W. Burke, 2017-09-20 Musette Lefvre a peasant girl from a French

provincial village abandoned by her father after the death of her mother is put into the care of the local priest Childhood traumas force her to flee to the capital where the anonymity of eighteenth century Paris encourages her capricious and impetuous nature She delights in the follies and allegiances of a city dancing toward the madness of revolution The Executioner's Daughter tells the story of this young woman who initially enjoys a privileged life in the great city supported by a wealthy guardian The famous seamstress Mademoiselle Bertin employs her and through that engagement Musette meets Queen Marie Antoinette The young woman enjoys the friendship and protection of several influential figures of the day Her life is good but then fate entangles her in a brutal world and she must fight for her survival Taken hostage and held in the horrifying beggars slum called the Cour des Miracles Musette is robbed degraded and threatened with rape She manages to kill her oafish guard and escape on foot merging inconspicuously with the turbulent crowds of people inflamed by revolutionary rhetoric and intent on capturing the dreaded Bastille The revolution had started and France teeters on the edge of an abyss Unwittingly she becomes involved in upheavals that threaten her life and liberty She spends time in prison for protecting the daughter of an migr and as daily life crumbles she seems set on a path of self destruction unable to extricate herself from the dangerous entanglements of revolutionary Paris During the storming of the Tuileries Palace Musette and her friends are captured and confined in the dreaded La Salpêtrière prison Later during the taking of that prison

and the accompanying massacre she escapes the turmoil of the city and flees to the countryside where she eventually finds refuge with a caring elderly couple. She is safe at last but of her friends in Paris she has no news. The past had scarred her heart and she wondered if she could ever build a future for herself. *Sunburn* Darren Dash, 2015-04-13. When three friends go on holiday to Bulgaria protecting themselves from sunburn is their only real concern but when they run into a nightmarish beast unlike any they've ever imagined in the forested hills far from civilization their vacation becomes a savage fight for survival. The beast licked its upper lip teasing dried flakes of blood remembering other bright nights when it had hunted and killed and wallowed in thick red juices. The beast could manoeuvre in total darkness but preferred nights like this when it could see the blood dripping from its fingers the terror in the eyes of its victims its guts shifting sinuously as it ripped with its fangs and swallowed. Not for the faint of heart or weak of stomach *Sunburn* will introduce you to a monster like none you've seen before. The question is will you survive the encounter or will your torn flesh and splintered bones be added to the scattered remains in the creature's rat-ridden underground lair. **REVIEWS** The story flows like a dream and the characters are diverse, divisive and distinct. Mr Dash can not only create a thrilling horror but the kinds of characters, depth and quality with which he completes the novel bring it to a much higher level. *Sunburn* is engaging, horrific and visceral, interesting and truly well-written. Matthew R Bell's Book Blog Bonanza Vivid and unrelenting. Dash fully realizes the unnamed monster in all of its grotesque imposing physicality the novel offers captivating tension and brutal gory fun. Kirkus Reviews I cannot go on enough about the book how great it is and how entertaining. This is an author who knows how to make the readers laugh, cry and scream in terror. To call this a must read is an understatement. Kelly Smith Reviews A well-written and disturbing piece of fiction that explores relationships and delves into the deepest corners of the human mind. The plot reads like an international horror movie enticing the reader with a series of detailed and comedic chapters before exploding into a vision of blood-chilling gore. Books Films Random Lunacy This demonic masterpiece does not disappoint even the biggest of horror fans. Crossing Pixies A violent culmination of love, friendships, hilarity, thrill, horror and sex. Isn't that what we all want from a good book? *Sunburn* literally had me completely HOOKED. A brilliant and thrilling read. Chase That Horizon The elements of classic horror are very much present here. *Sunburn* held me firmly in the moment demanding my full attention right to the very last page. Thoughts Of An Overactive Imagination Darren Dash builds up the suspense with skillful pacing and a healthy dose of literary restraint wisely refraining from indulging in the most horrific and grotesque elements of the plot until the reader has become invested in the characters. The result is a horror novel that is suspenseful, fun to read and at times very gruesome indeed. It also contains some very good reasons for never forgetting to wear sunscreen. Safie Maken Finlay author of *The Galian Spear*. Like the *Hostel* films they have a lot of set up and then shizzle hits the fan and then hits it again for good measure. *Dark Readers* [Archibald Lox and the Rubicon Dictate](#) Darren Shan, 2021-09-01.
