

THE TWILIGHT OF EQUALITY?

NEOLIBERALISM, CULTURAL POLITICS,
AND THE ATTACK ON DEMOCRACY

LISA DUGGAN

The Twilight Of Equality

Damian A Gonzalez Salzberg

The Twilight Of Equality:

The Twilight of Equality? Lisa Duggan, 2012-04-03 By now we've all heard about the shocking redistribution of wealth that's occurred during the last thirty years and particularly during the last decade. But economic changes like this don't occur in a vacuum; they're always linked to politics. *The Twilight of Equality* searches out these links through an analysis of the politics of the 1990s, the decade when neoliberalism, free market economics, became gospel. After a brilliant historical examination of how racial and gender inequities were woven into the very theoretical underpinnings of the neoliberal model of the state, Duggan shows how these inequities play out today. In a series of political case studies, Duggan reveals how neoliberal goals have been pursued, demonstrating that progressive arguments that separate identity politics and economic policy, cultural politics and affairs of state, can only fail. Ultimately, *The Twilight of Equality* not only reveals how the highly successful rhetorical maneuvers of neoliberalism have functioned, but more importantly, it shows a way to revitalize and unify progressive politics in the U.S. today.

Queer Externalities W. C. Harris, 2009-09-10 Provocative take on the negative effects of increasing queer visibility and assimilation on the lives of queer people and politics in the U.S.

In and Out of View Catha Paquette, Karen Kleinfelder, Christopher Miles, 2021-09-09 In and Out of View models an expansion in how censorship is discursively framed. Contributors from diverse backgrounds, including artists, art historians, museum specialists, and students, address controversial instances of art production and reception from the mid-20th century to the present in the Americas, Africa, Asia, Europe, and the Middle East. Their essays, interviews, and statements invite consideration of the shifting contexts, values, and needs through which artwork moves in and out of view. At issue are governmental restrictions and discursive effects, including erasure and distortion, resulting from institutional policies, canonical processes, and interpretive methods. Crucial considerations concerning death, violence, authoritarianism, neo-colonialism, global capitalism, labor, immigration, race, religion, sexuality, activism, social justice, disability, campus speech, and cultural destruction are highlighted. The anthology, a thought-provoking resource for students and scholars in art history, museum, and cultural studies, and creative practices, represents a timely and significant contribution to the literature on censorship.

Sexuality and Transsexuality Under the European Convention on Human Rights Damian A. Gonzalez Salzgberg, 2019-02-07 This book undertakes a critical analysis of international human rights law through the lens of queer theory. It pursues two main aims: first, to make use of queer theory to illustrate that the field of human rights law is underpinned by several assumptions that determine a conception of the subject that is gendered and sexual in specific ways. This gives rise to multiple legal and social consequences, some of which challenge the very idea of universality of human rights. Second, the book proposes that human rights law can actually benefit from a better understanding of queer critiques, since queer insights can help it to overcome heteronormative beliefs currently held. In order to achieve these main aims, the book focuses on the case law of the European Court of Human Rights, the leading legal authority in the field of international human rights law. The use of queer theory as

the theoretical approach for these tasks serves to deconstruct several aspects of the Court's jurisprudence dealing with gender sexuality and kinship to later suggest potential paths to reconstruct such features in a queer er and more universal manner

The New Gay for Pay Julia Himberg, 2018-01-13 Television conveys powerful messages about sexual identities and popular shows such as Will how those practitioners operate within media conglomerates and perhaps most important how they contribute to commonsense ideas about sexuality

Beyond the Politics of the Closet Jonathan Bell, 2020-03-20 A collection of essays that demonstrate how LGBT people played critical roles in local state and national politics In the 1970s queer Americans demanded access not only to health and social services but also to mainstream Democratic and Republican Party politics The AIDS crisis of the 1980s made the battles for access to welfare health care and social services for HIV positive Americans many of them gay men a critically important story in the changing relationship between sexual minorities and the government The 1980s and 1990s marked a period in which religious right attacks on the civil rights of minorities including LGBT people offered opportunities for activists to create campaigns that could mobilize a base in mainstream politics and contribute to the gradual legitimization of sexual minorities in American society *Beyond the Politics of the Closet* features essays by historians whose work on LGBT history delves into the decades between the mid 1970s and the millennium a period in which the relationship between activist networks the state capitalism and political parties became infinitely more complicated Examining the crucial relationship between sexuality race and class the volume highlights the impact gay rights politics and activism have had on the wider American political landscape since the rights revolutions of the 1960s The three sections of *Beyond the Politics of the Closet* conceptualize LGBT politics both chronologically and thematically The first section highlights the ways in which the immediate post rights revolution period created new demands on the part of sexual minorities for social services especially in health care and housing The second examines the impact of the AIDS crisis on different aspects of national and local LGBT politics The last section considers how analyzing LGBT politics can reorient our understanding of the closet and illuminate the challenges for those seeking to integrate questions of sexual rights into broader political narratives whether of the left or the right Contributors Ian M Baldwin Katie Batza Jonathan Bell Julio Cap Jr Rachel Guberman Clayton Howard Kevin Mumford Dan Royles Timothy Stewart Winter

