Understanding Franz Werfel Hans Wagener, 1993 Describes the life work of the Austrian poet novelist who heralded the German Expressionist movement in 1911 wrote some of Europe s most widely read novels in the 1930s enjoyed popular success in the 1940s with the film adaptations of his best selling novels **The ^ADream Endures** Kevin Starr, 2002-11-28 What we now call the good life first appeared in California during the 1930s Motels home trailers drive ins barbecues beach life and surfing sports from polo and tennis and golf to mountain climbing and skiing sportswear a word coined at the time and sun suits were all a part of the good life perhaps California s most distinctive influence of the 1930s In *The Dream Endures* Kevin Starr shows how the good life prospered in California in pursuits such as film fiction leisure and architecture and helped to define American culture and society then and for years to come Starr previously chronicled how Californians absorbed the thousand natural shocks of the Great Depression unemployment strikes Communist agitation reactionary conspiracies in *Endangered Dreams* the fourth volume of his classic history of California In *The Dream Endures* Starr reveals the other side of the picture examining the newly important places where the good life flourished like Los Angeles where Hollywood lived Palm Springs where Hollywood vacationed San Diego where the Navy went the California Institute of Technology in Pasadena where Einstein went and changed his view of the universe and college towns like Berkeley We read about the rich urban life of San Francisco and Los Angeles and in newly important communities like Carmel and San Simeon the home of William Randolph Hearst where each Thursday afternoon automobiles packed with Hollywood celebrities would arrive from Southern California for the long weekend at Hearst Castle The 1930s were the heyday of the Hollywood studios and Starr brilliantly captures Hollywood films and the society that surrounded the studios Starr offers an astute discussion of the European refugees who arrived in Hollywood during the period prominent European film actors and artists and the creative refugees who were drawn to Hollywood and Southern California in these years Igor Stravinsky Arnold Schoenberg Man Ray Bertolt Brecht Christopher Isherwood Aldous Huxley Thomas Mann and Franz Werfel Starr gives a fascinating account of how many of them attempted to recreate their European world in California and how others like Samuel Goldwyn provided stories and dreams for their adopted nation Starr reserves his greatest attention and most memorable writing for San Francisco For Starr despite the city s beauty and commercial importance San Francisco s most important achievement was the sense of well being it conferred on its citizens It was a city that magically belonged to everyone Whether discussing photographers like Edward Weston and Ansel Adams hard boiled fiction writers or the new breed of female star Marlene

Dietrich Jean Harlow Bette Davis Carole Lombard and the improbable Mae West The Dream Endures is a brilliant social and cultural history in many ways the most far reaching and important of Starr s California books **Franz Werfel's The Song of Bernadette** Jean Kerr,Walter Kerr,1944 *Catholics in the Movies* Colleen McDannell,2008 Catholicism was all over movie screens in 2004 Mel Gibsons The Passion of the Christ was at the center of a media firestorm for months A priest was a crucial character in the Academy Award winning Million Dollar Baby Everyone it seemed was talking about how religious stories should be represented marketed and received Catholic characters spaces and rituals have been stock features in popular films since the silent era An intensely visual religion with a well defined ritual and authority system Catholicism lends itself to the drama and pageantry of film Moviegoers watch as Catholic visionaries interact with the supernatural priests counsel their flocks reformers fight for social justice and bishops wield authoritarian power Rather than being marginal to American popular culture Catholic people places and rituals are all central to the world of the movie Catholics in the Movies begins with an introductory essay that orients readers to the ways that films appear in culture and describes the broad trends that can be seen in the movies hundred year history of representing Catholics Each chapter is written by a noted scholar of American religion who concentrates on one movie that engages important historical artistic and religious issues and then places the film within American cultural and social history discusses the film as an expression of Catholic concerns of the period and relates the film to others of its genre Tracing the story of American Catholic history through popular films Catholics in the Movies should be a valuable resource for anyone interested in American Catholicism and religion and film Franz Werfel's The song of Bernadette ,2006 *LIFE* ,1942-08-24 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use **Jennifer Jones** Paul Green,2011-08-10 The distinguished film career of Academy Award winning actress Jennifer Jones 1919 2009 is thoroughly chronicled from her faltering start as Phylis Isley her real name at Republic Studios in 1939 to her re invention as a major star by producer David O Selznick the actress second husband Each of her 24 films among them The Song of Bernadette Since You Went Away Duel in the Sun Portrait of Jennie Madame Bovary and Love Is a Many Splendored Thing is discussed in depth Robert Osborne host of the Turner Classic Movies cable channel affectionately recalls his interview with Jennifer Jones in the Foreword The actress biography radio appearances and unrealized projects are also covered along with previously undocumented details of her limited stage career including a 1966 revival of Clifford Odets The Country Girl The Song of Bernadette George Seaton,1943 The Song of Bernadette Jean Kerr,Walter Kerr,1972 Starmaker Milan Hain,2023-08-07 David O Selznick 1902 1965 was one of the most prominent film producers of the Hollywood studio era responsible for such artistic and commercial triumphs as King Kong David Copperfield Anna Karenina A Star Is Born Gone with the Wind Rebecca Spellbound

