Kuther,2004 In *Graduate Study in Psychology Your Guide to Success* author Tara Kuther takes the reader step by step through the graduate admissions process She begins with posing the question of whether graduate school is right for everyone and the differences between pursuing a master s degree or a doctoral degree The following chapters contain information regarding what graduate school is like how to evaluate and choose the right graduate program for you and what graduate schools are looking for in an applicant Kuther also addresses how to improve an applicant s chances of getting selected for graduate school by improving credentials and obtaining research and applied experience during college This book offers advice on how to seek financial aid to fund graduate education and a timetable for complying with admission application requirements There are chapters that detail how to study for the Graduate Record Exam how to write an admissions essay how to prepare for interviews and how to ask for letters of recommendation Each chapter concludes with tips from graduate students about each challenge encountered *Graduate Study in Psychology* closes with an appendix of resources and recommended readings and websites to help the reader at each stage of choosing applying to and succeeding in graduate school *Playing the Game* Fredrick Ulster Frank,C. Karl Stein,2004 This book is lewd rude and superb Frank and Stein have written the first guide to grad school from a student s point of view and the result is an irreverent humorous and USEFUL book of advice These foul mouthed sages will help you get through a master s or doctoral program more quickly with fewer blunders and less angst I plan to recommend this book to all the graduate students I coach and teach Mary

McKinney Ph D Clinical Psychologist and Dissertation Coach <http://www.successfulacademic.com> Yes sports fans er grad school fans Bad boys Fred and Karl are back with an updated version of their best selling self help guide for grad students This New and or Improved Version is stocked with additional content more lame attempts at humor and a lower price Karl

threatened to moon the publisher unless his demands were met Written with the attitude of a couple ill mannered schoolboys who exhibit the insight and genius of the Ph D s who wrote it Playing the Game simplifies even the most complex aspects of grad school Authors Frank and Stein have broken down Playing The Game into three hilarious and straightforward sections Getting In Getting Through and Getting the Hell Out In whatever stage of graduate school you find yourself rest assured that you will never again grumble If only I had known If only someone had explained this % to me sooner Playing the Game simplifies the entire graduate school experience while imparting comically relevant stories and translating complicated graduate school jargon This self help guide helps grad students to comprehensively navigate their graduate school journey from application to matriculation Unlike most of the material you ll be reading in grad school Playing the Game is actually intelligible [www playing the game com](http://www.playingthegame.com) **LearningExpress's GRE Test Success in Only 5 Steps!**.
