Guitar Music Theory: Fast Track Your Guitar Skills With This Essential Guide to Music Theory & Songwriting For The Guitar. Includes, Songs, Scales, Chords and Much More Tommy Swindali, Too many people start with bad guitar lessons, get frustrated, and give up. Local guitar teachers seem like a great option at first, but you could risk getting stuck with a wannabe rock star who can't really teach you. Or you could try reading, but most books are far too bulky and will leave you no better than where you started. Strumming a chord or two is not enough, nor is shredding a mindless solo piece. If you do not understand the essentials of music theory, you will never learn to truly play the guitar. Music theory can be complicated, and the biggest hurdle any guitarist faces at the start is understanding what they are seeing. The solution isn't to avoid, but to learn and to face the challenge head-on. These concepts are not hard to understand. In this book, you will be provided with the information you need to get started and to take your guitar skills to the next level. I will be focusing only on the essential
