

The masterpiece of Jewish mystical teaching can become a companion for your own spiritual journey.

Sefer ha-Zohar ("The Book of Radiance") has been mesmerizing readers since its appearance in Spain over seven hundred years ago. The splendor and enigmatic appeal of this canonical text of Kabbalah has never intrigued readers of all faiths more than today, as it inspires us to regain our lost intimacy with the Divine without renouncing ourselves or the world.

Originally written in the ancient language of Aramaic, the *Zohar* is a commentary on the Torah, the Five Books of Moses, written in the form of a mystical novel. A combination of midrash on Hebrew scripture and mystical fantasy, the *Zohar* features colorful characters on a mission to understand God, Torah and the divine dimension of their own lives. Central to the text is the concept of the ten sefirot, the aspects of God's personality, both masculine and feminine. Ultimately, the message of the *Zohar* is one of action—to seek spiritual truth and discover the presence of God in all things.

Now you can experience the *Zohar* and understand it even with no previous knowledge of Jewish mysticism. This SkyLight Illuminations edition offers insightful yet unobtrusive commentary that explains references and mystical symbols, shares the wisdom of spiritual masters and clarifies the *Zohar's* bold claim: we have always been taught that we need God, but in order to manifest in the world, God needs us.
