The Ultimate Medicine Dialogues With A Realized Master:

The Ultimate Medicine Sri Nisargadatta Maharaj, 2011-07-12 The Ultimate Medicine is not for those who like their spirituality watered down but for serious students searching for awareness Sri Nisargadatta Maharaj 1897 1981 lived and taught in a small apartment in the slums of Bombay A realized master of the Tantric Nath lineage he supported himself and his family by selling cheap goods in a small booth on the streets outside his tenement for many years His life exemplified the concept of absolute nonduality of being In this volume Maharaj shares the highest truth of nonduality in his own unique way His teaching style is abrupt provocative and immensely profound cutting to the core and wasting little effort on inessentials His terse but potent sayings are known for their ability to trigger shifts in consciousness just by hearing or reading them The point is that man freed from his fetters is morality personified Such a man therefore does not need any moralistic injunctions in order to live righteously Free a man from his bondage and thereafter everything else will take care of itself On the other hand man in his unredeemed state cannot possibly live morally no matter what moral teaching he is given It is an intrinsic impossibility for his very foundation is immorality That is he lives a lie a basic contradiction functioning in all his relationships as the separate entity he believes himself to be whereas in reality no such separation exists His every action therefore does violence to other selves and other creatures which are only manifestations of the unitary consciousness So Society had to invent some restraints in order to protect itself from its own worst excesses and thereby maintain some kind of status quo The resulting arbitrary rules which vary with place and time and therefore are purely relative it calls morality and by upholding this man invented idea as the highest good oftentimes sanctioned by religious revelation and scriptures society has provided man with one more excuse to disregard the quest for liberation or relegate it to a fairly low priority in his scheme of things
