The Truth Of The Cross:

The Truth of the Cross R C Sproul, 2007 Dr Sproul surveys the great work accomplished by Jesus Christ through His crucifixion the redemption of God's people The Truth of the Cross is an uncompromising reminder that the atonement of Christ is an absolutely essential doctrine of the Christian faith one that should be studied and understood by all believers

The Work of the Cross Taylor Kerby, 2014-07-31 Many know of the cross but do not know or understand its power We hear of Christ being crucified but do not see why it is so important and exactly all that it has done for the world In this book every accomplishment of the cross is described clearly It goes deep into what truly happened when Jesus gave His life up for everyone in the world It demonstrates and tests many doctrines taught about the cross and even salvation If you want to go deep and learn why Jesus' death was and is the most powerful action in the world then you must read this book It is truth based solely on the Bible about the greatest act in human history

The Truth About Jesus And The Story Of The Cross, Cynthia, 2019-08-27 This book gives a clear understanding of the cross and all that happened to the Lord Jesus Many misconceptions have arisen about the true depth of the sufferings of Christ but the Spirit of God in his clear revelation through the use of the scriptures opened our eyes to the cross revealing all that truly happened to Jesus the Anointed One It was during these different steps of revelations that a clear understanding of the sufferings of Christ began to be revealed to us providing a different understanding about the sacrifice on the cross and the depth of the sufferings of Christ

Secret of the Cross Andrew Murray, 2020-02-19 The question often arises how it is with so much church going Bible reading and prayer that the Christian fails to live the life of complete victory over sin and lacks the love and joy of the Lord One of the most important answers undoubtedly is that he does not know what it is to die to himself and to the world Yet without this God's love and holiness cannot have their dwelling place in his heart He has repented of some sins but knows not what it is to turn not only from sin but from his old nature and self will Yet this is what the Lord Jesus taught He said to the disciples that if any man would come after Him he must hate and lose his own life He taught them to take up the cross That meant they were to consider their life as sinful and under sentence of death They must give up themselves their own will and power and any goodness of their own When their Lord had died on the cross they would learn what it was to die to themselves and the world and to live their life in the fullness of God Our Lord used the Apostle Paul to put this still more clearly Paul did not know Christ after the flesh but through the Holy Spirit Christ was revealed in his heart and he could testify I am crucified with Christ I live no longer Christ liveth in me In more than one of his Epistles the truth is made clear that we are dead to sin with Christ and receive and experience the power of the new life through the continual working of God's Spirit in us each day As the season of Lent approaches each year our thoughts will be occupied with the sufferings and death of our Lord Emphasis will be laid in the preaching on Christ for us on the cross as the foundation of our salvation Less is said about our death with Christ The subject is a deep and difficult one yet every Christian needs to consider it It is my earnest desire to

help those Christians who are considering this great truth that death to self and to the world is necessary for a life in the love and joy of Christ In *The Secret of the Cross* Andrew murray seeks to explain the chief words of our Lord and of His disciples on this subject He offers these two points to the reader First take time to read over what you do not understand at once Spiritual truth is not easy to grasp But experience has taught that God s words taken into the heart and meditated on with prayer help the soul by degrees to understand the truth And secondly be assured that only through the continual teaching of the Holy Spirit in your heart will you be able to appropriate spiritual truths The great work of the Holy Spirit is to reveal Christ in our hearts and lives as the Crucified One who dwells within us Let this be the chief aim of all your devotion complete dependence on God and an expectation of continually receiving all goodness and salvation from Him alone Thus will you learn to die to yourself and to the world and will receive Christ the Crucified and Glorified One into your heart and be kept through the continual working of the Holy Spirit

