Danes, Elisa Balabram**

The Theory Of Entrepreneurship Creating And Sustaining Entrepreneurial Value:

The Theory of Entrepreneurship Chandra S. Mishra,R. Zachary,2014-12-04 The Theory of Entrepreneurship examines the interiors of the entrepreneurial value creation process and offers a new unified and comprehensive theory to afford empirical investigations as well as delineate a broader view of the entrepreneurial contextual milieu Creating and Sustaining Competitive Advantage Chandra S. Mishra,2017-06-13 This book develops a unified framework to explain the phenomena of competitive advantage and firm value creation in dynamic environments Through a new strategic value creation theory it explores how a firm can measure and sustain its competitive advantage through management incentives capital market forces organizational culture and structure and social complexity It also considers how management can utilize their resources and capabilities shadow options product market forces customer needs and organizational learning as a means to differentiate them from the competition With an innovative approach to theory and research it will be positioned to inform both scholars and practitioners in management business strategy and entrepreneurship on the process of competitive and sustainable value creation Creating Entrepreneurial Space David Higgins,Paul Jones,Pauric McGowan,2019-06-17 The book draws upon new theoretical perspectives and approaches as a means of illustrating the inherently social and contextualized nature of entrepreneurial practice and advance the manner in which we critically think about and engage with various aspects of entrepreneurial practice and development **Family Entrepreneurship** Matt R. Allen,William B. Gartner,2021-04-05 This book provides recent ideas insights facts evidence frameworks and perspectives on how and why entrepreneurial families are successful over generations The book focuses on how families successfully implement entrepreneurship across generations That success it argues requires entrepreneurship at the level of the family not only in the businesses the family owns and manages Written by noted academics and consultants who are authorities on family entrepreneurship the chapters provide a comprehensive exploration of the characteristics of successful entrepreneurial families their motivations how they behave over time and suggestions for how business families can encourage and sustain entrepreneurship This comprehensive look at family entrepreneurship will serve as a fundamental reference text for family business consultants owners and scholars The History of Entrepreneurship in Mexico Araceli Almaraz Alvarado,Oscar Montiel,2020-06-03 Entrepreneurs develop based on their surroundings It is easy to understand US entrepreneurs with the wealth of information available about their development but how does working in Mexico influence entrepreneurship and emerging entrepreneurs **Concise Introduction to the Family Firm** Ramon K. Zachary,Sharon M. Danes,Elisa Balabram,2023-01-20 Building on the current structural focus of the family firm discipline this Concise Introduction provides a function based processual approach to the area It rethinks the nature of the family firm advancing a deeper understanding of its internal dynamics Ramona Kay Zachary Sharon M Danes and Elisa Balabram offer comprehensive theories of the family firm the best methods of investigation and the relationships among the owning family its business as well as how these are

interconnected *Getting Funded* Chandra S. Mishra, 2015-09-01 Investors receive thousands of business plans but only a few businesses receive funding While there are many how tos out there for entrepreneurs no one has focused on the mind set tools and foundation that are important to investors and therefore essential to entrepreneurs *Getting Funded* examines and develops a framework on which to base a business concept conduct due diligence research and risk analysis refine a business model and reformulate a business strategy and develop a risk and reward structure that protects investment money and incentivizes entrepreneurs to successfully manage the opportunity to create and share value *Getting Funded* shows entrepreneurs the tools and framework critical to a venture s success teaching entrepreneurs to refine their business model and strategy as well as to develop an investment model to improve the investability of the venture and thereby increase the chances of getting funded Even without the need for external funding these tools will improve a venture s potential odds of success Listen to the author discuss the book on the UK based radio show *The Evening Show* with Simon Rose *Handbook of Research on Financial Management During Economic Downturn and Recovery* Teixeira, Nuno Miguel, Lisboa, Inês, 2021-06-04 Times of crisis are unexpected and they bring diverse challenges and opportunities for companies financial markets and the economy On one hand more risk and uncertainties appear yet on the other hand it is an opportunity to reorganize and reinvent the company It is important for businesses to understand ways to deal with uncertainty and risk in times of economic downturn and what financial strategies and tools can be used to eliminate or reduce the potential negative effects These effects can reach the company s financial performance capital structure as well as cause financial debt and the availability of cash flow to companies However different financial instruments can sustain the business and deal with the difficulties of payment when sales reduce and uncertainty increases thus research is essential in this critical area When economic downturn affects the financial markets the role of banks country dynamics the economy and many other facets of the business world financial management becomes the key for business recovery *The Handbook of Research on Financial Management During Economic Downturn and Recovery* shares relevant knowledge on challenges and opportunities caused by crises such as the pandemic and the effects on economic and financial arenas The chapters cover topics such as business models to understand how companies react to pandemic and crises situations as well as how they change their management and way of conducting business Other important topics include sustainable development international financial markets capital structure changes uncertainty and risk and governance and leadership This book is ideal for shareholders directors and managers economists researchers academics practitioners stakeholders researchers academicians and students interested in knowledge on topics about challenges in the way that companies financial markets financial institutions and governments respond to risk and uncertainty **A World Scientific Encyclopedia Of Business Storytelling, Set 1: Corporate And Business Strategies Of Business Storytelling (A 5-volume Set)** , 2023-08-17 This set of multi reference works is meant to be read together as the five volumes interlace one another like the laces of a shoe in the famous painting

