Malloy,2012-11-01 The small town of Medjugorje Bosnia Herzegovina was a simple and unassuming farming community unheard of to most people But all that changed during the summer of 1981 and it has since been the meeting place of millions of pilgrims In Fingerprints of God author Stephen J Malloy chronicles the reported miracles and extraordinary supernatural activity that have occurred in Medjugorje since that time It all started when five teenagers and a ten year old boy began to report in tandem that they were having heavenly visions According to their witness the Madonna the Virgin Mary had begun appearing to them in order to call the world to an urgent conversion reconciliation and peace through Jesus Christ Fingerprints of God uniquely combines the authors own experiences as a pilgrim to Medjugorje a detailed description of the central messages given by the Virgin Mary according to the six visionaries stories about miraculous healings and extraordinary signs the meaning of the ten secrets concerning prophesied events to occur in Medjugorje and in the wider world thorough examination of what the Catholic Church has said in its official capacity concerning the reported apparitions and related phenomena positive assessments of renowned theologians relationship made between the Medjugorje messages Christian morality and biblical revelation especially the teachings of Jesus Celebrating thirty one years of the Madonnas special presence Fingerprints of God accounts that Medjugorje has been host now to more than twenty eight million pilgrims from all over the world **The Vatican Prophecies** John Thavis,2015-09-15 The process by which these supernatural events are authenticated is expertly told by John Thavis one of the world s leading Vaticanologists In fact that a book on so secretive and complex a topic is so deeply researched beautifully written and artfully told is something of a small miracle itself James Martin S J author of Jesus A Pilgrimage From the New York Times bestselling author of The Vatican Diaries a fascinating behind the scenes look at how the Vatican investigates claims of miraculous events Apocalyptic prophecies and miraculous apparitions are headline grabbing events that often put the Catholic Church s concept of rational faith at odds with the passion of its more zealous followers To some these claims teeter on the edge of absurdity Others see them as evidence of a private connection with God For the Vatican the issue is much more nuanced as each supposed miraculous event could have serious theological and political consequences In response the Vatican has developed a highly secretive and complex evaluation system to judge the authenticity of supernatural phenomena Former journalist John Thavis uses his thirty years experience covering the Vatican to shed light on this little known process revealing deep internal debates on the power of religious relics private revelations exorcisms and more Enlightening and accessible to Catholics and non Catholics alike the book illustrates the Church s struggle to balance the tension between traditional beliefs and contemporary skepticism **Looking for Mary** Beverly Donofrio,2001-08-01 Entering her fortieth

year Beverly Donofrio a lapsed Catholic inexplicably begins collecting Virgin Mary memorabilia at yard sales Her search for kitsch however soon becomes a spiritual quest leading her to make a pilgrimage to the holy city of Medjugorje There she learns that Mary comes into your life only when pride steps out and receives a bonus hope In Looking for Mary Donofrio offers the universal story about a woman who in a quest for the Blessed Mother finds herself *Locutions to the World* 2012 - *Messages from Heaven about the near Future of our World* Jesus Christ, Virgin Mary, 2016-04-05 Messages from Heaven about the near Future of our World By our Lord and Saviour Jesus Christ and our Mother of Salvation Holy Virgin Mary Virgin Mary is God's Final Preacher God is always trying to lead man away from self destruction He sends his preachers He sends his teachers But these are snuffed out Their words are not listened to and their invitations are rejected So finally he has sent me I am his final teacher his final prophet I am his last opportunity to change the course of history There is no one behind me no other message no other signs than the ones that I will give When I tell the world that it must listen to me I am not speaking from a selfish and arrogant spirit I am speaking as one who sees the destruction the hopelessness of mankind if my words are not heeded The second of five books from 2011 until 2015 **The Limits of Pilgrimage Place** T.K Rousseau, 2021-07-28 Through case studies of three pilgrimage sites related to the Virgin Mary this book explores how pilgrimage places in today's globalized world do not exist as contained spaces but have porous boundaries both physically and conceptually Taking an interdisciplinary approach that draws on art history and heritage studies the book considers the cathedral of Chartres France Medjugorje in Bosnia and Herzegovina and the House of Mary near Ephesus Turkey In all three sites the place of pilgrimage accommodates multiple different purposes and groups of people intermingling devotional and commercial aspects different memory narratives and heterogeneous audiences By mapping these porous boundaries the book calls into question how we define pilgrimage place and shows how pilgrimage sites are not set apart from the everyday world but intimately connected with wider cultural political and material dynamics This study will be relevant to scholars engaging with issues of pilgrimage cultural heritage and art across religious studies art history anthropology and sociology

Encountering Mary Sandra L. Zimdars-Swartz, 2014-07-14 In the past two centuries hundreds of apparitions of the Virgin Mary have been reported drawing crowds to the seers and the sites and constituting events of great religious significance for millions of people worldwide Here Sandra Zimdars Swartz provides a detective like investigation of the experiences and interpretations of six major apparitions including those at La Salette and Lourdes in France during the mid nineteenth century at Fatima Portugal in 1917 and the more recent ones at San Damiano Italy Garabandal Spain and Medjugorje Yugoslavia where the apparitions continue Adopting a phenomenological approach to these encounters with Mary one that is neither apologetic nor antagonistic the author explores the tension between the personal meaning of the events for their subjects and the public appropriation of this meaning by a larger religious community Along the way she examines the backgrounds of the seers their willingness or reluctance to talk about the apparitions and their messages the

amount of emotional support they received from family and community as news of the apparitions spread the reports of miracles at apparition sites the reactions of local authorities and the steps taken by the Roman Catholic Church in officially recognizing or rejecting the apparitions as worthy of belief The author concludes with a survey of religious worldviews based on Marian apparitions focusing especially on the now popular transcultural apocalyptic nature of these messages to the modern world Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Final Harvest Wayne Weible, 2002 For more than two decades the Blessed Virgin Mary has reportedly appeared daily in apparition to six Croatian youths in the rural village of Medjugorje in Bosnia Hercegovina This incredible event began in June 1981 and continues to the present The stated objective is to bring the people of the world back to God The apparitions are elevated in drama and urgency as the Virgin reveals that these will be her formal apparitions on earth because as she adds it will no longer be necessary The past two centuries have been described as the darkest in human history Revolutions fueled by humanism with a singular hatred of religion have led to an erosion of moral law world wars the edipemic of abortion and world wide acts of terrorism Yet the Blessed Virgin is sent by heaven with a message of hope for those who will listen In the FINAL HARVEST Wayne Weible the most popular chronicler of the phenomenon updates the events of Medjugorje and ties them to the Virgin's past apparitions at La Salette and Fatima Meticulously researched and analyzed the author gently urges the reader on a spiritual pathway that leads to wanting to be part of this incredible harvest of souls He does so with a fresh perspective and an intriguing sense of what is still to come