The War on Sex David M. Halperin, Trevor Hoppe, 2017-03-09 The past fifty years are conventionally understood to have witnessed an uninterrupted expansion of sexual rights and liberties in the United States This state of the art collection tells a different story while progress has been made in marriage equality reproductive rights access to birth control and other areas government and civil society are waging a war on stigmatized sex by means of law surveillance and social control The contributors document the history and operation of sex offender registries and the criminalization of HIV as well as highly punitive measures against sex work that do more to harm women than to combat human trafficking They reveal that sex crimes are punished more harshly than other crimes while new legal and administrative regulations drastically restrict who is

permitted to have sex By examining how the ever intensifying war on sex affects both privileged and marginalized communities the essays collected here show why sexual liberation is indispensable to social justice and human rights Contributors Alexis Agathocleous Elizabeth Bernstein J Wallace Borchert Mary Anne Case Owen Daniel McCarter Scott De Orio David M Halperin Amber Hollibaugh Trevor Hoppe Hans Tao Ming Huang Regina Kunzel Roger N Lancaster Judith Levine Laura Mansnerus Erica R Meiners R Noll Melissa Petro Carol Queen Penelope Saunders Sean Strub Maurice Tomlinson Gregory Tomso **Out**, 2006-02 Out is a fashion style celebrity and opinion magazine for the modern gay man

The Rainbow Ain't Never Been Enough Kaila Adia Story, 2025-05-13 A queer Black feminist debunks the myth of rainbow solidarity repositioning Black and Latinx LGBTQ people at the forefront of queer pasts presents and futures Your favorite Black queer studies professor Kaila Adia Story says the rainbow ain't never been enough in this introduction to the current state of queer intersectionality or lack thereof Story argues that to be queer is to be political and the carefully glittered facade of solidarity in the pride movement veils dangerous neoliberal ideals of apolitical queer embodiment The rainbow as a symbol of communal solidarity is a hollow offering when cis white LGBTQ people are allowed to opt out of divesting from white supremacy misogyny and transphobia The Rainbow Ain't Never Been Enough fills a necessary gap in our understanding of how racism transphobia and antiblackness operate in liberal spaces Black feminist and queer theorist Kaila Adia Story blends analysis pop culture and her lived experiences to explore the silencing practices of mainstream queer culture She touches on cornerstone issues of the movement like the whitewashing of queer history and commodification of pride celebrations the appropriation of the Black and Latinx ball scene and culture the racialized and gendered violence inflicted upon Black trans women the exclusion of the lives and work of activists like Marsha P Johnson Sylvia Rivera Storm DeLarverie and CeCe McDonald from queer history the lack of remembrance and respect for the lives of the Black and Latinx queer and trans people who have always been on the frontlines of queer liberation Expanding beyond the classroom Story utilizes her expertise as a scholar of queer theory to offer readers a comprehensive understanding of how racism operates in these spaces and what we can do to create a more equitable future Abolitionist Intimacies Eithne Luibhéid, 2025-04-18 In *Abolitionist Intimacies* Eithne Luibhéid examines writings by and about queer and trans identified migrants and allies who contest pervasive US immigration practices and work toward a future without detention deportation and border controls Luibhéid shows how these migrants and activists confront such controls by mobilizing intimacies forging close connections in order to survive in the present From forms of kinship beyond the heterosexual nuclear family to networks of solidarity intimacies allow queer and trans migrants and allies to challenge the infrastructures that support the deportation state proposed pathways to citizenship for undocumented migrants marriage as a means for legalization traffic interactions as a pipeline to deportation and queer and trans migrant detention In the process activists and theorists have advanced new visions and configurations of possible intimacies that not only challenge deportation but also rework what immigration

control and citizenship could mean By focusing on these abolitionist efforts as well as the publicly available records on queer and trans deportees Luibh id highlights the new understandings that emerge when the experiences of queer and trans people are centered

