Tomorrows Synagogue Today Creating Vibrant Centers Of Jewish Life:

Tomorrow's Synagogue Today Hayim Herring, 2012-02-17 In the past decade many intelligent people who care deeply about synagogues have written about them So how is this book different from all other books Many books take the overall mission of the synagogue as a given and the recommendations around structure are really about incremental change Tomorrow's Synagogue Today stimulates the reader to unleash the power of synagogues to exponentially influence people's Jewish lives Herring offers creative scenarios to stretch the imagination about how more synagogues could become vibrant centers of Jewish life and how congregational leaders can begin to chart a new course toward achieving that goal Key to his vision are the ways synagogues can collaborate with other synagogues and other Jewish institutions in the local Jewish community and around the globe as well as with organizations outside of the Jewish community Herring also explores structural change that is occurring in the rabbinate as well as future roles rabbis may play and how rabbis might begin preparing for that future now He shares insights from twelve rabbis from across the country about new models of synagogue mission governance and organization He concludes with recommendations about the kinds of investments those who care about synagogues and the Jewish future need to make so that synagogues will remain a significant force in the Jewish community

New Membership & Financial Alternatives for the American Synagogue Rabbi Kerry M. Olitzky, Rabbi Avi S. Olitzky, 2015-02-06 Open wide your mind and your community to fresh concepts of synagogue financial and spiritual success A welcome addition Replete with examples of synagogues independent minyanim and spiritual communities that have developed creative and sometimes surprising strategies that ameliorate what many observers believe are obstacles to recruiting and engaging Jews into their spiritual communities from the Foreword by Dr Ron Wolfson The concept of the dues based membership model in synagogues was once an innovation Now that model is in decline and sweeping change is required in order to reverse the downward trend in synagogue participation This groundbreaking book provides synagogue and communal leaders with a useful process and the ingredients necessary to consider important changes in the synagogue including Thoughtful new models for membership and synagogue finance Examples from successful synagogues bolstered by illustrations from the private sector Practical steps for change and implementation With checklists for exploring and adopting alternative models from nationally recognized congregational consultant Debbie Joseph

Jewish Megatrends Rabbi Sidney Schwarz, PhD, 2013-01-15 Visionary solutions for a community ripe for transformational change from fourteen leading innovators of Jewish life Jewish Megatrends offers a vision for a community that can simultaneously strengthen the institutions that serve those who seek greater Jewish identification and attract younger Jews many of whom are currently outside the orbit of Jewish communal life Schwarz and his collaborators provide an exciting path building on proven examples that we ignore at our peril from the Foreword The American Jewish community is riddled with doubts about the viability of the institutions that well served the Jewish community of the twentieth century Synagogues Federations and

Jewish membership organizations have yet to figure out how to meet the changing interests and needs of the next generation. In this challenging yet hopeful call for transformational change, visionary leader Rabbi Sidney Schwarz looks at the social norms that are shaping the habits and lifestyles of younger American Jews and why the next generation is so resistant to participate in the institutions of Jewish communal life as they currently exist. He sets out four guiding principles that can drive a renaissance in Jewish life and gives evidence of how, on the margins of the Jewish community, those principles are already generating enthusiasm and engagement from the very millennials that the organized Jewish community has yet to engage. Contributors, leading innovators from different sectors of the Jewish community, each use Rabbi Schwarz's framework as a springboard to set forth their particular vision for the future of their sector of Jewish life and beyond.

Relational Judaism Ron Wolfson, 2013. Noted educator and community revitalization pioneer Dr. Ron Wolfson presents practical strategies and case studies to guide Jewish leaders in turning institutions into engaging communities that connect members to Judaism in meaningful and lasting ways.

American Jewish Year Book 2012 Arnold Dashefsky, Ira Sheskin, 2012-12-09. The 2012 American Jewish Year Book: The Annual Record of American Jewish Civilization contains major chapters on Jewish secularism, Barry Kosmin and Ariela Keysar; Canadian Jewry, Morton Weinfeld; David Koffman and Randal Schnoor; national affairs, Ethan Felson; Jewish communal affairs, Lawrence Grossman; Jewish population in the United States, Ira Sheskin and Arnold Dashefsky; and World Jewish population, Sergio DellaPergola. These chapters provide insight into major trends in the North American and world Jewish community. The volume also acts as a resource for the American Jewish community and for academics studying that community by supplying obituaries and lists of Jewish Federations, Jewish Community Centers, national Jewish organizations, Jewish overnight camps, Jewish museums, Holocaust museums, local and national Jewish periodicals, Jewish honorees, major recent events in the American Jewish community, and academic journals, articles, websites, and books. The volume should prove useful to social scientists and historians of the American Jewish community, Jewish communal workers, the press, and others interested in American and Canadian Jews.

Leading Congregations and Nonprofits in a Connected World Hayim Herring, Terri Martinson Elton, 2016-11-02. Leading Congregations and Nonprofits in a Connected World shares emerging practices for leading and organizing congregations and nonprofits in our increasingly networked lives. Drawing on studies of congregations across denominations and nonprofits with historic ties to faith communities, Hayim Herring and Terri Elton share practical research-based guidance for how these organizations can more deeply engage with their communities and advance their impact in a socially connected world.

Participating in God's Mission Craig Van Gelder, Dwight Zscheile, 2018-01-11. Explores how the church has engaged and should engage the American context. What might faithful and meaningful Christian witness look like within our changing contemporary American context? After analyzing contemporary challenges and developing a missiological approach for the US church, Craig Van Gelder and Dwight Zscheile reflect on the long, complex, and contested history of Christian mission in America. Five

distinct historical periods from the beginning of the colonial era to the dawn of the third millennium are reviewed and critiqued. They then bring the story forward to the present day discussing current realities confronting the church, discerning possibilities of where and how the Spirit of God might be at work today and imagining what participating in the triune God's mission may look like in an uncertain tomorrow.

1858-1963, American Judaism, 1963 Modern Conservative Judaism. Elliot N. Dorff, 2018-01-01. A major Conservative movement leader of our time, Elliot N. Dorff provides a personal behind-the-scenes guide to the evolution of Conservative Jewish thought and practice over the last half century. His candid observations concerning the movement's ongoing tension between constancy and change shed light on the sometimes unified, sometimes diverse and occasionally contentious reasoning behind the modern movement's most important laws, policies and documents. Meanwhile, he has assembled, excerpted and contextualized the most important historical and internal documents in modern Conservative movement history for the first time in one place, enabling readers to consider and compare them all in context.

In Part 1, God, Dorff explores various ways that Conservative Jews think about God and prayer. In Part 2, Torah, he considers different approaches to Jewish study, law and practice, changing women's roles, bioethical rulings on issues ranging from contraception to cloning, business ethics, ritual observances from online minyanim to sports on Shabbat, moral issues from capital punishment to protecting the poor and nonmarital sex to same-sex marriage. In Part 3, Israel, he examines Zionism, the People of Israel and rabbinic rulings in Israel.
