International Practices to Promote Budget Literacy Harika Masud, Helene Pfeil, Sanjay Agarwal, Alfredo Gonzalez Brisenio, 2017-08-09 Budget literacy is defined as the ability to read decipher and understand public budgets to enable and enhance meaningful citizen participation in the budget process It is comprised of two main parts i a technical understanding of public budgets including familiarity with government spending tax rates and public debt and ii the ability to engage in the budget process comprising of practical knowledge on day to day issues as well as an elementary understanding of the economic social and political implications of budget policies the stakeholders involved and when and how to provide inputs during the annual budget cycle Given that no international standards or guidelines have been established for budget literacy education to date this book seeks to address this gap by taking stock of illustrative initiatives promoting budget literacy for youth in selected countries The underlying presumption is that when supply side actors in the budget process governments simplify and disseminate budget information for demand side actors citizens this information will then be used by citizens to provide feedback on the budget However since citizens are often insufficiently informed about public budgets to constructively participate in budget processes one way to empower them and to remedy the problem of budget illiteracy is to provide budget literacy education in schools to youth helping them evolve into civic minded adults with the essential knowledge needed for analyzing their government's fiscal policy objectives and measures and the confidence and sense of social responsibility to participate in the oversight of public resources This book elaborates on approaches learning outcomes pedagogical strategies and assessment approaches for budget literacy education and presents lessons that are relevant for the development improvement or scaling up of budget literacy initiatives

Sustainable Tourism Dialogues in Africa Judy Kepher Gona, Lucy Atieno, 2022-03-21 Focusing on the future of tourism Sustainable Tourism Dialogues in Africa is inclusive of experienced and emerging researchers as well as incorporating local stakeholders in the tourism industry architects tourism operators sustainable tourism lobbyists policy makers archaeologists and geographers The editors are frontline sustainable tourism advocates in Africa and the book's thematic content is derived from 30 inter university seminars on sustainable tourism hosted by Sustainable Travel Tourism Agenda Kenya from 2017 to November 2019 These seminars involved the participation of 17 universities in Kenya tourism operators conservationists developmentalists investors policy makers and students Every chapter is a voice projecting aspirations for the responsible management of tourism in Africa and promoting the ideals of sustainable tourism that young people in Africa advocate for the industry's future In so doing the authors pinpoint the necessary actions for bringing about transformations in sustainable

development of tourism The book thus seeks to encourage debate while facilitating the development of both theoretical and practical foundations for managing tourism sustainably in Africa *Reproductive Politics in the United States* Kimala Price, 2021-12-30 *Reproductive Politics in the United States* is a concise accessible and engaging introduction to what continues to be a contentious and polarizing topic in the United States Focusing on the current debates controversies and realities of reproductive justice this text seeks to examine the historical social and cultural forces that shape those politics Making use of an explicitly feminist framework the book analyzes how the intersections of gender race ethnicity class sexuality and other markers of difference are implicated in protest and policy This is a primer for Women s and Gender Studies students and for those coming to the topic for the first time *Recentring Tourism Geographies in the 'Asian Century'* Harnng Luh Sin, Mary Mostafanezhad, Joseph M. Cheer, 2022-04-19 This book considers what the transition into the Asian Century means for some of the most urgent issues in the world today such as sustainable development human rights gender equality and environmental change The book critiques Anglo Western centrism in tourism theory and calls on tourism scholars to make radical shifts toward more inclusive epistemology and praxis From the British Century of the 1800s to the American Century of the 1900s to the contemporary Asian Century tourism geographies are deeply entangled in broader shifts in geopolitical power In the shadow of the COVID 19 pandemic the significance of shifts in tourism geographies and the themes addressed in this volume are more urgent than ever That the world faces increasing turmoil is abundantly clear Yet amidst the disruption to the everyday it is hope and compassion but also political economic restructuring that is needed to reset the tourism industry in more sustainable equitable and ethical directions In no uncertain terms the pandemic has forever changed the tourism industry as the world once knew it This book therefore sets out to collectively build on the momentum of the inclusive scholarship that Critical Tourism Studies Asia Pacific is renowned for while also asking readers to pause and reflect on the possibilities and challenges of tourism in a post pandemic Asian Century The chapters in this book were originally published as a special issue of the journal *Tourism Geographies* *The Parliamentary Debates (Hansard)*. Great Britain. Parliament. House of Lords, 2014 **Díospóireachtaí Párlaiminte** Ireland. Oireachtas. Dáil, 1990 **Terror and Truth** Stephen A. King, Roger Davis Gatchet, 2023-08-16 Stephen A King and Roger Davis Gatchet examine how Mississippi confronts its history of racial violence and injustice through civil rights tourism Mississippi s civil rights memorials include a vast constellation of sites and experiences from the humble Fannie Lou Hamer Museum in Ruleville to the expansive Mississippi Civil Rights Museum in Jackson where the state s collective memories of the movement are enshrined constructed and contested Rather than chronicle the history of the Mississippi Movement the authors explore the museums monuments memorials interpretive centers homes and historical markers marketed to heritage tourists in the state **Terror and Truth Civil Rights Tourism and the Mississippi Movement** is the first book to examine critically and unflinchingly Mississippi s civil rights tourism industry Combining rhetorical analysis onsite fieldwork and interviews with museum

directors local civil rights entrepreneurs historians and movement veterans the authors address important questions of memory and the Mississippi Movement How is Mississippi a poor racially divided state with a long history of systemic racial oppression and white supremacy actively packaging its civil rights history for tourists Whose stories are told And what perspectives are marginalized in telling those stories The ascendancy of civil rights memorialization in Mississippi comes at a time when the nation is reckoning with its racial past as evidenced by the Black Lives Matter movement Mississippi s adoption of a new state flag the conviction of former members of the Ku Klux Klan and the removal of Confederate monuments throughout the South Terror and Truth directly engages this national conversation **People-Environment**
