The Twin Souls Love For An Eternity:

The Twin Souls: Love for an Eternity Holly Newhouse, 2014-11-23 A person can have many soul mates in a lifetime but each person has only one twin soul in each life This belief taught to me by my grandmother is one that has always filled me with wonder As a young child she often sat next to me in front of the fire blazing brightly in our tipi and spoke of the legend of the twin souls The legend is as old as creation itself It is said that as the creator was making human beings he was surrounded by souls to place in them The creator decided to take a single soul and split it in half creating twin souls He then took the two twin souls and touched them together as light as a butterfly s kiss The twin souls were then separated and placed respectively into man and woman The creator lightly touched them together so that when they meet one day they will recognize the other s soul as their twin This is because they have already met at the beginning of creation and will immediately feel as if they have known each other forever I am Sumanitu taka kici mani wiya which means she who walks with the wolf and live with my elderly grandmother Shetawahki who is a revered elder and medicine woman of the Lakota Sioux Nation and part of the Roaming Wolf Sioux Tribe

The Timeless Love of Twin Souls Janet Kay Darling, Phillip George, 2014-06 A truly amazing story which shows how love transcends all time A personal testament to the fact that love is eternal that love endures and does not die when the physical body does Love transports us through all of our journeys but we need to remember this Twin soul love is powerful and a part of every individual where each of us seeks to find what we feel to be missing But how do you know when it s found How can you be sure about love when you have forgotten how it truly feels When two people discover their twin soul love for one another not only in this lifetime but also remember it from a previous lifetime then they can guide us all Finding love understanding love as well as appreciating our true self for who we really are continues to be shrouded in the mystery of our day to day earthly existence This enduring lack of understanding only serves to perpetuate an unwarranted sense of incompleteness and loneliness deep within us which all too often gives rise to feelings of fear despair and discontent So as a consequence we experience an insatiable desire to search for a mystifying something which we somehow instinctively know we need but have little or no idea where to even begin looking Concealed within this dilemma and even more perplexing lies the concept of our eternal soul This elemental but powerful you resides unacknowledged at the core of your very being while remaining seemingly silent as you journey in search of your ultimate happiness This subject alone has occupied the minds of philosophers throughout the ages but to be aware that we have another aspect to compliment our earthly existence is as intriguing as it is confusing To appreciate that each soul is but one half of its twin gives rise to an important insight into what motivates our need to do the things that we do or to search for what we feel driven to find This remarkable story tells of two people Ron and Janet who not only found each other in this lifetime but were also together in a previous and very dramatic lifetime while being caught up in the revolutionary war which ultimately gave birth to the USA of today Through following their experiences trials traumas and triumphs plus journeys into

the afterlife you will learn more about not only how they discovered themselves to be twin souls but how important this whole subject is and what it means to you In trying to figure out what compels you to do the things that you do while making the choices that you do then having an appreciation of the twin soul that you are brings an extra dimension of clarity Through coming to know yourself better then this inevitably leads to discovering your path towards your greatest happiness while attracting and expressing the love which you so dearly wish to experience along the way While reading an entertaining story you will find yourself being drawn in to a process which poses many questions about the life that we lead as well as what makes you who you are Combining real life experience with that of a fascinating journey into a world which we have virtually no understanding of then you will be led towards a greater appreciation of the love which is so important to you Love for an Eternity Holly J. Newhouse,2013-12-20 This is the story of the meeting of two soul mates who go through tragic events to be together who have been blessed by the Great Spirit Walk side by side with She who walks with the wolf and her life mate Shadow Hawk as they meet for the first time under unusual circumstances then as he fights to become a part of her wolf pack family See if their love can stand the test of time in this life and in the next The Twin Souls is a vivid and intense novel comprised of two stories set in two Native American tribes It is full of suspense and drama and is about the difficult circumstances under which lovers meet and the challenges they face later on due to sadistic people who target the heroines There is a deeply spiritual way in which Holly Newhouse depicts her heroines They both are extremely self sacrificing caring and also brave Their male counterparts are protective archetypal heroes with soft hearts The twists in the story are gripping and the situations are very believable making this work potentially popular in the historical and cultural genres The narrative emphasises the theme of twin souls their instant recognition and desperate desire to be with each other against all odds Newhouse paints romance effortlessly in such a way as to allow it to be realistic passionate bold and transcendental There is a wonderful closeness and merging that is achieved and readers interested in close romance will enjoy the special qualities conferred on the characters such as being able to feel each other s emotions and thoughts and being able to transfer pain when needed Newhouse also handles love from other relationships such as brotherly fatherly and motherly love with sincerity realism and compassion The book is artistic and spiritual without compromising on suspense and passion This is a wonderful combination and I highly recommend this book to anyone interested in a bold cultural romance which is not pretentious and yet contains important ideals regarding the spiritual concept of male and female twin souls Reviewed By Nandita Keshavan for Readers Favorite on February 5 2015 Review Rating 5 stars <https://readersfavorite.com/book-review/the-twin-souls> *Edgar Cayce and the Eternal Feminine* Lynn Rogers,2004-05 Rogers explores the Eternal Feminine and Edgar Cayce From Creation Myths Twin Souls and Goddess practices Rogers offers insight into the causes of oppression of women in search of gender justice Rogers presents the Circle of Light Ritual and interviews engaged in The Work This book is a shining star **Your Twin Soul Journey** Monica Grace,2020-09-16 Your twin soul or twin flame is your person the one your
