The Tutor And The Tyrant:

The Tutor and the Tyrant Sally Matthews, 2014-08-05 Although Miss Muffett had only done what was right she still found herself banished from her teaching position at Madame s Select School for Young Ladies Fortunately thanks to the efforts of the head mistress it was only until the furor died down When things were eventually forgotten then she could quietly return However until that time her only recourse was to be buried in the countryside for a year with a family who would like her to further the education of their invalid daughter Little does she know the quiet countryside will be anything but quiet and there will be plenty to keep her busy in her new position particularly from Nicholas Carter her student s older brother What he lacks in manners he more than makes up for with the most delightful kisses she has ever experienced Yet with her position in the household as neither servant nor peer kisses are not exactly a binding declaration She must draw the line but finds that difficult to do While she is sorting out her feelings becoming a victim of dalliance is hardly the only danger she faces while waiting for her sentence of solitude to end The Tutor and The Tyrant is a traditionally styled Regency novel which focuses primarily on the characters relationship and the development of their love but does contain the added element of a mystery There are no erotic scenes *The Tyrant's Etiquette Tutor* Hyla, 2023-06-15 Her quest for revenge could cost them everything else Their relationship now tested by war Livia struggles with the weight of revenge while Croft attempts to balance his devotion to the love of his life against his responsibilities as Emperor and to the safety of his people Will this couple find redemption and move on from their painful pasts Or will their love be torn apart by the flames of vengeance Find out in the epic finale of The Tyrant s Etiquette Tutor **The Tyrant's Heir (Desertera #3)** Kate M. Colby, 2017-08-08 Should a king inspire love or fear Lionel receives neither and it could cost him everything Lionel Monashe isn t ready to be king After ordering his father s execution and taking the throne he struggles to reconcile his royal duties with his compassionate nature His insecurity and inconsistent ruling lead prominent subjects to challenge his authority His main adversary is a self proclaimed prophet whose religious zealotry launches the kingdom into economic crisis and civil unrest When Lionel attempts to make peace he sparks even more discord and ignites the greatest tragedy in Desertera s history Blame for the disaster falls on Lionel and his enemies take full advantage Lionel must determine who he can trust before he loses his title and possibly his life Will Lionel save his crown Or will his enemies gain control of the kingdom Buy The Tyrant s Heir today to find out The third novel in the Desertera series The Tyrant s Heir portrays a desperate power struggle in an equally desperate dystopian world This political thriller will keep readers guessing until the end Desertera Series Order The Cogsmith s Daughter The Courtesan s Avenger The Tyrant s Heir The Queen s Revenge forthcoming *Tyrant's Sweetheart: Empress is Hot* Xin Yue, 2019-11-30 If not for her fear of harming the innocent she would have taken care of those robbers long ago However she didn t expect to be shot by those blind bullets She opened her eyes and thought that there were many holes in her body She didn t see any holes but a vulgar man was gnawing on her body He must be tired of living and wanted

to know who she was It was just that she didn't expect her life to be so tragic She didn't expect her life to be so tragic to be transported to the body of a violent and cruel empress to be hit by the emperor's husband Now she knew what it meant to be unable to refute a single thing

Tyranny and Theater in the Ancient World Anne Duncan, 2025-05-01 Exploring persistent connections between absolute rulers and dramatic performance in Greek and Roman drama and history Anne Duncan offers the reader a comprehensive insight into the juxtaposition between tyranny and theater in the Greco-Roman world From the mad kings of Greek and Roman tragedy to the relationships that Greek tyrants and Roman emperors cultivated with actors and playwrights absolute power has had an inescapably theatricalising effect on ruler and regime Traversing various Greco-Roman playwrights such as Euripides Sophocles and Seneca this book analyses the dangerous unstable tyrants of ancient tragedy alongside the dangerous unstable tyrants of ancient historiography in order to map out the ancient world's discourses about the allure and peril of absolute power Duncan argues that while any kind of political display has theatrical qualities it is tyranny that has an especially theatrical mode Her conclusion is that tyrants and playwrights began to influence each other over the course of Greco-Roman antiquity so that tragedy tyrants began to resemble real rulers and real rulers began to style themselves after tragedy tyrants each trying to tap into the other's power to command audiences

The Prince, His Tutor and the Ripper Deborah McDonald, 2014-07-15 Of the many attempts to discover Jack the Ripper's identity few omit the name of James Kenneth Stephen tutor to Queen Victoria's eldest grandson fondly known as Prince Eddy While Stephen superficially fit the profile investigators established was he really capable of the demented violence perpetrated by England's most famous serial killer This volume takes an in-depth look at the life and experiences of James Kenneth Stephen examining the relevant evidence and attempting to determine whether or not Stephen could actually have been involved in the Ripper murders Delving into what little is known of Stephen's early years the work discusses his relationship with his mother and his family's struggle with a hereditary mental illness It follows him through his formative years at Eton which he considered his true home and where he was introduced to the Greek notion of homosexuality The work's primary focus is Stephen's relationship with Prince Eddy who also became a suspect in the infamous London murders The way in which Stephen's life intertwined with those of Prince Eddy and Montague Druitt another Ripper suspect is examined in detail Other incidents of the fateful fall of 1888 and Stephen's final surrender to mental illness are also discussed Appendices contain Stephen's poetry and details regarding his family ancestry

Tyrant's Reborn Hot Wife Xie LiuYing, 2020-12-30 After her rebirth in order to completely avenged her past life she decided to become more and more unscrupulous But she did not know there is a man she had taken a fancy to in her previous life become addicted to her in this life He was the young commander of an empire that others had spoken of as being extremely powerful and aloof Yet he was competing against her so as to let her fall into his trap step by step and willingly spend the rest of her life with him he allowed her to cause trouble under his nose and behave atrociously above his head Young Marshal has two classic aphorisms
