Cohesive Story Building Karen Wiesner, 2015-11-12 Without layering a story is one dimensional unbelievable boring Layers mean stronger characters settings plots suspense intrigue emotions and motivation Layering also produces cohesion of all elements Characters must blend naturally with the setting the writer has placed them just as plot becomes an organic part of character and setting If a story doesn t work it could very well be because the elements aren t cohesive Cohesive Story Building shows how each element hinges on the other two and how to mix them until they fuse irrevocably Additionally Cohesive Story Building carefully explores each stage of story development from brainstorming and outlining to drafting and revision From a thorough look at the fundamentals of writing to comprehensive story building techniques as well as submission guidelines and etiquette this must have guide will see writers through the entire book writing process from start to finish Set within the framework of comparing the process of building a house to the process of building a story Cohesive Story Building gives a solid plan of action from start to finish through in depth examples and exercises and leave no stone unturned checklists that will help writers take the plan into their own writing Features detailed examples from published books to illustrate story building principles Those who have read Karen S Wiesner s reference First Draft Outline which

focuses on in depth outlining and goal setting will find Cohesive Story Building a perfect companion to that book Destiny Karen Wiesner,2013-03 How do you know destiny when it knocks on your door or recognize it if it s always been there Christian Riley Elizabeth Horace and Oscar Albright grew up together the cliched church kids but Chris quickly found everything about his life stifling When he moves to Los Angeles to get away from everything his existence has dictated for him he doesn t expect Elizabeth to follow him but he s known for as long as he can remember that she loves him obsessively just as Oscar loves her With Chris s faith in tatters he has no interest in Christianity let alone morality Yet in the thirteen years that follow he finds himself returning to Elizabeth whenever he hits rock bottom Deep down he understands she alone will always love him no matter how far he strays or how much he hurts her when he uses her as his last ditch refuge When a serial killer rapist s attack of Elizabeth is mercifully thwarted Chris s world collapses in on him with guilt and horror coming at him from every corner The attack has changed Elizabeth She realizes she s put her life on hold for too long praying for Chris to share her belief that their love and life together is destined After she severs the ties between them Chris knows the only way to get her back is to give himself to the Lord God begins changing him from the inside out but too little too late has he fallen in love when his angel of mercy is no longer available to him **Once Upon a Cliche** Karen Wiesner,2019-03-28 Detached and ignored for most of her life Brayla Sullivan is the awkward ugly duckling destined for spinsterhood who s never been kissed never gone anywhere beyond the small town she was born and raised in When she starts corresponding with a man from a Meet Exotic Singles website and he suggests they meet she drops everything to fly to him in a last ditch effort to find her happily ever after The only son in a family of daughters Shaun Levi Peaceful s Chief of Police has never looked the part of a dashing hero Whenever he d opened his mouth his sisters had spoken for him or over him and now any attempts at conversation with the opposite sex lead him to either a loss for words or making a mess that s ensured he ll stay a bachelor for life Brayla has been nothing more than a buddy he s known all his life But when a kiss between them on a particularly lonesome New Year s takes a turn for the what have we done he sees a side to his old friend he never anticipated and the consequences may just leave him without a friend or a prayer of convincing her they could share so much more Brayla s poorly conceived plan to meet Mr Right veers from point A to Z to F and every sad where in between leaving her hopelessly lost and desperate for someone to rescue her Everything she expects to happen falls through while the unexpected may turn into everything she s ever dreamed of or all she s dreaded On the rocky road to happily ever after who knows what can happen A Perfect Match Karen Wiesner,2019-11-30 At nearly 40 Dante Robinson has never been in a relationship that wasn t more than a one night stand His nephew a college student living in the upstairs apartment of his garage reveals that on a lark he and his friend started an online dating company Perfect Match Dante insists he shut it down until the kid offers to hook him up with a naughty librarian Lena Young has worked two jobs since she was in high school She s 30 and raises the daughter of her abusive older brother a truck driver as if she s her own When her friend convinced her to sign up for Perfect

Match she couldn't get herself to go through it until Dante responds to her profile. Developing a major crush on her brother's best friend hadn't been difficult when Lena was a sheltered girl, but Dante hasn't been back to their house in 16 years. After she agrees to meet him without telling him who she is, she discovers he only invited her over to his house to get laid. She's mortified, but when an equally humiliated Dante comes to the truck stop diner she works on the weekends and apologizes, begging her to forgive him, she can't turn him away. Wanting to tell him to hit the road, she instead finds herself believing him, championing his determination to become a better man, convinced that with him she could have one thing in her life that brings her the kind of joy she's always dreamed of but has never considered possible. Exiled Hearts Karen

Wiesner, 101-01-01 With three ex-wives, Avery Worchester has three kids; he's only just started to get to know them. Eight months ago, his best friend made him realize he needed to make changes. To start with, he broke up with the woman he'd been dating. Stella hated his kids, and the feeling was mutual. They had no idea she was pregnant at the time. Barely two weeks after the baby was born, Stella dumped Avery's newborn daughter on his doorstep, saying not to contact her ever. With nowhere to turn for help, Avery responds to an ad from a nanny looking for work. Jayne Eyre, Huntington is strapped for cash, and Avery needs her help badly. Recently, Jayne learned she's the child of an asylum seeker from a country where Christianity is illegal. Her American parents adopted and raised her alongside their own daughter, who was jealous of any male attention. Jayne was given. Like her fictional counterpart, Jayne always felt like second best and quickly learned to hide potential romantic relationships from her sabotaging jealous sister. Soon, Jayne's existence is wrapped up in Avery and his precious baby girl, along with his other older children. Hiding her growing feelings for her employer, perhaps even from herself, seems the only course. Avery has proven himself to be anything but reliable and devoted to the women in his life, if his past is any indication. When a sensitive, passionate angel ventures into the miry wilds of love, what can her heart expect to meet beyond certain exile?

Flesh & Blood Karen Wiesner, 2012-01-12 After risking her heart once and learning to regret it, JoJo Summers finds it necessary to live her life as a paper doll. No emotions, no danger, and no pain. Randy Briggs is the one man who can change her mind. His only ace in the hole is that she underestimates the power of love. Just when JoJo takes the first step in risking her heart to Randy, her past comes back to haunt her in flesh and blood, and then her heart isn't the only thing she's in danger of losing. Award 5 hearts from Writers Club.
