pastors and ministers should make sure the Word of God goes forth in a world that has lost its moral and spiritual way In America we are living on the edge When we go to the marketplaces schools churches outside activities we don t know if a mass shooting might take place We don t know what to expect in public places because violence and killings have become commonplace Many of our youth are dying from drug poisoning gun shootings and suicide Racial hatred is on the rise and kids are taking guns to school causing lockdowns and distress All around us is sorrow sadness and senselessness The only hope light and transformation is God s Word and its application These thematically arranged Bible lessons can help in the process of humanity finding their way back to God through Jesus Christ **Wilbur and Melvia Lee Thornton Son Wilbur**