and *The Third Man* However film production was not his only domain Starting in the late 1930s he built an impressive stable of stars within his own independent company including Ingrid Bergman Vivien Leigh Joan Fontaine Jennifer Jones and Gregory Peck In *Starmaker* David O Selznick and the Production of Stars in the Hollywood Studio System author Milan Hain reveals the mechanisms by which Selznick and his collaborators discovered and promoted new stars and describes how these personalities were marketed whether for financial gain or symbolic recognition and prestige Using a wide range of archival materials the book significantly complements and reshapes our understanding of Selznick's celebrated career by focusing on heretofore neglected aspects of his creative and business activities It also sheds light on the US film industry during the Golden Age of Hollywood studios and in the postwar period when the established order began to break down By structuring the book around Selznick and his role as a starmaker Hain demonstrates that star production and development in the Hollywood studio system was a highly organized and systematic activity though the respective strategies and procedures were often hidden from the public eye

The Heart of Virtue Donald Demarco, 2011-04-20 This book brings to life in an inspirational and memorable way what is at the core of every true moral virtue namely love It presents twenty eight different virtues and reveals through stories that personify these virtues how love is expressed through care courage compassion faith hope justice prudence wisdom etc It is a treatment of virtue that is both unique and original It is unique in that virtues are both illustrated in story form and explained through philosophical analysis It is original in that many of the stories have never before appeared in print This book is a veritable liberal education in itself bringing together in a carefully balanced and readable manner distinguished personalities from diverse enterprises and periods of history It literally sparkles with celebrities recruited from science and the arts philosophy and theology medicine and religion stage and screen sports and entertainment But the book does not ignore the relatively unknown who provide several human interest stories that are both moving and unforgettable

The Look of Catholics Anthony Burke Smith, 2010-06-22 When John Kennedy ran for president some Americans thought a Catholic couldn't or shouldn't win the White House Credit Bing Crosby among others that he did For much of American history Catholics perceived allegiance to an international church centered in Rome excluded them from full membership in society a prejudice as strong as those against blacks and Jews Now Anthony Burke Smith shows how the intersection of the mass media and the visually rich culture of Catholicism changed that Protestant perception and in the process changed American culture Smith examines depictions of and by Catholics in American popular culture during the critical period between the Great Depression and the height of the Cold War He surveys the popular films television and photojournalism of the era that reimagined Catholicism as an important even attractive element of American life to reveal the deeply political and social meanings of the Catholic presence in popular culture Hollywood played a big part in this midcentury Catholicization of the American imagination and Smith showcases the talents of Catholics who made major contributions to cinema Leo McCarey's Oscar winning film *Going My Way* starring the soothing and Catholic Bing Crosby

turned the Catholic parish into a vehicle for American dreams while Pat O'Brien and Spencer Tracy portrayed heroic priests who championed the underclass in some of the era's biggest hits. And even while a filmmaker like John Ford rarely focused on clerics and the Church, Smith reveals how his films gave a distinctly ethnic Catholic accent to his cinematic depictions of American community. Smith also looks at the efforts of Henry Luce's influential Life magazine to harness Catholicism to a postwar vision of middle class prosperity and cultural consensus. And he considers the unexpected success of Bishop Fulton J. Sheen's prime time television show Life is Worth Living in the 1950s which offered a Catholic message that spoke to the anxieties of Cold War audiences. Revealing images of orthodox belief whose sharpest edges had been softened to suggest tolerance and goodwill, Smith shows how such representations overturned stereotypes of Catholics as un-American. Spanning a time when hot and cold wars challenged Americans' traditional assumptions about national identity and purpose, his book conveys the visual style, moral confidence, and international character of Catholicism that gave it the cultural authority to represent America.

