The Tragedie Of Macbeth:

The Oxford Shakespeare: The Tragedy of Macbeth William Shakespeare, 2008-04-17 Dark and violent Macbeth is also the most theatrically spectacular of Shakespeare's tragedies. Indeed for 250 years until early this century it was performed with grand operatic additions set to baroque music. In his introduction Nicholas Brooke relates the play's changing fortunes to changes within society and the theatre and investigates the sources of its enduring appeal. He examines its many layers of illusion and interprets its linguistic turns and echoes arguing that the earliest surviving text is an adaptation perhaps carried out by Shakespeare himself in collaboration with Thomas Middleton. This fully annotated edition reconsiders textual and staging problems, appraises past and present critical views and represents a major contribution to our understanding of Macbeth. ABOUT THE SERIES For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. The Tragedie of Macbeth James Rigney, 2017-09-25 The Shakespearean Originals Series takes as its point of departure the question: What is it that we read Shakespeare? The answer may seem self-evident: we read the words that Shakespeare wrote. But do we? In the case of all the major editions of Shakespeare available in the market, the fact of the matter is that many of the words that we read in an edition of say Hamlet never appeared in the text as it was printed during or shortly after Shakespeare's own lifetime. They are the interpretations and interpolations of a series of editors who have been systematically changing Shakespeare's text from the eighteenth century onwards. This volume offers the text of Macbeth as printed in the 1623 First Folio. The Tragedie of Macbeth William Shakespeare, 2012-09-26 As Shakespeare's works are most accessible when viewed as working theatrical playscripts, *The Tragedie of Macbeth* A Frankly Annotated First Folio Edition preserves the spelling, capitalization and punctuation of the First Folio of 1623 while at the same time providing the most comprehensive revelatory and plainspoken annotation to date. Based on the principle that Shakespeare's plays were written as popular and not entirely decent entertainments aimed at an adult and not overly refined audience, this no-nonsense and sexually candid text offers performers, scholars and anyone with an interest in Shakespeare a unique resource to gain valuable insights into the play, the world in which Shakespeare wrote and the playhouse in which his plays were produced.

Macbeth William Shakespeare, 2018-05 Macbeth by William Shakespeare. Macbeth full title: The Tragedy of Macbeth is a tragedy by William Shakespeare.