Was Christ crucified on a cross? Peter Williams, Booklets in this first series On which days was Christ crucified and resurrected Can we know the year of Christ s crucifixion Does the Bible s Creation account accord with scientific discovery Was Christ crucified on a cross Why should families symbolise the church and kingdom of God Who should take the bread and wine and when Can we be born again during this earthly life What annual festivals should Christians celebrate Is there a Holy Spirit God person What is the true gospel When does the law end for a Christian Should Christians celebrate a weekly Sabbath Each booklet in this series focuses on one theme that is also covered more briefly in the 350 page book *Israel and the Covenants in New Testament Times* Each study s conclusions come from what the Bible reveals consistently answering all the objections the writer has heard to leave nothing even apparently contradicted by any other Bible text By this means they confirm that the booklet provides rock solid Bible truth and that the Bible is truly the word of God Despite this as the booklets series title suggests these conclusions are typically unexpected a primary aim in writing and sharing them If you find anything unpalatable please recognise that God is the real author of what these booklets show and the author little more than a researcher and collator of the subject matter Therefore if you the reader cannot refute what a booklet in this series asserts directly from the Bible surely nobody can please give God your thanks and praise for allowing you to come to the truth from Him *Israel and the Covenants in New Testament Times* may be ordered on line in the UK from Amazon.co.uk or at good bookshops and internationally from Amazon.com in paperback or Amazon Kindle format A4 352 pages Paragon Publishing ISBN 10 1 908341 68 8 ISBN 13 978 1 908341 68 6

Packer,2023-07-07 A Classic Essay on Penal Substitutionary Atonement from Theologian J I Packer Penal substitutionary atonement the belief that Jesus s death on the cross satisfied God s wrath against sin is central to the Christian faith but frequently debated Is it just to punish an innocent person in place of the guilty How can the temporary death of one substitute for the eternal death of many Why doesn t the cross grant Christians unlimited permission to sin In this famous essay late theologian J I Packer analyzes Scripture and the works of early Reformers to defend the truth of Christ s substitutionary suffering and death the heart of the Christian gospel Considered one of the most significant short works on penal substitutionary atonement from the 20th century this careful concise essay has influenced prominent theologians and is essential reading for students pastors and laypeople From Renowned Theologian J I Packer This work was originally delivered as a Tyndale Biblical Theology Lecture Part of the Crossway Short Classics Series Other titles include *The Lord s Work in the Lord s Way* and *No Little People The Life of God in the Soul of Man* and *Fighting for Holiness* Includes a Foreword by Mark Dever **The Theology of The Cross** Daniel M Deutschlander,2008-01-01 What did Jesus mean when he said Take up your cross and follow me The Bible teaches that Jesus Christ is the true center of our salvation Through a deep and powerfully written examination of Scripture author Daniel Deutschlander demonstrates that without Jesus sacrifice on the cross we would be lost However because of Jesus death and resurrection we now have the promise of eternal life in heaven with him That changes everything for us The Theology of the Cross will also remind you that since Jesus first loved you it is now your joy to take up your own cross daily and follow him What does that look like for you This book answers that questions and points you to our Savior s cross which empowers you to live each day for him Here s what people are saying about this book The theology of the cross is a matter of urgent practical concern for every Christian Beginning with the words of Jesus commanding us to deny ourselves and take up our cross and follow him Professor Deutschlander shows how the path of self denial repentance difficulty and struggle is the only place where the gospel reveals its true glory and bears its fruit in our lives Professor Joel D Fredrich Martin Luther College New Ulm Minnesota This book warns us of Satan s efforts to turn us from Christ to ourselves It comforts us with the assurance that the cross of Christ leads to heavenly glory Professor James F Korthals Wisconsin Lutheran Seminary Mequon Wisconsin **A Heritage of Holy Wood: The Legend of the True Cross in Text and Image** Barbara Baert,2004-07-01 In the fourth century the idea arose that the Cross on which Christ was crucified had been found by Helena mother of Emperor Constantine Thus began a legend that would grow and flourish throughout the Middle Ages and cause the diffusion of countless splinters of holy wood And where there is wood there was once a tree Could it be that the Cross was made from that most noble species the Tree of Life So gathering characters along the way the legend evolved into a tale that stretches from the Creation to the End of Time A Heritage of

Holy Wood is the first reconstruction of the iconographic and literary tradition of the Legend of the True Cross Its broad scope encompasses relic cults pilgrimages travellers tales and the Tree of Life and involves Church Fathers crusader kings Teutonic Knights and mendicant orders all of which influenced the legend s depiction from its earliest representation in manuscripts reliquaries and altarpieces to the great monumental cycles of the high Middle Ages If the holy wood was the medium of medieval memory A Heritage of Holy Wood reveals the growth rings of fifteen centuries of imagery