The World Transparent Nina Butorac, 2021-05-04 The World Transparent examines the spiritual themes that have populated our Western and Christian tradition for many centuries. From a sacramental standpoint and using forty well-loved films as illustrations, The World Transparent endeavors to guide the reader through a process of formation and towards a mature understanding of the Christian faith, not only as an intellectual exploration but as a spiritually lived experience. Its focus is on the virtues as they help to form us to live purposeful lives and attain happiness on conscience as it directs our judgment and moral actions on grace as it lifts up our nature and works to perfect it on the sacraments as they confer the graces that enable us to meet life's struggles and on the theological virtues of faith, hope, and love as they immerse us in the order of grace and direct us to the source of our redemption in Christ. Each of these sacred themes is augmented by beauty and by the sacramental qualities found in great art, in powerful stories, and shot through eminently by classic masterful film.

The Very Witching Time of Night Gregory William Mank, 2014-06-20 The book covers unusual and often surprising areas of horror film history: 1 The harrowingly tragic life of Dracula's leading lady Helen Chandler as intimately remembered by her sister-in-law 2 John Barrymore's 1931 horror vehicles Svengali and The Mad Genius and their rejection by the public 3 The disastrous shooting of 1933's Murders in the Zoo, perhaps the most racy of all Pre-Code horror films 4 A candid interview with the son of legendary horror star Lionel Atwill 5 The censorship battles of One More River as waged by Frankenstein director James Whale 6 The adventures and misadventures of Boris Karloff as a star at Warner Bros 7 The stage and screen versions of the horror comedy Arsenic and Old Lace 8 Production diaries of the horror noirs Cat People and The Curse of the Cat People 9 Frankenstein Meets the Wolf Man revisited 10 Horror propaganda: The production of Hitler's Madman 11 Horror star John Carradine and the rise and fall of his Shakespearean Repertory Company 12 The Shock Theatre television phenomenon. And 13 A Tribute to Carl Laemmle Jr., producer of the original Universal horror classics, including an interview with his lady friend of almost 40 years.

Precocious Charms Gaylyn Studlar, 2013-01-15 In Precocious Charms

Gaylyn Studlar examines how Hollywood presented female stars as young girls or girls on the verge of becoming women. Child stars are part of this study but so too are adult actresses who created motion picture masquerades of youthfulness. Studlar details how Mary Pickford, Shirley Temple, Deanna Durbin, Elizabeth Taylor, Jennifer Jones, and Audrey Hepburn performed girlhood in their films. She charts the multifaceted processes that linked their juvenated star personas to a wide variety of cultural influences ranging from Victorian sentimental art to New Look fashion, from nineteenth century children's literature to post World War II sexology and from grand opera to 1930s radio comedy. By moving beyond the general category of woman, *Precocious Charms* leads to a new understanding of the complex pleasures Hollywood created for its audience during the half century when film stars were a major influence on America's cultural imagination. **LIFE**, 1942-07-27. **LIFE Magazine** is the treasured photographic magazine that chronicled the 20th Century. It now lives on at LIFE.com, the largest most amazing collection of professional photography on the internet. Users can browse, search, and view photos of today's people and events. These twelve essays explore the religious, political, social, and psychological importance of films on the Arts & Faith Top 100 list of spiritually significant films. The anthology features close readings and analyses of films by Dreyer, Antonioni, Pasolini, Kubrick, Scorsese, Schrader, Miyazaki, and others. It provides both important contributions to the understanding of canonical directors and a foundational introduction for those seeking to understand film as one expression of human spirituality. **Movies and the Church of Baseball** Jonathan Plummer, 2024-12-25. Christian religious imagery and symbolism has a long history in American baseball cinema, from *The Busher* (1919) to *Angels in the Outfield* (1994) and present-day movies. This book examines *The Natural*, *Field of Dreams*, *Bull Durham*, and other films exploring the frequency of Christian imagery and themes in the American baseball movie. From Babe Ruth's performance of a miracle to help a disabled boy walk again in *The Babe Ruth Story* to Shoeless Joe Jackson's question to Ray Kinsella, "Is this heaven?" in *Field of Dreams*, Christian themes and American baseball film are inextricably linked. This discussion encompasses symbolic imagery in mainstream film, Christian baseball movies directed by Christian filmmakers promoting their faith messages, and images of America as a prelapsarian paradise before The Fall.