Pregnant on Arrival Eithne Luibhéid, 2013-08-01 State alert as pregnant asylum seekers aim for Ireland Country Being Held Hostage by Con Men Spongers and Those Taking Advantage of the Maternity Residency Policy From 1997 to 2004 headlines such as these dominated Ireland s mainstream media as pregnant immigrants were recast as illegals entering the country to gain legal residency through childbirth As immigration soared Irish media and politicians began to equate this phenomenon with illegal immigration that threatened to destroy the country s social cultural and economic fabric *Pregnant on Arrival* explores how pregnant immigrants were made into paradigmatic figures of illegal immigration as well as the measures this characterization set into motion and the consequences for immigrants and citizens While focusing on Ireland Eithne Luibh id s analysis illuminates global struggles over the citizenship status of children born to immigrant parents in countries as diverse as the United States Hong Kong and elsewhere Scholarship on the social construction of the illegal immigrant calls on histories of colonialism global capitalism racism and exclusionary nation building but has been largely silent on the role of nationalist sexual regimes in determining legal status Eithne Luibh id turns to queer theory to understand how pregnancy sexuality and immigrants relationships to prevailing sexual norms affect their chances of being designated as legal or illegal *Pregnant on Arrival* offers unvarnished insight into how categories of immigrant legal status emerge and change how sexual regimes figure prominently in these processes and how efforts to prevent illegal immigration ultimately redefine nationalist sexual norms and associated racial gender economic and geopolitical hierarchies

Moral Panics, Sex Panics Gilbert Herdt, 2009-06 This work focuses on case studies ranging from sex education to AIDS to race to illustrate how sexuality is at the heart of many political controversies

Sex and Sexuality within the Family Context R. Sooryamoorthy, Sampson Lee Blair, 2025-11-12 From the marital aspirations of sexual minority transgender young adults to the evolving intimacies of Indian women each chapter provides a unique perspective on how personal and societal factors shape sexual identities and relationships

Handbook of Cultural Politics and Education , 2010-01-01 In academia the effects of the cultural turn have been felt deeply In everyday life tenets from cultural politics have influenced how people behave or regard their options for action such as the reconfiguration of social movements protests and praxis in general Many authors writing in this field are known for their scholarship and social activism both of which are arguably guided by principles of cultural politics about the nature of representation and the deployment of power in political discourses The *Handbook of Cultural Politics and Education* is less an attempt to standardize contemporary educational scholarship and more a collection that engages the problems and promises of recent themes in social and cultural thought which require our attention and demand a response In other words it opens doors to questions rather than convenient answers to difficult educational dilemmas The *Handbook* is part of the appraisal of an opening created by interdisciplinary writings on such

themes as representation civil society cultural struggle subjectivity and media within the context of education Indeed cultural politics troubles traditional frameworks in search of critical explanations concerning education s place within society The contributions in the collection support this endeavor

Republic on the Wire John McMurria, 2017-02 The history of cable television in America is far older than networks like MTV ESPN and HBO which are so familiar to us today Tracing the origins of cable TV back to the late 1940s media scholar John McMurria also locates the roots of many current debates about premium television cultural elitism minority programming content restriction and corporate ownership Republic on the Wire takes us back to the pivotal years in which media regulators and members of the viewing public presciently weighed the potential benefits and risks of a two tiered television system split between free broadcasts and pay cable service Digging into rare archives McMurria reconstructs the arguments of policymakers whose often sincere advocacy for the public benefits of cable television were fueled by cultural elitism and the priority to maintain order during a period of urban Black rebellions He also tells the story of the people of color rural residents women s groups veterans seniors and low income viewers who challenged this reasoning and demanded an equal say over the future of television By excavating this early cable history and placing equality at the center of our understanding of media democracy Republic on the Wire is a real eye opener as it develops a new methodology for studying media policy in the past and present

The Rowman & Littlefield Handbook of Transgender Studies J. E. Sumerau, 2023-01-30 The Rowman Littlefield Handbook of Transgender Studies is a comprehensive yet concise overview of important issues themes and research on transgender people and populations Coupling both their scholarly expertise with their lived experiences the contributors tackle a full gamut of topics including medical care education coming out bathroom and military politics and possibilities and the creation of families The volume opens with an introduction from the editor who outlines her own journey and experience searching for information on transgender studies in the early 2010 s Since then the field has risen in prominence and is one of the fastest growing areas of research in gender studies Scholars and students alike will find this to be an accessible and essential primer on the societal forces that impact and shape the lives of transgender people

