Beyond the Manger Bethel Grove,2024-10-04 What if we were able to look beyond the traditions surrounding the manger and the birth of Jesus to discover deeper meaning in the Christmas story When it comes the story of Jesus birth most Christians today probably think they know what this story looked like However many of the ideas they would share about the story including a stable animals and an innkeeper came from traditions that are not recorded in Scripture These traditions have become so ingrained into the story that most of us do not realize how far off this version of the story is from the one we read in Scripture In the process we miss some powerful truths that have been buried under tradition and cultural misunderstandings That's why in *Beyond the Manger* you will Consider how the traditional details of the nativity story developed over the centuries Explore fourteen devotionals about aspects of the nativity story that are often misunderstood or misinterpreted See this story from a different point of view through fictionalized narratives Examine what the Scripture does and doesn't tell us about the events surrounding Jesus birth Look at biblical research to see what was likely to have occurred over two thousand years ago versus what has been traditionally assumed Be challenged through devotional thoughts and reflection questions at the end of each chapter This Christmas devotional which can be used for group or individual study will inspire you to see the birth of Jesus in a whole new light and bring you closer to the heart of why we celebrate His birth every year *The Drama Magazine* ,1927 Revelation of the Magi Brent Landau,2010-11-02 Each Christmas adults and children alike delight at the story of the kings from the East who followed the star to Bethlehem to offer gifts to the newborn Christ While this familiar tale is recorded in the Gospel of Matthew another little known version later emerged that claimed to be the eyewitness account of the wise men This ancient manuscript has lain hidden for centuries in the vaults of the

Vatican Library but through the determined persistence of a young scholar Brent Landau this astonishing discovery has been translated into English for the very first time as the Revelation of the Magi Everything we know about the wise men is based on only a few verses from the Bible With the Revelation of the Magi we can now read the story from the Magi s perspective Readers will learn of the Magi s prophecies of God s incarnation from the beginning of time their startling visitation in the form of a star the teachings they receive from the baby Jesus and the wise men s joyous return to their homeland to spread the good news This ancient version of the Christmas story is guaranteed to astonish and delight It will also raise larger questions of the significance and meaning of Christ s birth and the mission to spread the good news to every corner of the globe All the drama and intrigue of the brief description of Jesus s birth in the Bible is filled out in greater more colorful detail offering for the first time the complete story of these beloved characters