by Vincent van Gogh Who will wear the shoes is a question long debated in art history and philosophy If we take these five volumes from different points of view on the theory and practice of business storytelling then we have a crisscrossing a new and impressive dialogue for the reader This set is presented as a new way to lace up the laces of business storytelling Volume 1 aims to recount narratives in a variety of ways so that the precepts of entrepreneurial storytelling can be made accessible to a variety of audiences academic practitioner student and community member Entrepreneurship has a long history and tradition but there are disputed ways of doing business storytelling in entrepreneurship that the next four volumes articulate Volume 2 provides insights into stories fostering the idea of business and not necessarily business itself It focuses specifically on history contributing to the current debates within management and organizational history around the idea of the historic turn It reflects on the idea of business and beyond could there be more to history and business storytelling than what has previously been accepted in the field This book sets out to explore a diverse array of alternative modes and multiple ways of storying organizations The editors intentionally sought to involve an international network of authors with diverse storytelling accounts of history as a way of helping build out this new storytelling paradigm in a diverse and inclusive ethic As a result this volume showcases a broad spectrum of critical storytelling from geographically diverse authors working in universities small businesses and public service throughout Brazil Canada Finland the United Kingdom and the United States To reflect these dynamics and for the stories in this volume to fit together chapters were organized into three themes stories of processing history tales of history as method and narratives of history through a business opportunity Volume 3 features stories that reflect the exacerbated inequalities of race gender and income across the world These inequalities and power relations remain continuously contested particularly in these trying times despite being captive to a particular economic ideology built on the premise of exploitation and subjugation The stories told in this volume tell against the orthodoxy the colonizer and the seemingly powerful They are organized as stories of resistance emancipation and transformation They invite us to rethink the multiple ways to restructure power relations between the colonizer and the colonized and open up spaces for the marginalized underprivileged voices Volume 4 is designed to create a new business storytelling paradigm that critically approaches business narratives that have historically privileged a corporate agenda It explores the various ways that images of the other in business are developed presented and accounted for through powerful and dominant narratives The stories in this volume collectively help readers to understand resist and provide strategies for change through various analyses of how business narratives come to develop get written are legitimized are challenged and get changed over time Volume 5 brings together the practices specific to the socioeconomic approach to management SEAM SEAM is a method of change management developed through research interventions carried out in more than 2 000 companies and organizations since 1975 This method is systemic it considers the whole company and tends to simultaneously increase social and economic performance by focusing mainly on the development of human skills and behaviors making it possible to reduce dysfunctions