Queer Korea Todd A. Henry, 2020-02-21 Since the end of the nineteenth century the Korean people have faced successive waves of foreign domination authoritarian regimes forced dispersal and divided development Throughout these turbulent times queer Koreans were ignored minimized and erased in narratives of their modern nation East Asia and the wider world This interdisciplinary volume challenges such marginalization through critical analyses of non normative sexuality and gender variance Considering both personal and collective forces contributors extend individualized notions of queer neoliberalism beyond those typically set in Western queer theory Along the way they recount a range of illuminating topics from shamanic rituals during the colonial era and B grade comedy films under Cold War dictatorship to toxic masculinity in today s South Korean military and transgender confrontations with the resident registration system More broadly Queer Korea offers readers new ways of understanding the limits and possibilities of

human liberation under exclusionary conditions of modernity in Asia and beyond Contributors Pei Jean Chen John Song Pae Cho Chung kang Kim Timothy Gitzen Todd A Henry Merose Hwang Ruin Layoung Shin Shin ae Ha John Whittier Treat

The Queering of Corporate America Carlos A. Ball, 2019-11-12 An accurate picture of the LGBTQ rights movement's achievements is incomplete without this surprising history of how corporate America joined the cause Legal scholar Carlos Ball tells the overlooked story of how LGBTQ activism aimed at corporations since the Stonewall riots helped turn them from enterprises either indifferent to or openly hostile toward sexual minorities and transgender individuals into reliable and powerful allies of the movement for queer equality As a result of street protests and boycotts during the 1970s AIDS activism directed at pharmaceutical companies in the 1980s and the push for corporate nondiscrimination policies and domestic partnership benefits in the 1990s LGBTQ activism changed big business's understanding and treatment of the queer community By the 2000s corporations were frequently and vigorously promoting LGBTQ equality both within their walls and in the public sphere Large companies such as American Airlines Apple Google Marriott and Walmart have been crucial allies in promoting marriage equality and opposing anti LGBTQ regulations such as transgender bathroom laws At a time when the LGBTQ movement is facing considerable political backlash *The Queering of Corporate America* complicates the narrative of corporate conservatism and provides insights into the future legal political and cultural implications of this unexpected relationship

Queer Data Kevin Guyan, 2022-01-13 Data has never mattered more Our lives are increasingly shaped by it and how it is defined collected and used But who counts in the collection analysis and application of data This important book is the first to look at queer data defined as data relating to gender sex sexual orientation and trans identity history The author shows us how current data practices reflect an incomplete account of LGBTQ lives and helps us understand how data biases are used to delegitimise the everyday experiences of queer people Guyan demonstrates why it is important to understand collect and analyse queer data the benefits and challenges involved in doing so and how we might better use queer data in our work Arming us with the tools for action this book shows how greater knowledge about queer identities is instrumental in informing decisions about resource allocation changes to legislation access to services representation and visibility

Normal Life Dean Spade, 2015-07-23 Revised and Expanded Edition Wait what's wrong with rights It is usually assumed that trans and gender nonconforming people should follow the civil rights and equality strategies of lesbian and gay rights organizations by agitating for legal reforms that would ostensibly guarantee nondiscrimination and equal protection under the law This approach assumes that the best way to address the poverty and criminalization that plague trans populations is to gain legal recognition and inclusion in the state's institutions But is this strategy effective In *Normal Life* Dean Spade presents revelatory critiques of the legal equality framework for social change and points to examples of transformative grassroots trans activism that is raising demands that go beyond traditional civil rights reforms Spade explodes assumptions about what legal rights can do for marginalized populations and describes transformative resistance

processes and formations that address the root causes of harm and violence In the new afterword to this revised and expanded edition Spade notes the rapid mainstreaming of trans politics and finds that his predictions that gaining legal recognition will fail to benefit trans populations are coming to fruition Spade examines recent efforts by the Obama administration and trans equality advocates to pinkwash state violence by articulating the US military and prison systems as sites for trans inclusion reforms In the context of recent increased mainstream visibility of trans people and trans politics Spade continues to advocate for the dismantling of systems of state violence that shorten the lives of trans people Now more than ever Normal Life is an urgent call for justice and trans liberation and the radical transformations it will require

Enjoying the Song of Term: An Emotional Symphony within **The Twilight Of Equality**

In some sort of used by screens and the ceaseless chatter of quick transmission, the melodic beauty and emotional symphony created by the prepared term frequently fade into the backdrop, eclipsed by the persistent sound and disruptions that permeate our lives. But, nestled within the pages of **The Twilight Of Equality** a stunning literary treasure overflowing with natural feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, that fascinating masterpiece conducts viewers on a mental journey, well unraveling the hidden melodies and profound affect resonating within each cautiously crafted phrase. Within the depths of this touching review, we can examine the book is main harmonies, analyze its enthralling writing fashion, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

The Twilight Of Equality Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Twilight Of Equality PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency

saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Twilight Of Equality PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Twilight Of Equality free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Twilight Of Equality Books

What is a The Twilight Of Equality PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Twilight Of Equality PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Twilight Of Equality PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Twilight Of Equality PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Twilight Of Equality PDF?**

Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
