Zombie King Shifter Squad Book :

Zombie King J. C. Diem, 2015-01-06 Lexi Levine's life changed forever the night she became a werewolf. She was only meant to be a temporary addition to the Shifter Squad but at barely eighteen she is now a permanent member of the team. Well used to facing danger, none of the squad is prepared to meet Lexi's father. Major Philip Levine is a sniper with unparalleled skills. He has returned from his overseas mission to seek answers. Even Lexi isn't sure how he will react when he meets the squad for the first time. Still coming to terms with her new role as a shifter, she is in denial about the mysterious link that has sprung up between her and Agent Reece Garrett. She hopes in vain that if she pretends that it doesn't exist it will just go away. If the squad manages to survive her father's anger, they must then face an even bigger threat. A voodoo practitioner has been raising corpses in New Orleans and the Shifter Squad has been ordered to investigate. If they fail to stop the man who calls himself the Zombie King, his undead minions will soon overrun the city. **Shifter Squad: Bundle 1**

J.C. Diem, 2016-03-30 This bundle includes the first three books of the Shifter Squad Series. Seven Psychics. Alexis Levine has just graduated from high school and intends to join the Army as soon as she turns eighteen. Her dream is to become a sniper just like her often absent father. During routine weapons practice, she meets Mark Steel, the head of a small team of agents who work for a mysterious organization. He needs someone with outstanding skills to help his squad destroy seven psychotic psychics. With her father overseas on a mission, she is the next best choice. Still reeling from the knowledge that psychics actually exist, Lexi agrees to become a temporary member of the squad. From the first moment that she meets Reece Garrett, she is instantly drawn to him. He is strong, sexy, and charismatic and unfortunately thinks of her as little more than a child. Agent Garrett and his team have a secret that few people are aware of. They are shape shifters who transform into ravenous beasts with every full moon. The upside of being shifters is that they possess a natural resistance to mind control which makes them the perfect team to hunt the psychics. But Reece soon learns that some instincts are impossible for even him to deny. Caught in a mind trap that he can't escape from, he finds himself irresistibly drawn to the newest member of their team.
