Girls in Contemporary Vampire Fiction Agnieszka Stasiewicz-Bieńkowska, 2021-05-08. This book explores the narratives of girlhood in contemporary YA vampire fiction, bringing into the spotlight the genre's radical, ambivalent and contradictory visions of young femininity. Agnieszka Stasiewicz-Bieńkowska considers less explored popular vampire series for girls, particularly those by P. C. and Kristin Cast and Richelle Mead, tracing the ways in which they engage in larger cultural conversations on girlhood in the Western world. Mapping the interactions between girl and vampire corporealities, delving into the unconventional tales of vampire romance and girl sexual expressions, examining the narratives of women and violence and venturing into the uncanny vampire classroom to unmask its critique of present-day schooling, the volume offers a new perspective on the vampire genre and an engaging insight into the complexities of growing up a girl.
