

— A FATHER'S LOVE —

A father's love for his son or daughter never dies. The strength gained from such love is often unquantifiable, in that it can be tapped into at any time for whatever reason, whether your father is still here or has passed. A father's love is one of the strongest bonds any of us will ever experience.

— GRATITUDE —

Life is one big, continuous circle of giving and receiving energy. Be thankful for what and what's in your life, instead of complaining about what you don't have. If you focus on gratitude, you'll start to attract prosperity and abundance.

— HAVE FUN —

Wags: When was the last time you had fun? When was the last time you took a chance and did something silly... something totally unlike you, something just for the joy of it? It's long overdue for you to let go of your analytical mind and give yourself and your soul permission to have fun!

— LIGHT —

Imagine yourself as a being composed of energy and light... because in reality, that's precisely what you are. You are a powerful being, and people are attracted to your brilliance. This is a time to remember how vibrant you truly are!

— STAY CONNECTED —

We are all born connected to Spirit, often known as the Divine Source. Yet many of us have a tendency to pull away from that connection as we journey through life in the physical world. Now is an important time to reconnect to the source.

— YOU ARE NOT ALONE —

We are here for you. We never left! Through all the sadness and loneliness, however, you cannot sense us near you or feel how much love we are sending you. We are your family, friends, and Guides. You never walk alone; we walk right beside you.