Steps to the Cross John C. Scott,2002-05 At the Cross Richard H. Allen,2013-08-29 The cross of Christ represents the spiritual physical and metaphoric reasons for our existence Old Testament scripture foreshadows Christ and his sacrifice at the cross New Testament scripture reiterates that Old Testament vision as we are led to the singularly most significant event in the history of mankind At the Cross is a line by line examination of the Gospels of Matthew Mark Luke and John as these apostles describe events from the Garden of Gethsemane to the resurrection and ascension of Jesus Christ This book is written for both new and seasoned believers so they may find direction for their commitment and the ramifications of that commitment At the Cross is written for non believers so they can see why believers from the martyrdom of Christ to the most recent Chinese Christian jailed and tortured for his faith would forfeit their lives and liberty rather than deny their Savior Light from the Cross. Sermons on the Passion of Our Lord. Translated from the German ... Friedrich August Gottgetreu Tholuck,1869

The Triumph of the Cross Girolamo Savonarola,1868 **The Messenger of the Cross** Watchman Nee,2009-09-26 In the counsel of God s will the cross occupies a central place This is because only through the cross can God s eternal purpose concerning His Son as well as His church be realized I determined not to know anything among you save Jesus Christ and him crucified declared the apostle Paul 1 Cor 2 2 Christ came to us by way of the cross and only by this same way do we know Him Unless the cross is accepted by us both objectively in terms of the finished work of Christ at Calvary and subjectively in terms of the dealing of the Holy Spirit in us we have no message to deliver to the world and we are not fit to be its messengers In this present volume Watchman Nee shows us that at the source of all spiritual things stands the cross In order that Christ may be all and in all there is no effective means save the cross How we therefore need to pray Search me O God and know my heart try me and know my thoughts Ps 139 23 so that by God s response to such heartfelt prayer we may have a true knowledge of our selves Now such response will mean our having to experience the dividing of our spirit and soul since the root of all sins is the fallen self life of man Yet as the author makes clear with the self thus dealt with we can then be true messengers of the cross May God raise up many such messengers today

Brotherhood of the Cross and Star *A Philosophical Anthropology of the Cross* Brian Gregor, 2013-03-18 What does the cross both as a historical event and a symbol of religious discourse tell us about human beings In this provocative book Brian Gregor draws together a hermeneutics of the self through Heidegger Gadamer Ricoeur and Taylor and a theology of the cross through Luther Kierkegaard Bonhoeffer and J ngel to envision a phenomenology of the cruciform self The result is a bold and original view of what philosophical anthropology could look like if it took the scandal of the cross seriously instead of reducing it into general philosophical concepts

Pneumatology and Theology of the Cross in the Preaching of Christoph Friedrich Blumhardt Simeon Zahl, 2010-09-23 This book identifies the impasse between classical Protestant and contemporary charismatic and Pentecostal pneumatologies as a fundamental theological problem Its goal is to contribute a constructive pneumatological proposal for moving beyond this impasse based on the resources of the theology of Christoph Friedrich Blumhardt 1842 1919 The disagreement is over the question of unmediated experience of the Holy Spirit Luther s rejection of enthusiastic pneumatologies on the basis of a narrow concept of the mediation of the Word and a pessimistic anthropology became Protestant orthodoxy In relation to classical Protestantism the primary theological distinctive of charismatic theology is its strong affirmation of unmediated experience of the Spirit in Christian life and worship The Pentecostal movement s rapid growth in the past century has brought this difference to the fore Christoph Blumhardt s theology which integrates pessimistic anthropology and unmediated experience is well suited to exploring the impasse between the two theological traditions

The Writer and the Cross Darren J.N. Middleton, 2022-06-27 Spiritually engaged readers commonly look toward fiction to better understand the depth of a faithful life and Christians are no exception Many followers of Jesus value beautifully written deftly characterized and pulse quickening literary art that seems more satisfying than dry tedious doctrinal textbooks This book surveys 12 pieces of historical fiction that feature notable Christian thinkers They include an illustrated children s book about St Irenaeus of Lyons a novel about Martin Luther s Reformation a screenplay focusing on Dietrich Bonhoeffer and even a story about Pope Francis narrated in popular manga style Rather than arcane literary analyses this book provides thoughtful and sometimes painful interviews with the authors of the covered works Most interviewees are little known or emerging writers Some have published their work with a church or denominational press others with a major publishing empire or popular print on demand platforms Storytellers reflect on their literary choices and the contexts of their writing sharing what modern Christians can learn from historical religious fiction
