The Unveiled Christ Of Revelation From Now To Eternity:

Commentary on St. Paul's Epistle to the Romans Frédéric Louis Godet, 1883 **Commentary on st. Paul's Epistle to the Romans, tr. by A. Cusin** Frédéric Louis Godet, 1881 *Churches and the Crisis of Decline (Ministry in a Secular Age Book #4)* Andrew Root, 2022-03-01 Named One of Fifteen Important Theology Books of 2022 Englewood Review of Books

Congregations often seek to combat the crisis of decline by using innovation to produce new resources But leading practical theologian Andrew Root shows that the church's crisis is not in the loss of resources it's in the loss of life and that life can only return when we remain open to God's encountering presence This book addresses the practical form the church must take in a secular age Root uses two stories to frame the book one about a church whose building becomes a pub and the other about Karl Barth Root argues that Barth should be understood as a pastor with a deep practical theology that can help church leaders today Churches and the Crisis of Decline pushes the church to be a waiting community that recognizes that the only way for it to find life is to stop seeing the church as the star of its own story Instead of resisting decline congregations must remain open to divine action Root offers a rich vision for the church's future that moves away from an obsession with relevance and resources and toward the living God This is the fourth book in Root's Ministry in a Secular Age series

God the Eternal Contemporary Adrian Langdon, 2012-04-27 The relation of the eternal God

to time and history has perplexed theologians and philosophers for centuries How can Christians describe a God who is distinct from time but acts within it This book presents one creative and profound approach to this perennial theme by examining the theology of Karl Barth Contrary to interpretations of Barth that suggest he held a view of eternity as abstracted from time and history this comprehensive study suggests that he provides a more complex and fruitful understanding Rather than defining eternity in a negative relation to time Barth relates eternity and time with reference to such doctrines as the Trinity and incarnation This ensures overcoming what he saw as the Babylonian Captivity of an abstract philosophical definition of eternity that developed in the Western tradition The central argument of the book suggests an *analogia trinitaria temporis* a basic analogy between the eternal being of God and God's creating and activity within time Also implicit in Barth's view is a narrative view of time similar to the view of Paul Ricoeur which unfolds as the Church Dogmatics develops

Freedom and Necessity in Modern Trinitarian Theology Brandon Gallaher, 2016-09-02 Freedom and Necessity in Modern Trinitarian Theology examines the tension between God and the world through a constructive reading of the Trinitarian theologies and Christologies of Sergii Bulgakov 1871 1944 Karl Barth 1886 1968 and Hans Urs von Balthasar 1905 1988 It focuses on what is called the problematic of divine freedom and necessity and the response of the writers Problematic refers to God being simultaneously radically free and utterly bound to creation God did not need to create and redeem the world in Christ It is a contingent free gift Yet on the other side of a dialectic he also has eternally determined himself to be God as Jesus Christ He must create and redeem the world to be God as he has so determined In this way the world is given a certain free necessity by him because if there were no world then there would be no Christ A spectrum of different concepts of freedom and necessity and a theological ideal of a balance between the same are outlined and then used to illumine the writers and to articulate a constructive response to the problematic Brandon Gallaher shows that the classical Christian understanding of God having a non necessary relationship to the world and divine freedom being a sheer assertion of God s will must be completely rethought Gallaher proposes a Trinitarian Christocentric and cruciform vision of divine freedom God is free as eternally self giving self emptying and self receiving love The work concludes with a contemporary theology of divine freedom founded on divine election

