Ticket to the Limit Randy Cohen, 2009-10 The story of the founder and CEO of TicketCity who talks about the importance of work life balance as part of any successful life Railroad Ticket Scalping United States. Congress. Senate. Committee on the Judiciary, 1924 *Ticket Scalping* Kerry Segrave, 2006-11-15 Ticket scalping is as much an American staple as apple pie Beginning as early as the mid 1800s scalpers known as sidewalk men were charging all the traffic would bear for event tickets Although these speculators were generally viewed as pariahs and public opinion was against the practice legal attempts to limit their activities were far from successful Boston enacted laws as early as 1873 while Pennsylvania followed suit in 1884 Still such measures did little good since some laws were declared unconstitutional and for the ones that were upheld the fines were negligible with jail time rarely served Over the years as moral objections to scalping dimmed the public became more tolerant as the practice became increasingly prevalent By the 1990s the capitalist mantras of free market and economic principles of supply and demand were even being used to justify the practice This volume details the ways in which scalping has changed over the years from a one man business to an agency controlled enterprise from performances by Jenny Lind to Billy Joel The book examines the general situation public opinion and legal perception of scalping for four distinct periods 1850 1899 1900 1917 1918 1949 and 1950 2005 Emphasis is placed on the ways in which public and legal perception of the practice has evolved over this period Scalping slowly gaining a more positive status has become more accepted as part of the economic practice of free markets Indian & Eastern Railways ,1929 **The Southern Reporter** ,1919 **Suburban Stations and Rural Homes on the Pennsylvania Railroad** Pennsylvania Railroad, 1875 **The Revisionaries** A. R. Moxon, 2019-12-03 A modern day classic Ron Charles Washington Post A spectacular invention The New York Times Compulsively readable NPR Things do not bode well for Father Julius A street preacher decked out in denim robes and running shoes Julius is a source of inspiration for a community that knows nothing of

his scandalous origins But when a nearby mental hospital releases its patients to run amok in his neighborhood his trusted if bedraggled flock turns expectantly to Julius to find out what s going on Amid the descending chaos Julius encounters a hospital escapee who babbles prophecies of doom and the growing palpable sense of impending danger intensifies as does the feeling that everyone may be relying on a street preacher just a little too much Still Julius decides he must confront the forces that threaten his congregation including the peculiar followers of a religious cult the mysterious men and women dressed all in red seen fleetingly amid the bedlam and an enigmatic smoking figure who seems to know what s going to happen just before it does The Revisionaries is a wildly imaginative masterfully rendered and suspenseful tale that conjures the bold outlandish stylishness of Thomas Pynchon Margaret Atwood and Alan Moore while being unlike anything that s come before
