The Tower of Geburah John White, 1978 Left at home by themselves one snowy evening three youngsters enter the magical kingdom of Anthropos. *When the Spirit Comes with Power* John White, 2009-09-20 John White has extensively interviewed many people including those from John Wimber's Vineyard Christian Fellowship. His years of work as a psychiatrist and as a missionary in the Third World qualify him in a special way to analyze the experiences described in this book. In addition, he has thoroughly studied revivals of the past, highlighting the differences and the similarities to what is happening today. As always, John White remains thoroughly biblical as he handles many controversial topics. The result is a book full of practical wisdom and remarkable insight with conclusions that are fresh and surprising. **Read for Your Life**

Gladys Hunt, Barbara Hampton, 1992 Most teens already know what wealth and just plain fun books contain. What is sometimes missing is the encouragement to make time for reading in the middle of a busy life. Getting excited about books is contagious, and so is the reading habit. The whole family needs all the encouragement it can get, especially teenagers. *Read for Your Life* is more than inspiration to read. Gladys Hunt discusses how to read a book, what makes a good book, what questions to ask, and how to discern between good, better, and best. She has a way of making you want to read while helping you to make the most of the opportunity. To help you choose what to read, Barbara Hampton has reviewed more than 300 books. Her recommendations run the gamut from classics like *A Tale of Two Cities* to contemporary fiction like *A Ring of Endless Light* from literary greats like Sir Arthur Conan Doyle and Alan Paton to moderns like Katherine Paterson and Chaim Potok. The book contains pointers on becoming a more perceptive reader, tips on how to enjoy poetry, fantasy, and fiction, an annotated list of over 300 book recommendations, hundreds of plot synopses, a complete index to authors and titles. **Contemporary**

Christian Authors Janice DeLong, Rachel E. Schwedt, 2000 Finally a summary section provides a brief synopsis of at least one title representative of the author's style, and several of the writers have provided personal annotations of their works.