Fulfillment of Prophecy

Gary Gallant, 2023-08-30 Many believers neglect to study the Old Testament because they find it confusing or because they assume that it is less important to the Christian faith than the New Testament We cannot understand Jesus or His gospel without a proper grounding in the Old Testament Scriptures Thus we need to read and study the whole counsel of God Let us not neglect the study of either testament Unique among all books ever written the Bible accurately foretells specific events in detail many years sometimes centuries before they occur Approximately 2 500 prophecies appear in the pages of the Bible about 2 000 of which already have been fulfilled to the letter no errors The remaining 500 or so reach into the future and may be seen unfolding as days go by Since the probability of any one of these prophecies having been fulfilled by chance averages less than one in ten figured very conservatively and since the prophecies are for the most part independent of one another the odds for all these prophecies having been fulfilled by chance without error is less than one in 102000 that is 1 with 2 000 zeros written after it God is not the only one however who uses forecasts of future events to get people's attention Satan does too Through clairvoyants such as Jeanne Dixon and Edgar Cayce mediums spiritists and others come remarkable predictions though rarely with more than about 60 percent accuracy never with total accuracy Messages from Satan furthermore fail to match the details of Bible prophecies nor do they include a call to repentance The acid test for identifying a prophet of God is recorded by Moses in Deuteronomy 18 21 22 According to this Bible passage and others God's prophets as distinct from Satan's spokesmen are 100 percent accurate in their predictions There is no room for error The New Testament indicates that what happened at the cross and on it was what the prophets had predicted would happen long before Details of Jesus life and death were written in divine prophecy hundreds of years before He was born in Bethlehem Throughout the Gospels this amazing truth is emphasized As Jesus and His apostles left the upper room for the Garden of Gethsemane He said to them You will all fall away because it is written I will strike down the shepherd and the sheep shall be scattered Mark 14 27 After Judas betrayal Jesus rebuked Peter for drawing his sword and cutting off the ear of Malchus and said to him Put your sword back into its place How then will the Scriptures be fulfilled which say that it must happen this way

Matthew 26 52 54 On the cross Jesus waited until He saw that all things had already been accomplished before He uttered His only physical request I am thirsty John 19 28 Later the spear was thrust into Jesus side and blood and water came out We read For these things came to pass to fulfill the Scripture Not a bone of Him shall be broken And again another Scripture says They shall look on Him whom they pierced John 19 36 37 The angel who was at the tomb on the morning of the resurrection said Remember how He spoke to you while He was still in Galilee saying that the Son of Man must be delivered into the hands of sinful men and be crucified and the third day rises again Luke 24 6 7 When Jesus met with the apostles and disciples Sunday evening the same day He arose from the dead He said to them These are My words which I spoke to you while I was still with you that all things which are written about Me in the Law of Moses and the Prophets and the Psalms must be fulfilled Thus it is written that the Christ would suffer and rise again from the dead the third day and that repentance for forgiveness of sins would be proclaimed in His name to all the nations beginning from Jerusalem Luke 24 44 47 In Jesus affirmation to those Sunday night witnesses He referred to all three divisions of the Hebrew Old Testament the Law of Moses the Prophets and the Psalms as He described the prophecies that had been fulfilled in Him It has been said that if one reads any part of the Bible and does not see Jesus in it he should go back and reread it for he has missed something very important In Peter's first gospel sermon on the Day of Pentecost he declared that Jesus had been delivered into the hands of godless men to be put to death by the predetermined plan and foreknowledge of God Acts 2 23 In his second sermon in Acts Peter covered in one sweeping sentence the prophecies of the whole Old Testament saying that Jesus sufferings on the cross fulfilled all that had been prophesied But the things which God announced beforehand by the mouth of all the prophets that His Christ would suffer He has thus fulfilled Acts 3 18

The Spiritual Wisdom and Practices of Early

Christianity Alphonse and Rachel Goettmann, 2010-06-15 In this book we will consider the fundamental practices of the Christian experience They are backed by two thousand years of history and a sea of witnesses who down through the ages have journeyed on this path that has led them to the summits of wisdom and holiness The difficulty in the presentation of these methods is their inevitable and artificial juxtaposition when they only find their internal and organic coherence in the living Tradition They are all held together as in a living organism each element comes at a particular stage in a life that gravitates around its axis the Christ That is why we will use a method which will make it possible for the reader not to remain on the exterior as a spectator the repetition of key ideas This is a teaching in the form of a spiral an eating of the word where as in liturgical chants and the experiential method of Scripture we become that which we eat continually we are what we have just read rather than merely knowing it Each chapter is a new approach to the unique Reality Rather than addressing the intellect it speaks to the heart Jesus Now Frank Viola, 2014-05-01 During His ministry on earth Jesus of Nazareth spent most of His time healing the sick casting out demons training disciples teaching the people and preaching the kingdom of God But what is Jesus Christ doing today What is His present day ministry In Jesus Now bestselling author Frank Viola gives us the first comprehensive treatment of what Jesus has been doing since His ascension until His second coming In an easy to read format Viola explores the seven aspects of Christ s ministry today and shows how each one benefits the saved and the unsaved Open these pages and discover what the Lord Jesus Christ is doing now and how it will impact your life
