What Are Your Treasures? Cindy Barry Strobel,2015-11-04 But store up for yourselves treasures in heaven Where moths and vermin do not destroy and where thieves do not break in and steal For where your treasure is there your heart will be

Matt 6 20 21 KJV Do you fear death even though you are a believer Fear is conquered by the knowledge that you understand the question Witness how I answered the soul searching question that Jesus asked me when I was found blue without a heartbeat at the age of nineteen This faith affirming true account of how I walked through heaven is here for your instruction and education My tale of an angler and his catch on the bank of the river of life may make you realize that even the fish stories are true in the afterlife The sights and sounds of the great plaza just beyond the Pearly Gates can inspire deep reflection on your expectations based on the accounts you have read before The first encounter with Jesus reveals aspects of the Lord to modify your vision of the Shepherd as he tends his flock in His own delightful way The indescribable sights were boundless as I entered through the massive doors to the mansion that He had prepared for me Hear how I reacted when I saw my name written in the Book of Life Inspired by the grace of God these connections and recollections were revealed

during my struggles as God guided me down life's untraveled roads Follow the revelations of my multiple births rebirths the beauty of death and how I found true treasures I pray that you don't miss this miraculous story and be the one who is forgotten and left behind No one likes to carry their own boots and saddle during life's difficult challenges **Attentive to God** Charles M. Wood, Ellen Blue, 2011-12-01 How the pastor reads a situation theologically will define the possibilities for ministry now and for the church's future The pastor's theological lens affects every ministry task This book introduces students to the importance of theological reflection It tells them why theological reflection is crucial to who they are and what they do and it shows them how they can acquire and strengthen their capacity for theological attentiveness Central to Wood and Blue's approach is the conviction that pastoral character and pastoral practice are mutually formative Also through the practice of ministry the pastor's identity is both continually discovered and continually worked on and worked out All pastors must integrate who they believe themselves to be and who they believe God is to be effective leaders

Silence and Other Surprising Invitations of Advent Enuma Okoro, 2012-09-01 Usually when we think of the Advent story Mary Joseph and the angel Gabriel come to mind Okoro approaches Advent a little differently inviting us to sit for a while with Zechariah and Elizabeth and the story of how they came to bear their only son John The Advent story we so often associate with the joy of Christmas actually begins with deep sorrow and longing But thankfully in the kingdom of God there is always more to the story than meets the eye Enuma Okoro writes Zechariah and Elizabeth were good people They had maintained faith and hope in God for many years despite Elizabeth's inability to conceive a condition considered shameful in their time So they were quite familiar with the universal human experiences of longing and waiting Even though this couple's story takes up only one chapter in Luke's Gospel it contains enough lessons about faith and life to last for weeks In her beautifully written imaginative meditations for each day of Advent Okoro looks closely at the doubts and longings of Zechariah and Elizabeth As you explore their story Okoro guides you to reflect on your own experiences of waiting and longing of grief and the need for community and of hungering for God These poetic and poignant meditations will linger with you long after Christmas Reflection questions and a prayer challenge accompany each week's meditations A perfect book for individual or group study **The Real Name of God** Rabbi Wayne Dosick, 2012-05-29 Reveals the real whole name of God and its place within each of us Explains how none of the God names commonly used in the Bible is God's real name Shows how the real name of God unites all religions from both West and East Includes spiritual techniques prayers poems and meditative chants to bring each of us into deep personal intimate living relationship with God Of the many names of God commonly used in the Bible and other sacred literature none is God's real name Every God name including YHWH reflects only one of God's many aspects such as the loving creator the militaristic authoritarian or the all-knowing judge None embodies the wholeness the totality the full Essence of God Who then are we to speak to when we seek God If you can't truly know something until you know its name how can we truly know God The culmination of years of translation research and

etymological investigation Rabbi Wayne Dosick's work digs through many layers of presumption and deeply ingrained beliefs to reveal the real name of God hiding in plain sight in the Bible Anochi He shows how this sacred name unites all religions both of the West and the East The name Anochi enables us to finally meet the whole complete real God both the grand God of the vast universe and the God of breath soul and heart who dwells within each of us This in depth exploration of God's name includes spiritual techniques poems guided prayers and meditative chants to bring each of us into personal intimate and purposeful relationship with God By knowing the real name of God we can affirm the connection to the Divine at the core of our being We can touch the face of God that resides deep within us all *The United Methodist Music & Worship Planner*
