The Soul Of The Text An Anthology Of Jewish Literature

Linda De Roche

The Soul Of The Text An Anthology Of Jewish Literature:

The Soul of the Text Great Books Foundation (U.S.),2000 *The Adult Jewish Education Handbook* Roberta Louis Goodman,2004 This comprehensive guide presents theory from the field of secular adult education in light of the questions and concerns of all aspects of adult Jewish education including learning theory curriculum programming planning budgeting and educational philosophy Women Writers of Yiddish Literature Rosemary Horowitz,2015-05-08 Taking stock of Yiddish literature in 1939 critic Shmuel Niger highlighted the increasing number and importance of women writers However awareness of women Yiddish writers diminished over the years Today a modest body of novels short stories poems and essays by Yiddish women may be found in English translation online and in print and little in the way of literary history and criticism is available This collection of critical essays is the first dedicated to the works of Yiddish women writers introducing them to a new audience of English speaking scholars and readers **Jewish Book World** ,2000 **Genesis** Paul J. Kissling,2004 Critical Thinking and the Bible in the Age of New Media Charles Ess,2004 Contemporary scholarship to address the question What does critical thinking about the Bible mean as the Bible itself is transmediated from print to electronic formats *The Common Review* ,2004 **The Contemplative Soul** Adena Tanenbaum,2002-01-01 During the eleventh and twelfth centuries Andalusian Jewish poets introduced philosophical theories into their devotional verse This study explores the impact of their rich intellectual and cultural life on their Hebrew poems devoted to the soul *American Book Publishing Record* ,2004 **Yearnings of the Soul** Jonathan Garb,2015-11-23 In Yearnings of the Soul Jonathan Garb uncovers a crucial thread in the story of modern Kabbalah and modern mysticism more generally psychology Returning psychology to its roots as an attempt to understand the soul he traces the manifold interactions between psychology and spirituality that have arisen over five centuries of Kabbalistic writing from sixteenth century Galilee to twenty first century New York In doing so he shows just how rich Kabbalah s psychological tradition is and how much it can offer to the corpus of modern psychological knowledge Garb follows the gradual disappearance of the soul from modern philosophy while drawing attention to its continued persistence as a topic in literature and popular culture He pays close attention to James Hillman s archetypal psychology using it to engage critically with the psychoanalytic tradition and reflect anew on the cultural and political implications of the return of the soul to contemporary psychology Comparing Kabbalistic thought to adjacent developments in Catholic Protestant and other popular expressions of mysticism Garb ultimately offers a thought provoking argument for the continued relevance of religion to the study of psychology *The Palgrave Handbook of Queer and Trans Studies in Religion* Melissa M. Wilcox,2025-09-26 This Handbook is a first of its kind high quality reference resource guiding readers through the burgeoning fields of queer and trans studies in religion and pointing them toward the newest directions these fields are taking or should take The chapters cover both theoretical and methodological considerations and also highlight the histories perspectives and ongoing activism of queer and trans people in a wide array of religious contexts Written by a team

of both established senior scholars and emerging scholars all working on the leading edges of the field and edited by a senior scholar who also authored the first ever introduction to the field this handbook aims to play a role in defining queer and trans studies in religion for years to come **Arthur Green: Hasidism for Tomorrow** Hava Tirosh-Samuelson, Aaron W.

Hughes, 2016-07-11 Arthur Green is Rector of the post denominational Rabbinical School and Irving Brudnick Professor of Jewish Philosophy and Religion at Hebrew College in Newton Massachusetts Originally ordained as a Conservative rabbi Green considers himself a neo Hasidic Jew identifying with none of the established Jewish denominations He combines historical knowledge of the Jewish mystical tradition with an original constructive theology Recognized as both a rabbi and a scholar Green has sought to make spiritual pursuit an essential part of committed Jewish life Through scholarship educational work and popular teaching he has contributed to the growth and vitality of Judaism in America and helped promote neo Hasidism as Jewish spirituality for the 21st century *The Parallel Universes of David Shrayer-Petrov* Roman Katsman, Maxim D. Shrayer, Klavdia Smola, 2021-06-01 This volume celebrates the literary oeuvres of David Shrayer Petrov poet fiction writer memoirist essayist and literary translator and medical doctor and researcher in his parallel career Author of the refusenik novel Doctor Levitin Shrayer Petrov is one of the most important representatives of Jewish Russian literature Published in the year of Shrayer Petrov s eighty fifth birthday thirty five years after the writer s emigration from the former USSR this is the first volume to gather materials and investigations that examine his writings from various literary historical and theoretical perspectives By focusing on many different aspects of Shrayer Petrov s multifaceted and eventful literary career the volume brings together some of the leading American European Israeli and Russian scholars of Jewish poetics exilic literature and Russian and Soviet culture and history In addition to fifteen essays and an extensive interview with Shrayer Petrov the volume features a detailed bibliography and a pictorial biography **Reading Israel, Reading America**

