican American experience in the United States during the 1940's was the first and only Chicano play to open on Broadway This collection contains three of playwright and screenwriter Luis Valdez's most important and recognized plays *Zoot Suit* *Bandido* and *I Don't Have to Show You No Stinking Badges* The anthology also includes an introduction by noted theater critic Dr Jorge Huerta of the University of California San Diego Luis Valdez the most recognized and celebrated Hispanic playwright of our times is the director of the famous farm worker theater El Teatro Campesino

Mummified Deer and Other Plays Luis Valdez, 2005-04-30 For more than twenty years Luis Valdez the most distinguished Latino playwright and director has reserved most of his scripts for live stage productions His two landmark published collections *Early Works* and *Zoot Suit and Other Plays* are only a sampling of his early master works and of the later plays that made it to the stage in the 1980s Now Valdez has finally opened his trunk to release print editions of a revised early work and two brand new major dramas *Mummified Deer* is Valdez's mature exploration of the Yaqui Indian roots of Mexican American culture and Valdez's own family Returning to the format of the tent show Valdez mines maternal psychology and Yaqui mysticism to demand that characters scale the full gamut of emotions In this gut wrenching piece *Mama Chu* is the dominant imposing figure who must reconcile the present with the past and unify the conflicting histories and identities of her family *Mundo Mata* is the long awaited drama of unionizing farm workers battling the agribusiness power structure in California while Mexican Americans are being sent off to battle brown skinned enemies in Vietnam Valdez assesses the toll that families have to pay to remain united against divisive forces It all comes down to Reymundo the antihero who in the end must weigh existential and political questions *The Shrunken Head of Pancho Villa* Valdez's re-worked first play still holds all the vision spunk and innovation of the young playwright Injecting black humor into domestic drama disembodied heads talk mothers exchange roles with the

patriarch pachucos banter and sell outs become the mouthpieces for an oppressed community all characters and themes that would dominate future plays of Valdez and subsequent Chicano literature **LatinAsian Cartographies** Susan

Thananopavarn,2018-03-19 LatinAsian Cartographies examines how Latina o and Asian American writers provide important counter narratives to the stories of racial encroachment that have come to characterize twenty first century dominant discourses on race Susan Thananopavarn contends that the Asian American and Latina o presence in the United States although often considered marginal in discourses of American history and nationhood is in fact crucial to understanding how national identity has been constructed historically and continues to be constructed in the present day Thananopavarn creates a new LatinAsian view of the United States that emphasizes previously suppressed aspects of national history including imperialism domestic racism during World War II Cold War operations in Latin America and Asia and the politics of borders in an age of globalization LatinAsian Cartographies ultimately reimagines national narratives in a way that transforms dominant ideas of what it means to be American Chicano Drama Jorge A.
