*Handbook of Research Methods for Tourism and Hospitality Management* Robin Nunkoo, 2018-07-27 As research in tourism and hospitality reaches maturity a growing number of methodological approaches are being utilized and in addition this knowledge is dispersed across a wide

range of journals. Consequently, there is a broad and multidisciplinary community of tourism and hospitality researchers whom at present need to look widely for support on methods. In this volume, researchers fulfil a pressing need by clearly presenting methodological issues within tourism and hospitality research alongside particular methods and share their experiences of what works, what does not work, and where challenges and innovations lie.

*The Routledge Handbook of Tourism Research* Cathy H.C. Hsu, William C Gartner, 2012-08-21

The Routledge Handbook of Tourism Research is a compendium of some of the most relevant issues affecting tourism development today. The topics addressed in this book provide some new thinking for those involved in tourism research. This book takes the reader from the beginnings of tourism research to a discussion of emerging forms of tourism and selected examples of tourism development. The underlying theoretical dimensions are reviewed, analysed, and discussed from a number of perspectives. This book brings together leading researchers, many of whom are members of the International Academy for the Study of Tourism, to discuss tourism today and its future. The works included in this volume are diverse in terms of geographical context, research methodology, root discipline, and perspective. This book represents studies based in Europe, North America, Oceania, and Asia. Research methodologies include both quantitative and qualitative. Both macro and micro issues are discussed from the economic, psychological, sociological, political science, marketing, and other perspectives, which reflect the interdisciplinary nature of tourism studies. This book is divided into 6 sections. Section 1 considers the foundations for tourism research. Section 2 discusses the implications for destination management, and section 3 discusses planning for tourism development. Section 4 covers human capital for tourism development. And finally, section 5 evaluates emerging forms of tourism, and then section 6 offers insights into tourism evolution. It offers the reader a comprehensive synthesis of this field, conveying the latest thinking and research. The text will provide an invaluable resource for all those with an interest in tourism research. This is essential reading for students, researchers, academics of Tourism, as well as those of related studies in particular Leisure, Hospitality, Development Studies.