Omri Asscher, 2019-11-26 American and Israeli Jews have historically clashed over the contours of Jewish identity and their experience of modern Jewish life has been radically different As Philip Roth put it they are the heirs jointly of a drastically bifurcated legacy But what happens when the encounter between American and Israeli Jewishness takes place in literary form when Jewish American novels make aliyah or when Israeli novels are imported for consumption by the diaspora Reading Israel Reading America explores the politics of translation as it shapes the understandings and misunderstandings of Israeli literature in the United States and American Jewish literature in Israel Engaging in close readings of translations of iconic novels by the likes of Philip Roth Saul Bellow Bernard Malamud Amos Oz A B Yehoshua and Yoram Kaniuk in particular the ideologically motivated omissions and additions in the translations and the works reception by reviewers and public intellectuals Asscher decodes the literary encounter between Israeli and American Jews These discrepancies demarcate an ongoing cultural dialogue around representations of violence ethics Zionism diaspora and the boundaries between Jews and non Jews Navigating the disputes between these rival siblings of the Jewish world Asscher provocatively untangles the

cultural relations between Israeli and American Jews The Open Shelf ,1919 *Enoch from Antiquity to the Middle Ages, Volume I* John C. Reeves,Annette Yoshiko Reed,2018-02-22 Across the ancient and medieval literature of Judaism Christianity and Islam one finds references to the antediluvian sage Enoch Both the Book of the Watchers and the Astronomical Book were long known from their Ethiopic versions which are preserved as part of Mashafa Henok Nabi Book of Enoch the Prophet an Enochic compendium known in the West as 1 Enoch Since the discovery of Aramaic fragments among the Dead Sea Scrolls these books have attracted renewed attention as important sources for ancient Judaism Among the results has been the recognition of the surprisingly long and varied tradition surrounding Enoch Within 1 Enoch alone for instance we find evidence for intensive literary creativity This volume provides a comprehensive set of core references for easy and accessible consultation It shows that the rich afterlives of Enochic texts and traditions can be studied more thoroughly by scholars of Second Temple Judaism and early Christianity as well as by scholars of late antique and medieval religions Specialists in the Second Temple period the era in which Enochic literature first appears will be able to trace or discount the survival of Enochic motifs and mythemes within Jewish literary circles from late antiquity into the Middle Ages thereby shedding light on the trajectories of Jewish apocalypticism and its possible intersections with Jewish mysticism Students of Near Eastern esotericism and Hellenistic philosophies will have further data for exploring the origins of gnosticism and its possible impact upon sectarian currents in Judaism Christianity and Islam Those interested in the intellectual symbiosis among Jews Christians and Muslims in the Middle Ages and especially in the transmission of the ancient sciences associated with Hermeticism e g astrology theurgy divinatory techniques alchemy angelology demonology will be able to view a chain of tradition reconstructed in its entirety for the first time in textual form In the process we hope to provide historians of religion with a new tool for assessing the intertextual relationships between different religious corpora and for understanding the intertwined histories of the major religious communities of the ancient and medieval Near East **Twentieth-Century and Contemporary American Literature in Context** Linda De Roche,2021-06-04 This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials Bringing useful and engaging material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America Not only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and other representative groups that showcase the diversity of American letters A rich

selection of primary documents and background material provides indispensable information for student research

Between Worlds J. H. Chajes, 2012-03-07 After a nearly two thousand year interlude and just as Christian Europe was in the throes of the great Witch Hunt and what historians have referred to as The Age of the Demonioc accounts of spirit possession began to proliferate in the Jewish world Concentrated at first in the Near East but spreading rapidly westward spirit possession both benevolent and malevolent emerged as perhaps the most characteristic form of religiosity in early modern Jewish society Adopting a comparative historical approach J H Chajes uncovers this strain of Jewish belief to which scant attention has been paid Informed by recent research in historical anthropology *Between Worlds* provides fascinating descriptions of the cases of possession as well as analysis of the magical techniques deployed by rabbinic exorcists to expel the ghostly intruders Seeking to understand the phenomenon of spirit possession in its full complexity Chajes delves into its ideational framework chiefly the doctrine of reincarnation while exploring its relation to contemporary Christian and Islamic analogues Regarding spirit possession as a form of religious expression open to and even dominated by women Chajes initiates a major reassessment of women in the history of Jewish mysticism In a concluding section he examines the reception history of the great Hebrew accounts of spirit possession focusing on the deployment of these ghost stories in the battle against incipient skepticism in the turbulent Jewish community of seventeenth century Amsterdam Exploring a phenomenon that bridged learned and ignorant rich and poor men and women Jews and Gentiles *Between Worlds* maps for the first time a prominent feature of the early modern Jewish religious landscape as quotidian as it was portentous the nexus of the living and the dead [The United Synagogue Recorder](#) ,1926 **The Book of Tahkemoni** Judah Alharizi, 2003-08-01 The crowning jewel of medieval Hebrew rhymed prose in vigorous translation vividly illuminates a lost Iberian world With full scholarly annotation and literary analysis

The Enigmatic Realm of **The Soul Of The Text An Anthology Of Jewish Literature**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic.