and recycle hidden costs into added value *Angel Investing* Mohammad Mustafa,2021-05-16 The book builds the fundamentals and construct of Angel Investing grounds up from the learnings and experiences of top Angels in India along with the universally acknowledged and accepted basics It is based on experiences of top 20 25 Angels in India to build the construct across all aspects of Angel Financing Angel Strategies and Investment Philosophy Deal Origination Screening and Selection Managing Due Diligence Valuation Deal Negotiation and Structuring Post Investment Monitoring Exit Strategies and building Angel Portfolio The book brings in more consistency structure and transparency in Angel Investing process in India while streamlining and simplifying the fundraising process for entrepreneurs **Research Anthology on Vocational Education and Preparing Future Workers** Management Association, Information Resources,2022-04-08 Many students across the globe seek further education for future employment opportunities Vocational schools offer direct training to develop the skills needed for employment New emphasis has been placed on reskilling the workforce as technology has infiltrated all aspects of business Teachers must be prepared to teach these new skill requirements to allow students to directly enter the workforce with the necessary competences intact As the labor market and industry are changing it is essential to stay current with the best teaching practices within vocational education courses to provide the future workforce with the proper tools and knowledge The Research Anthology on Vocational Education and Preparing Future Workers discusses the development opportunities and challenges of vocational education courses and how to best prepare students for future employment It presents the best practices in curriculum development for vocational education courses and analyzes student outcomes Covering topics such as industry academia collaboration student satisfaction and competency based education this major reference work is an essential resource for academic administration pre service teachers educators of vocational education libraries employers government officials researchers and academicians Handbook of Research on Ecosystem-Based Theoretical Models of Learning and Communication Railean, Elena A.,2019-03-22 ICT and globalization have completely redefined learning and communication People virtually connect to collaborate with and learn from other individuals Because educational technology has matured considerably since its inception there are still many issues in the design of learner centered environments The Handbook of Research on Ecosystem Based Theoretical Models of Learning and Communication is an essential reference source that discusses learning and communication ecosystems and the strategic role of trust at different levels of the information and knowledge society Featuring research on topics such as global society life long learning and nanotechnology this book is ideally designed for educators instructional designers principals administrators professionals researchers and students *Integrating Simulation Tools Into Entrepreneurship Education* Masouras, Andreas N.,Anastasiadou, Sofia,Deirmentzoglou, Georgios A.,Sophocleous, Harry Ph.,Anastasopoulou, Eleni E.,2025-04-08 The integration of simulation tools into entrepreneurship education transforms how entrepreneurs learn experiment and develop critical business skills These digital and virtual tools offer students immersive hands on experiences

that replicate real world challenges enabling them to test business ideas make decisions and navigate complex market dynamics in a risk free environment As entrepreneurship education continues to evolve the adoption of simulation tools plays a key role in preparing students to succeed in the increasingly fast paced uncertain and competitive business landscape Further exploration of successful implementations highlights the potential of these technologies to shape the next generation of entrepreneurs Integrating Simulation Tools Into Entrepreneurship Education explores the integration of simulation technologies and methodologies in entrepreneurship education It examines the theoretical underpinnings practical applications benefits challenges and future directions of using simulations to teach entrepreneurship This book covers topics such as digital technology gamification and online learning and is a useful resource for educators academicians business owners entrepreneurs and researchers

The SAGE Encyclopedia of Quality and the Service Economy Su Mi

Dahlgaard-Park, 2015-05-29 Society globally has entered into what might be called the service economy Services now constitute the largest share of GDP in most countries and provide the major source of employment in both developed and developing countries Services permeate all aspects of peoples lives and are becoming inseparable from most aspects of economic activity Quality management has been a dominating managerial practice since World War II With quality management initially associated with manufacturing industries one might assume the relevance of quality management might decrease with the emergence of the service economy To the contrary the emergence of the service economy strengthened the importance of quality issues which no longer are associated only with manufacturing industries but are increasingly applied in all service sectors as well Today we talk not only about product or service quality but have even expanded the framework of quality to quality of life and quality of environment Thus quality and services have emerged in parallel as closely interrelated fields The Encyclopedia of Quality and the Service Economy explores such relevant questions as What are the characteristics nature and definitions of quality and services How do we define quality of products quality of services or quality of life How are services distinguished from goods How do we measure various aspects of quality and services How can products and service quality be managed most effectively and efficiently What is the role of customers in creation of values These questions and more are explored within the pages of this two volume A to Z reference work

Handbook of

The Theory Of Entrepreneurship Creating And Sustaining Entrepreneurial Value Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Theory Of Entrepreneurship Creating And Sustaining Entrepreneurial Value has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Theory Of Entrepreneurship Creating And Sustaining Entrepreneurial Value has opened up a world of possibilities. Downloading The Theory Of Entrepreneurship Creating And Sustaining Entrepreneurial Value provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Theory Of Entrepreneurship Creating And Sustaining Entrepreneurial Value has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Theory Of Entrepreneurship Creating And Sustaining Entrepreneurial Value. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Theory Of Entrepreneurship Creating And Sustaining Entrepreneurial Value. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Theory Of Entrepreneurship Creating And Sustaining Entrepreneurial Value, users should also consider the potential security risks associated with online platforms. Malicious

actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Theory Of Entrepreneurship Creating And Sustaining Entrepreneurial Value has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Theory Of Entrepreneurship Creating And Sustaining Entrepreneurial Value Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality?
