This introductory creative writing text uses a unique multi genre approach to provide students with a broad based knowledge of their craft treating them as professional writers Beginning by discussing elements common to all genres this book underscores the importance of learning good writing habits before committing to a genre encouraging writers to look beyond their genre expectations and learn from other forms The book then devotes one chapter to each of the major literary genres fiction poetry drama and creative nonfiction These style specific sections provide depth as they compare the different genres furnishing students with a comprehensive understanding of creative writing as a discipline and fostering creativity The discussion concludes with a chapter on digital media and an appendix on literary citizenship and publishing With exercises at the end of each chapter a glossary of literary terms and a list of resources for further study A Writer s Craft is the ideal companion to an introductory creative writing class It has been listed as one of the Best Books for Writers by Poets and Writers magazine **The Author Training Manual** Nina Amir,2014-03-18 If you want to write a book that s going to sell to both publishers and readers you need to know how to produce a marketable work and help it become successful It starts the moment you have an idea That s when you begin thinking about the first elements of the business plan that will make your project the best it can be The reality is that you don t want to spend time and energy writing a book that will never get read

The way to avoid that is to create a business plan for your book and evaluate it and yourself through the same lens that an agent or acquisitions editor would. The Author Training Manual will show you how to get more creative and start looking at your work with those high standards in mind. Whether you're writing fiction or non-fiction or intend to publish traditionally or self-publish, author Nina Amir will teach you how to conduct an effective competitive analysis for your work and do a better job at delivering the goods to readers than similar books that are already on the shelf. Packed with step-by-step instructions, idea evaluations, sample business plans, editor and agent commentaries, and much more, The Author Training Manual provides the information you need to transform from aspiring writer to career author.

Insights on Literary Journalism Kevin M. Lerner, 2024-12-30 Bringing together ten chapters by some of the most important scholars of literary journalism around the world, this book covers a range of topics that are key to understanding the role of literary journalism as both a practice and a topic of academic study. Beginning with an introduction that situates literary journalism in its historical context, the chapters go on to address the basic definitional problem of literary journalism, the rhetorical strategies of literary journalists, the negotiated roles of subjects and storytellers, gender, geography, the role of literary journalism in fostering the public imagination, and the role of literary journalism in education. The chapters draw on contemporary and relatable case studies which help readers link broader themes with their practical applications. This volume concludes with an Afterword by Bill Reynolds, editor of *Literary Journalism Studies*, which reflects on the preceding chapters and critically on the direction in which the field is heading in the near future. *Insights on Literary Journalism* is highly recommended reading for advanced scholars and researchers of Literary Journalism as well as Literature and Media History.

Writers and Their Notebooks Diana M. Raab, 2022-04-13 Personal reflections on the vital role of the notebook in creative writing from Dorianne Laux, Sue Grafton, John Dufresne, Kyoko Mori, and more. This collection of essays by established professional writers explores how their notebooks serve as their studios and workshops, places to collect, to play, and to make new discoveries with language, passions, and curiosities. For these diverse writers, the journal also serves as an ideal forum to develop their writing voice, whether crafting fiction, nonfiction, or poetry. Some include sample journal entries that have since developed into published pieces. Through their individual approaches to keeping a notebook, the contributors offer valuable advice, personal recollections, and a hearty endorsement of the value of using notebooks to document, develop, and nurture a writer's creative spark.

Write Choices Sue Hertz, 2015-02-16 Developing narrative nonfiction writers at any stage of their career. *Write Choices: Elements of Nonfiction Storytelling* helps writers cultivate their nonfiction storytelling skills by exploring the universal decisions writers confront when crafting factual narratives. Rather than isolating various forms of narrative nonfiction into categories or genres, Sue Hertz focuses on examining the common choices all true storytellers encounter, whether they are writing memoir, literary journalism, personal essays, or travel stories. *Write Choices* also includes digital storytelling. No longer confined to paper, today's narrative nonfiction writers must learn to write for electronic media, which may also demand photos.

videos and or audio Integrating not only her own insights and experience as a journalist nonfiction book author and writing instructor but also those of other established nonfiction storytellers both print and digital Hertz aims to guide emerging writers through key decisions to tell the best story possible Blending how to instruction with illuminating examples and commentaries drawn from original interviews with master storytellers Write Choices is a valuable resource for all nonfiction writers from memoirists to essayists to literary journalists at any stage of their career *Writing for Bliss* ,2017-09-01
