Sharon Ouditt

To Noto Or London To Sicily In A Ford:

To Noto Duncan Fallowell, 1994 **Sicily** Andrew Edwards, Suzanne Edwards, 2014-03-27 Rising up from the heart of the Mediterranean Sicily has a rich and ancient history spanning over 2 000 years A bounty prized by invaders from the Greeks Romans and Vandals to the Byzantines Arabs and Normans Sicily s violently beautiful landscapes are haunted by a vibrant mix of cultures and her soil has always been fertile ground for the literary and artistic imagination This compelling guide uncovers the island s multi faceted personality through those literary figures who have managed to get under her skin from Pindar Cicero and Aeschylus to Shakespeare and Cervantes DH Lawrence Coleridge and Oscar Wilde to Truman Capote Tennessee Williams Ezra Pound and Lawrence Durrell as well as local writers who have defined the modern Italian novel Giuseppe Tomasi di Lampedusa and Leonardo Sciascia Through their words and lives we witness the beauty pain and power of the Sicilian cultural landscape and discover how the potent mix of influences on the island s society has been preserved forever in literature Palermo, City of Kings Jeremy Dummett, 2015-04-01 Palermo the capital of Sicily is a destination with a difference The city is a treasure trove of original monuments and works of art combined with architecture of grand proportions Yet it also has a grittier side shown by the continuing influence of the mafia Jeremy Dummett here provides a concise overview of Palermo s eventful history together with a survey of its most important monuments and sites He looks at the influences of the city s various ancient rulers the Phoenicians Romans Arabs and Normans as well as its more recent incarnation as part of the Italian state In addition to being an essential companion for visitors to Palermo this book can be equally enjoyed as a standalone history of the city and its place at the heart of Sicily The Fatal Gift of Beauty: The Italies of British Travellers Manfred Pfister, 2023-04-12 This is the first anthology of British travel writing on Italy which traces the development of the genre and the history of the British perception of Italy from the Renaissance to the present As an anthologie raissonn e it presents the texts in thematic clusters and chronological order providing commentary and annotations for each of them and their nearly hundred authors some of them like Smollett Byron Dickens or Huxley well known others virtually unknown amongst them many unduly neglected women writers Further features are a substantial introduction to the travelogue and the writing of Italy more than thirty illustrations visualizing the British experience of Italy and an extensive bibliography of primary and secondary sources *Interpreting Italians* Jeffrey Bailey, 2018-12-05 Interpreting Italians is a socio cultural travel guide designed for people whose interest in Italy goes beyond the readymade impression or the hackneyed clich Impressions of Southern Italy Sharon Ouditt, 2013-11-07 Naples was conventionally the southernmost stop of the Grand Tour beyond which it was assumed lay violent disorder earthquakes malaria bandits inhospitable inns few roads and appalling food On the other hand Southern Italy lay at the heart of Magna Graecia whose legends were hard wired into the cultural imaginations of the educated This book studies the British travellers who visited Italy s Southern territories Spanning the late eighteenth century to the mid twentieth century the author considers what

these travellers discovered not in the form of a survey but as a series of unfolding impressions disclosing multiple Southern Italies Of the numerous travellers analysed within this volume the central figures are Henry Swinburne Craufurd Tait Ramage and Norman Douglas whose *Old Calabria* 1915 remains in print Their appeal is that they take the region seriously Southern Italy wasn't simply a testing ground for their superior sensibilities it was a vibrant curiosity unknown but within reach Was the South simply behind on the road to European integration or was it beyond a fault line representing a viable alternative to Northern neuroses The travelogues analysed in this book address a wide variety of themes which continue to shape discussions about European identity today

Pompeii's Ashes Eric Moormann, 2015-03-10 Although there are many works dealing with Pompeii and Herculaneum none of them try to encompass the entire spectrum of material related to its reception in popular imagination *Pompeii's Ashes* surveys a broad variety of such works ranging from travelogues between ca 1740 and 2010 to 250 years of fiction including stage works music and films The first two chapters provide an in depth analysis of the excavation history and an overview of the reflections of travelers The six remaining chapters discuss several clearly defined genres historical novels with pagan tendencies and those with Christians and Jews as protagonists contemporary adventures time traveling mock manuscripts and works dedicated to Vesuvius *Pompeii's Ashes* demonstrates how the eternal fascination with the oldest still running archaeological projects in the world began developed and continue until now

William and Lucy Angela Thirlwell, 2003-01-01 The marriage of William Michael Rossetti 1829 1919 and Lucy Madox Brown 1843 1894 united two of the most resonant Pre Raphaelite family names Their passionate and ultimately tragic relationship described here for the first time provides a fresh perspective on nineteenth century marriage and on the private lives of eminent Victorians Sibling of Dante Gabriel and Christina Rossetti William was one of the original Pre Raphaelite Brothers a Bohemian radical author poet critic artist connoisseur biographer historian and taxman Lucy the intense intellectual daughter of Ford Madox Brown was an ambitious artist and biographer of Mary Shelley in spite of struggling with tuberculosis for nearly a decade Drawing on hundreds of previously unpublished sources and a wealth of new visual material including art by William Lucy and others of their circle and striking contemporary photographs the book follows William and Lucy through their separate professional careers marriage continental travels and Lucy's illness and death At the crossover between art history literary criticism social history and biography the book rewrites Pre Raphaelite history and brings to life two fascinating people who were both of their time and ahead of it

Literature of Travel and Exploration Jennifer Speake, 2014-05-12 Containing more than 600 entries this valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks New World chronicles postcards companies and
